*North Garland High
Garland, Texas
Volume III*

One must live each day of his life to the fullest, for none of us have any assurance of what tomorrow holds. What kind of people we really are will be shown in our actions today. Because a school is reflected by the people who compose its daily life, it is up to each of us as individuals to reflect a daily life of involvement and dedication.

Here is the mirror of the daily life of North Garland. Reflections are seen of individuals living their lives each day to the utmost. Those who have lived to render service or to be a vital part of North Garland will not be forgotten today, for in these pages their memories will live forever.

Reflections of daily living — helping others, supporting the Raiders, entertaining, or just being involved with others. Each day has unified our school as we have laughed, cried, and worked together. The contributions each person has made every day have built the pride which now exists in North Garland.

Finish every day and be done with it. You have done what you could; some blunders and absurdities have crept in; forget them as soon as you can. Tomorrow is a new day; you will begin it well and serenely and with too high a spirit to be cumbered by your old nonsense.

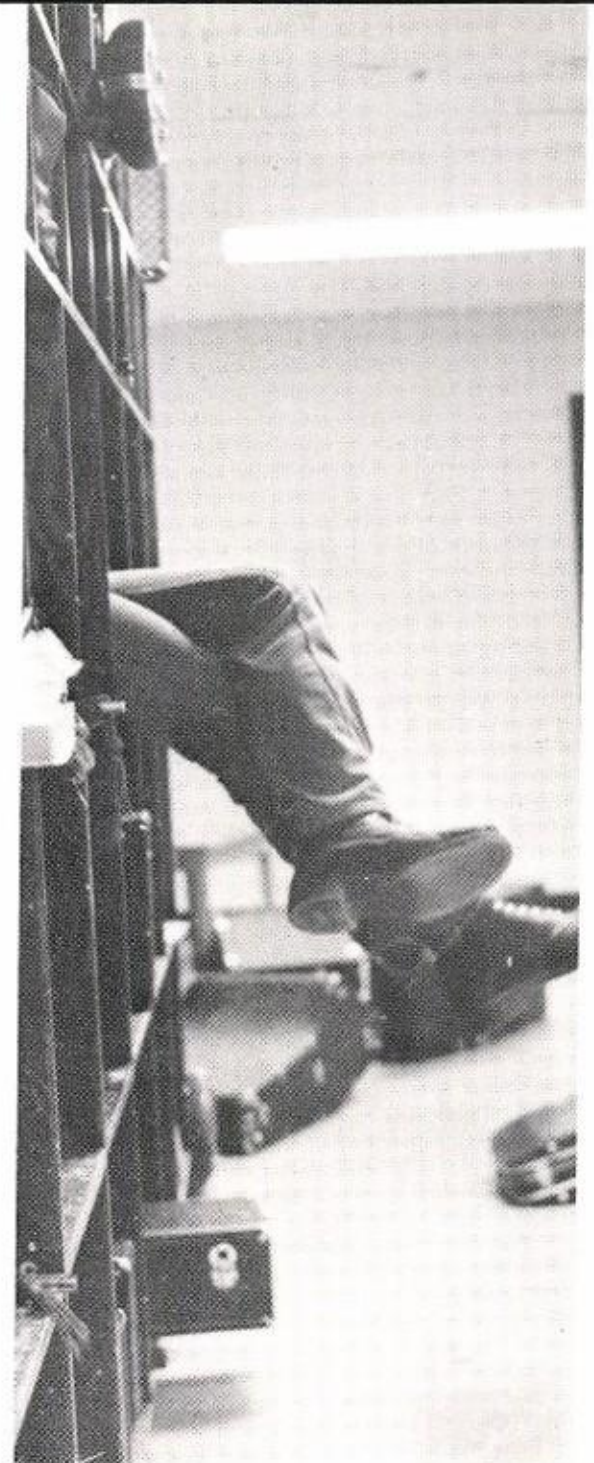

Emerson

We know nothing of tomorrow;
our business is to be good
and happy today.

Samuel Taylor Coleridge

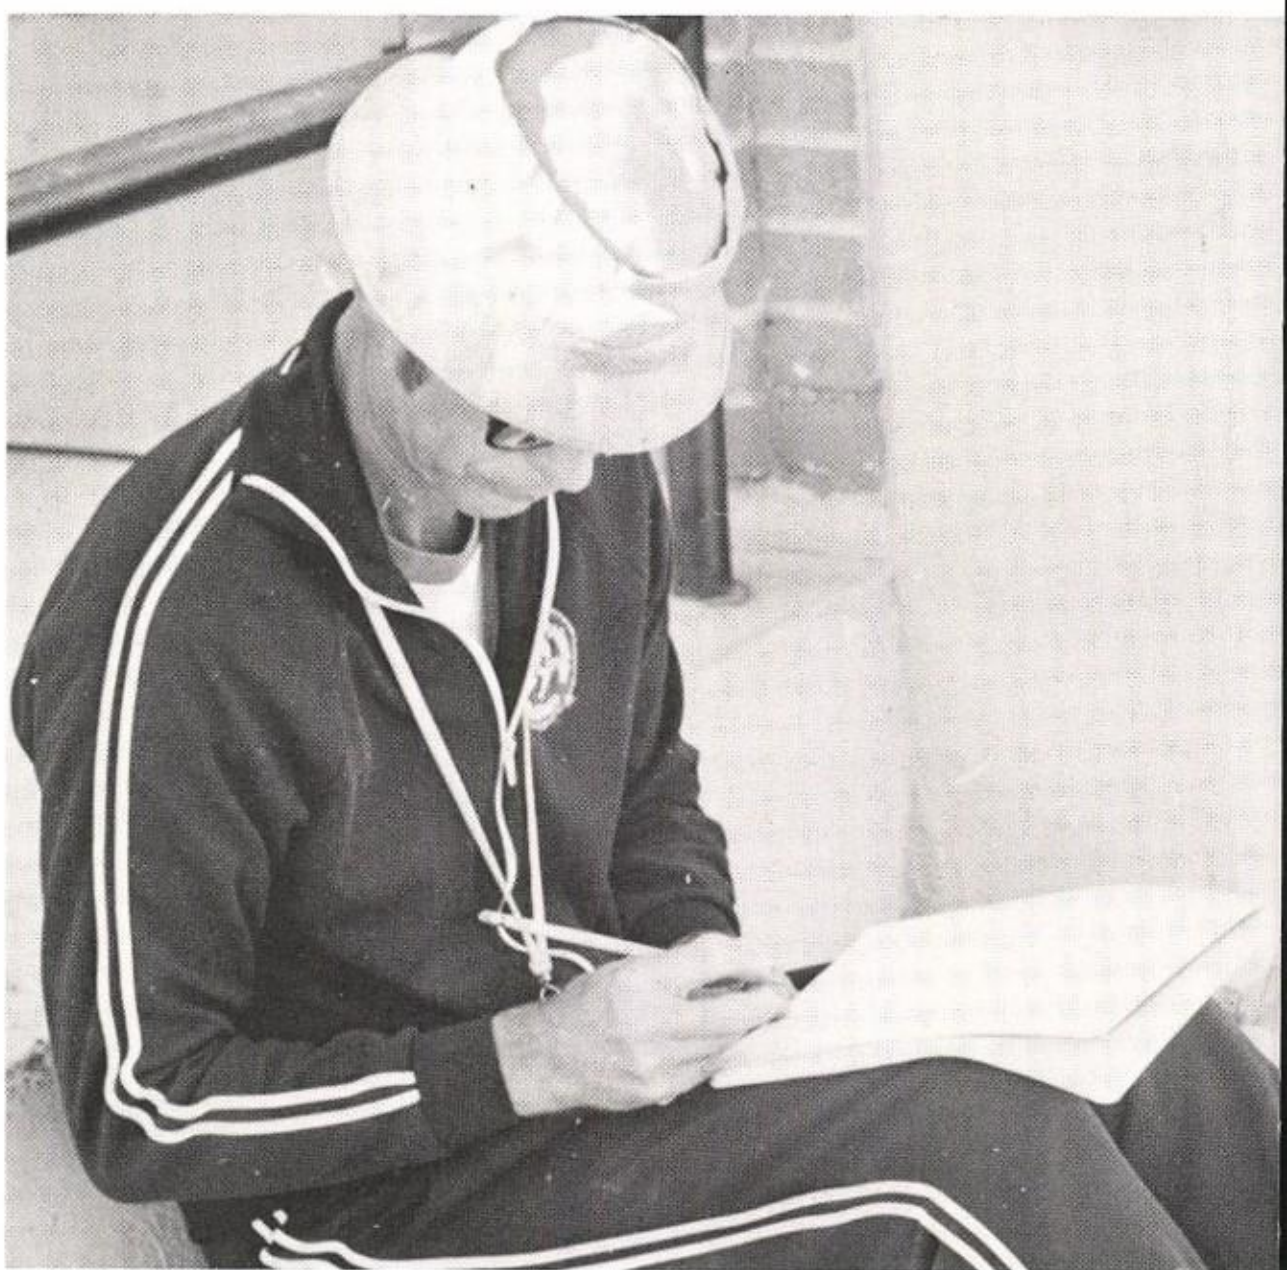

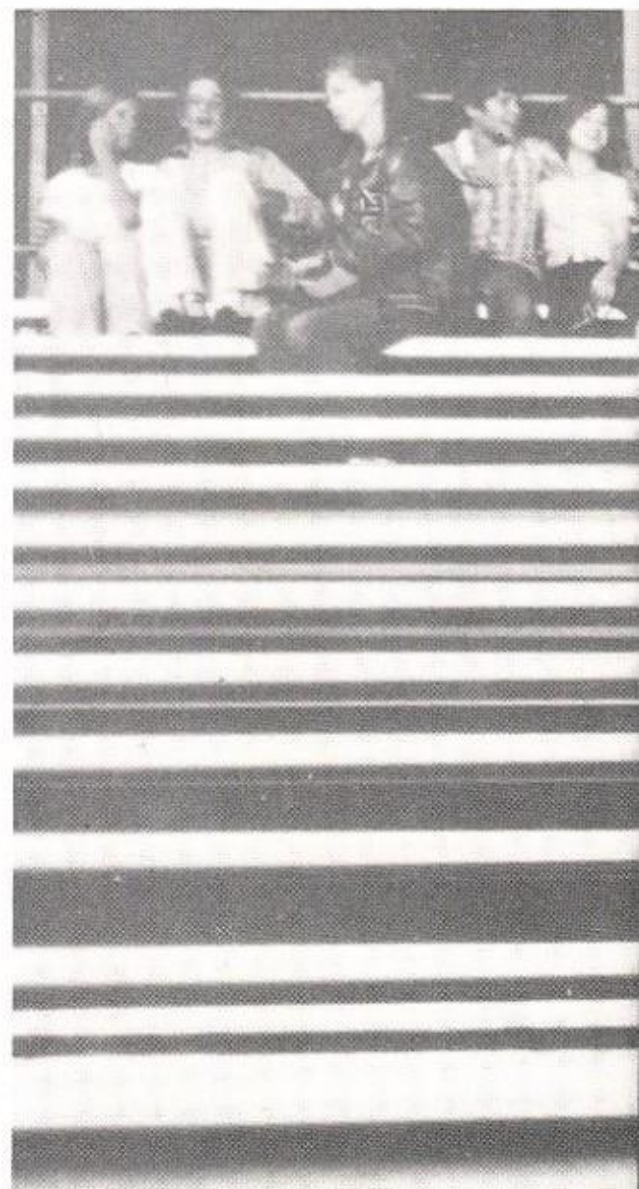

This is the day which the Lord has
made; let us rejoice and be glad in it.

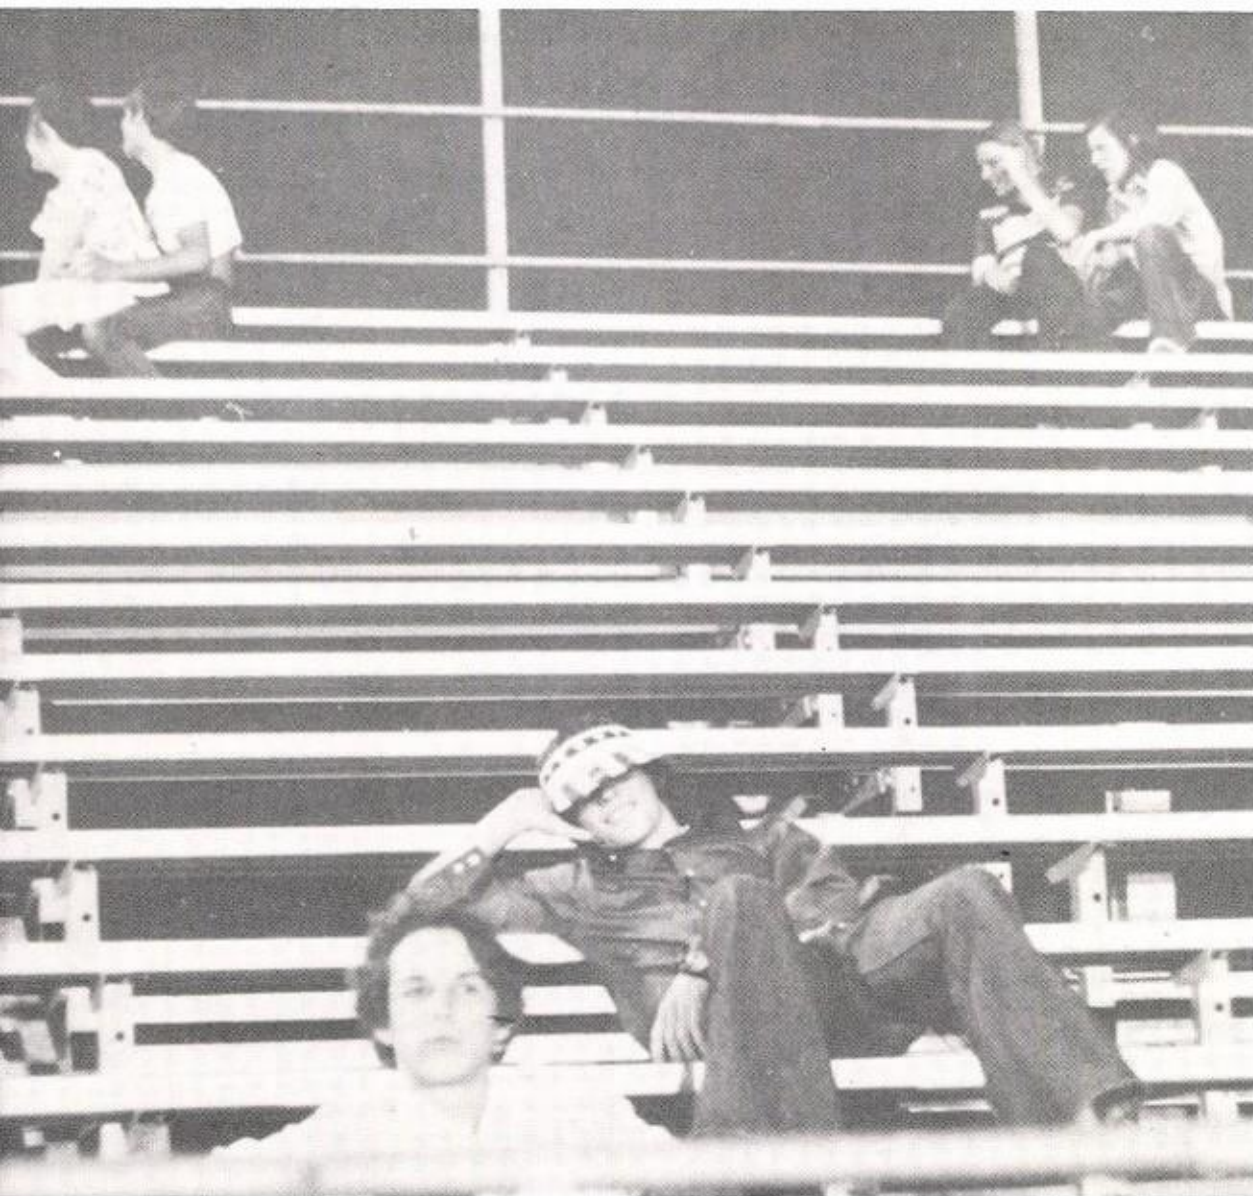

Psalms 118:24

Life is too short to be little.

Benjamin Disraeli

Just because it's today.
 Just because
 a sun I never touched,
 touched me,
 and a sky I couldn't hold,
 held me,
 and a love I didn't understand,
 understood me.
 Just because
 the sun
 and sky
 and love
 are free.
 I rejoice.

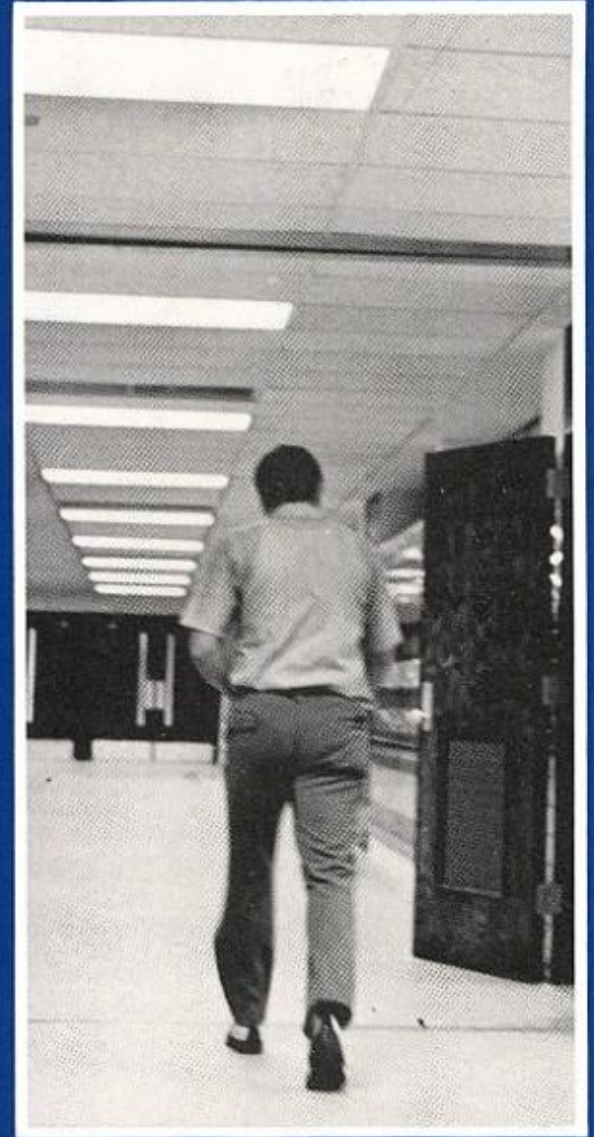

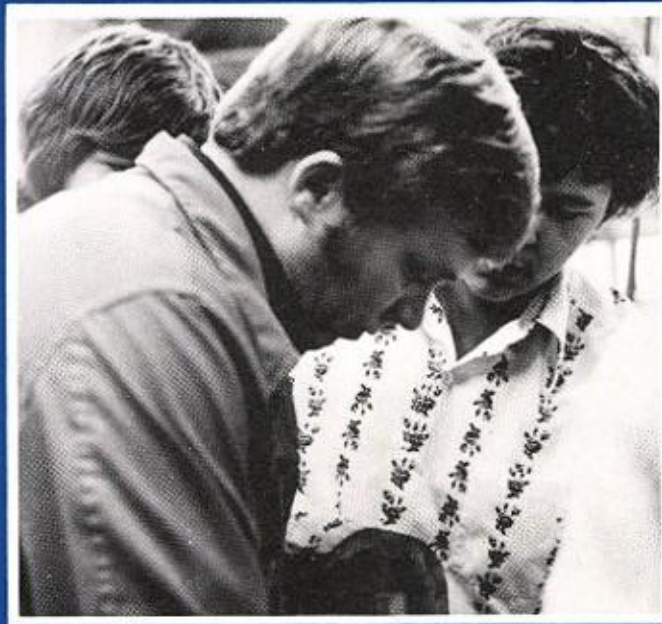

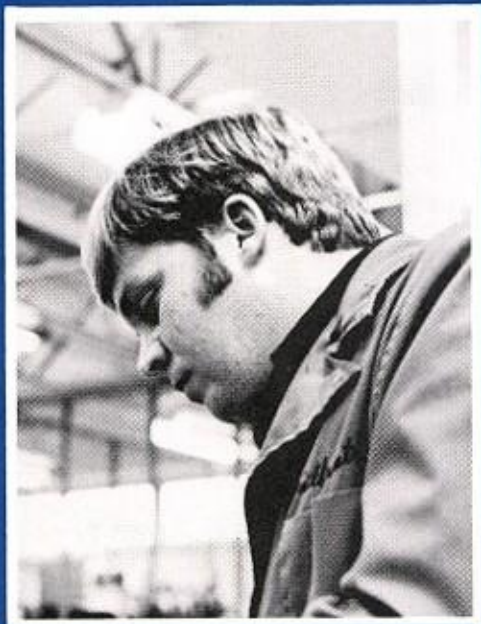

Kathy Cotton

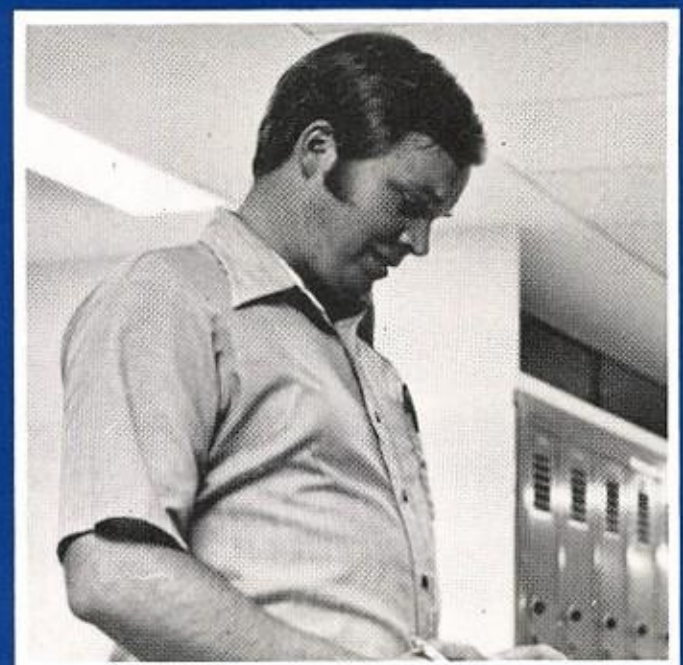

today . . .

We stand before the opportunities a new day brings — the hope of attaining peace, the dreams of a better tomorrow, and the aspirations of expanding our horizons. To shield ourselves from life's realities will not enable us to realize our hopes, fulfill our dreams, and achieve our aspirations, for it is only by coping with the problems of this day that solutions for tomorrow may be found. We have twenty-four hours to make this day count. Though it is but a small pebble among the shells of yesterday and tomorrow, today will count for something, because we have lived.

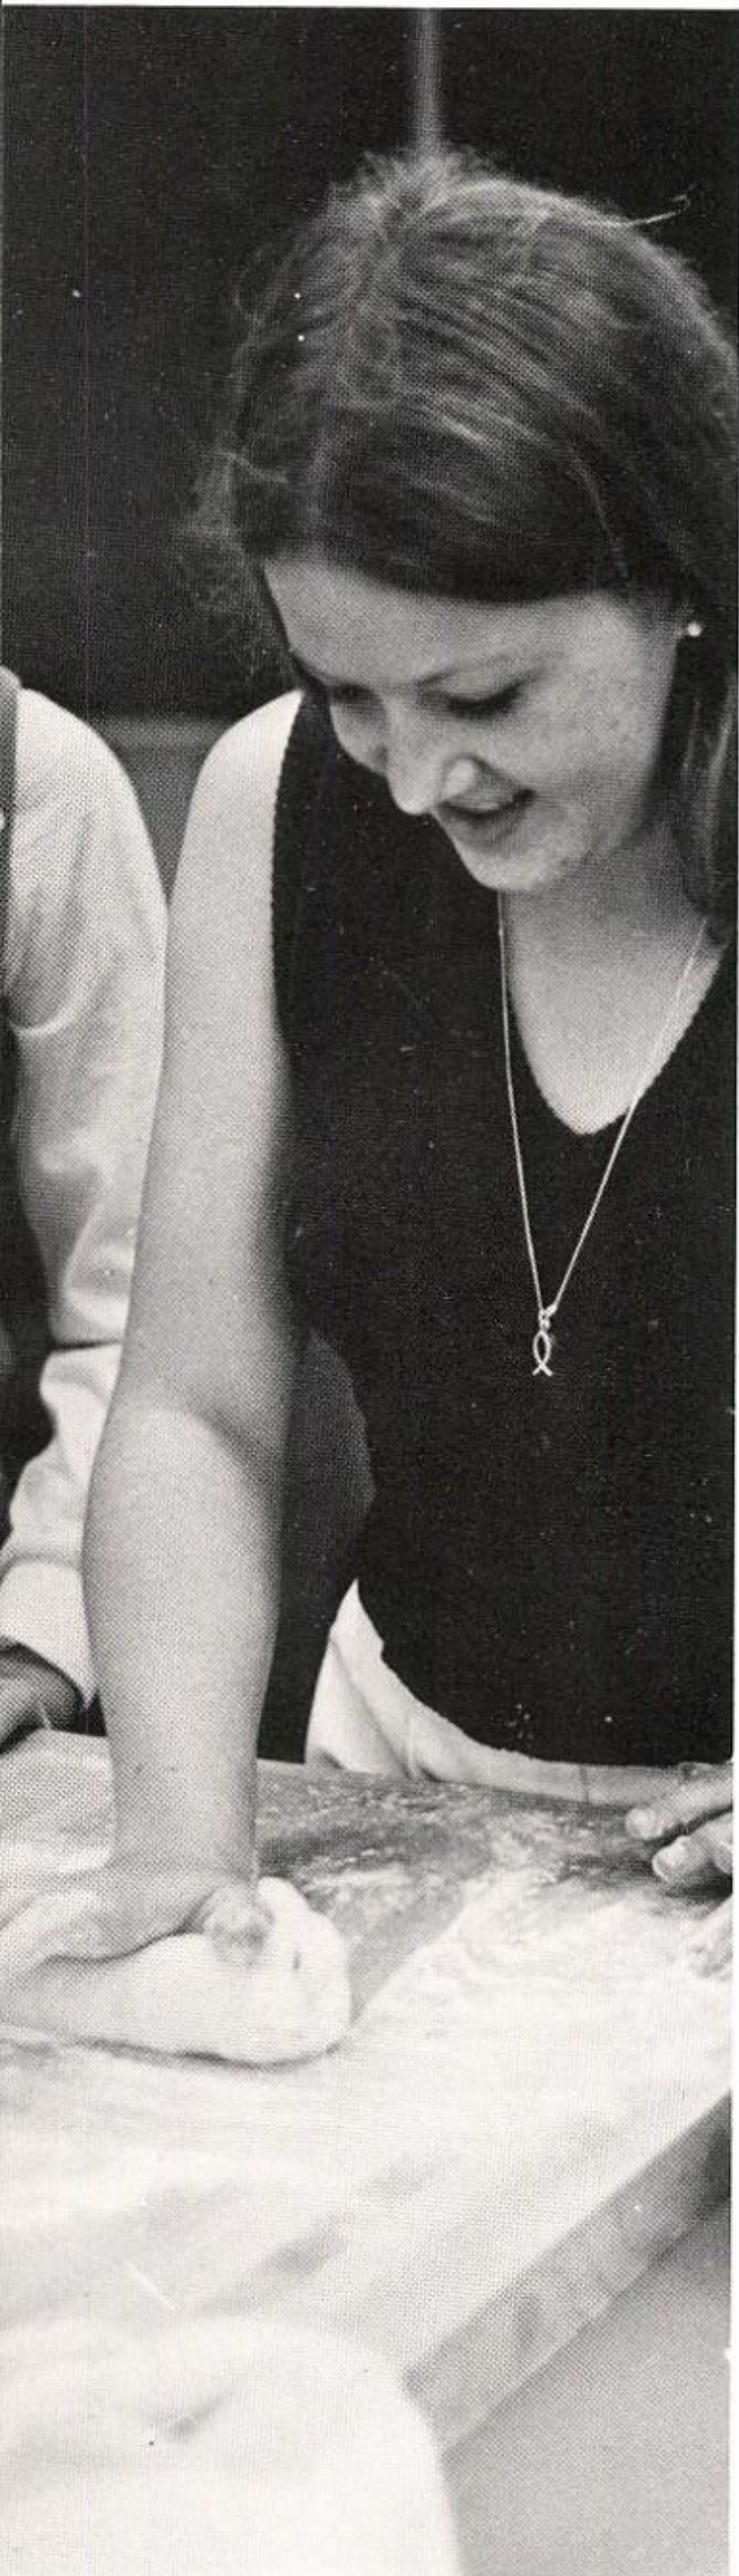

There have always been those people who have excelled in their field of occupation. Teachers have been no exception. It takes a special talent to excel in the field of teaching. Determination, sincerity, and above all, an unyielding devotion to students are the characteristics which have long placed the great teachers in a class all their own. Therefore, we feel a teacher of such caliber deserves to be recognized. He has shown a deep desire to communicate with and extract the best from his students. By his devotion and love, he has inspired many students to aspire to achieve higher goals. Because of the recognition he has given to the students as worthy human beings, the 1974 MARAUDER is dedicated to Mr. Phillip Gilbreath.

NORTH GARLAND HIGH SCHOOL

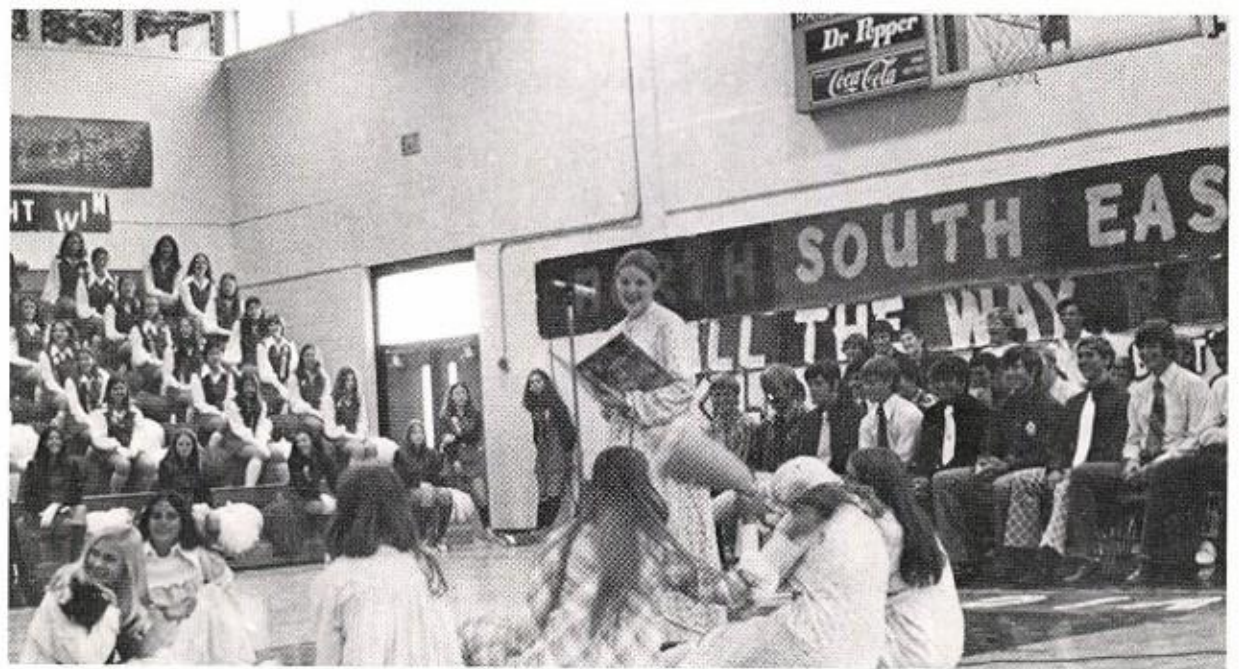

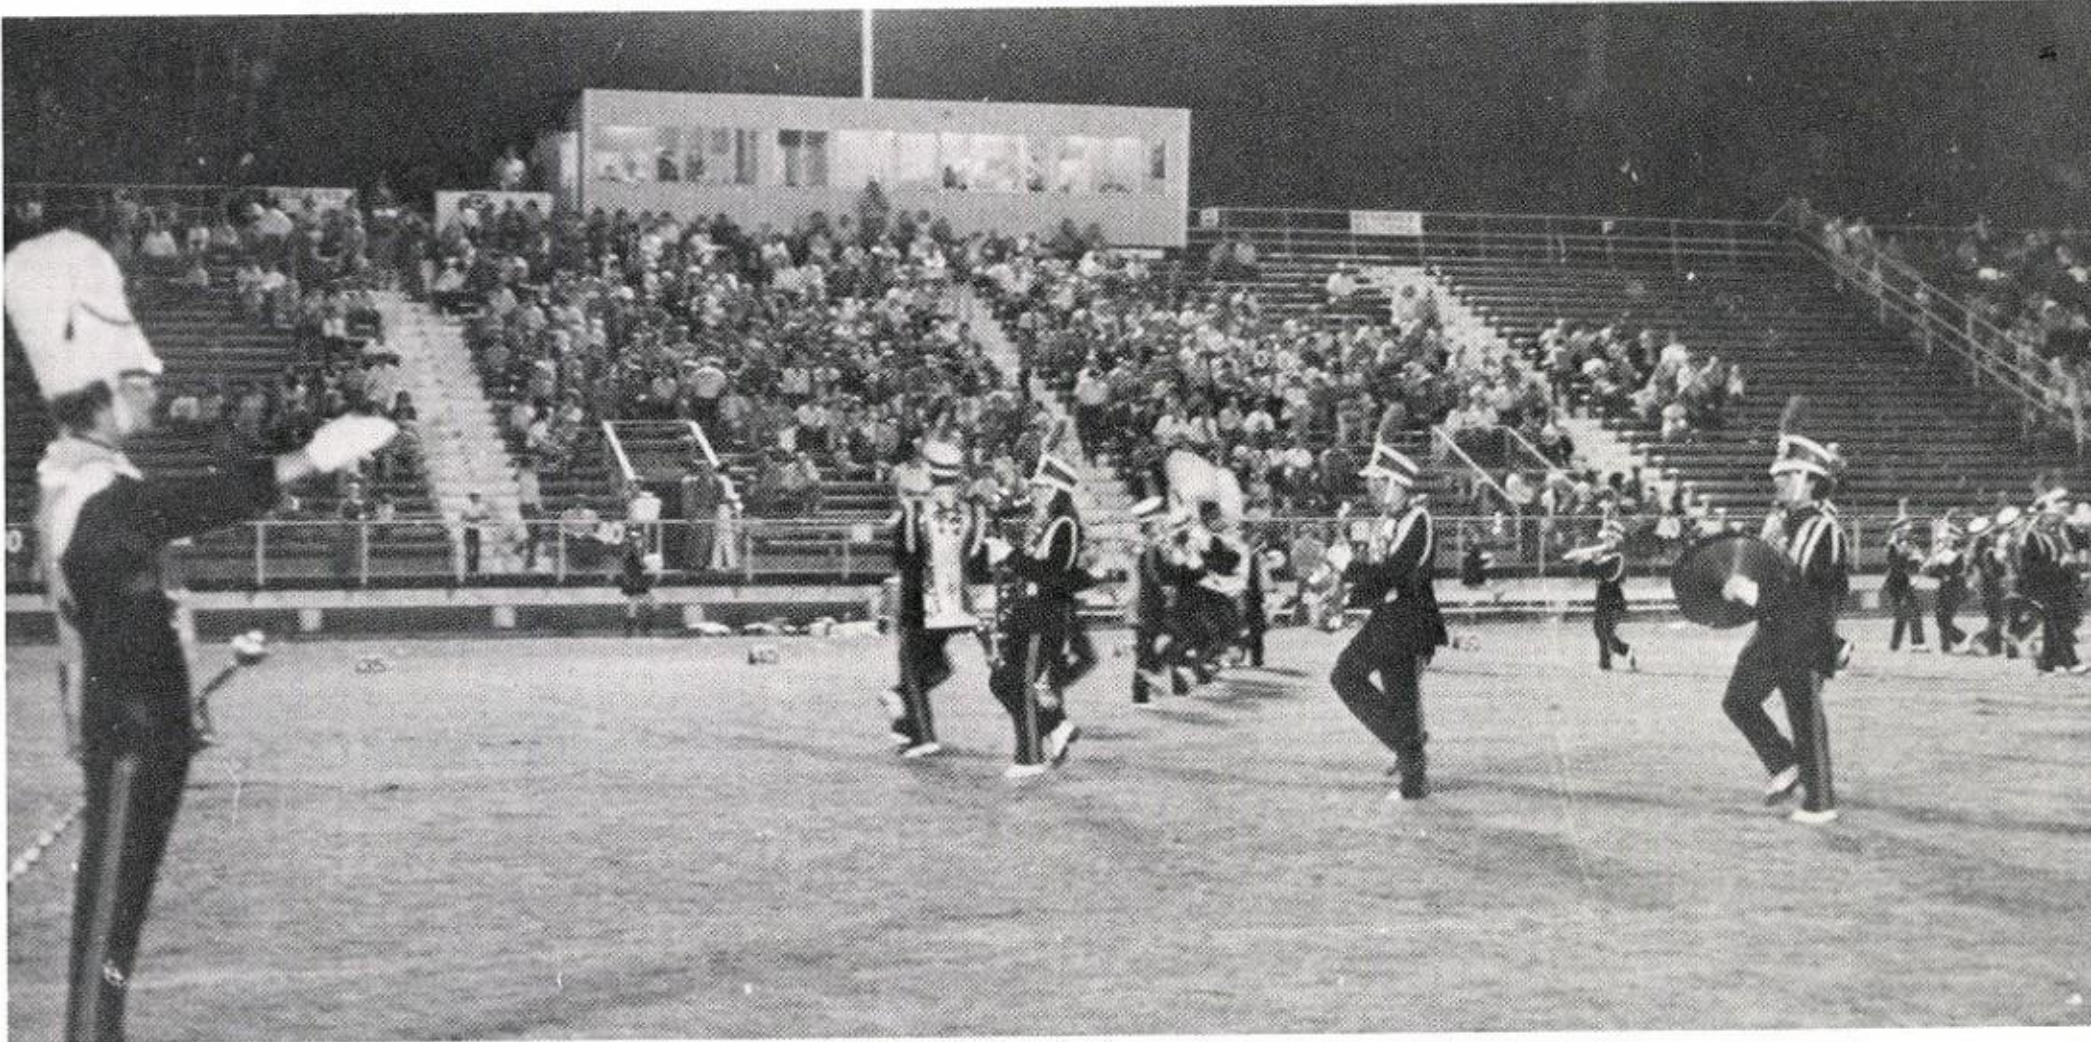

September . . .

September began with Yosemite Sam joining the enthusiastic Raider spirit at pep rallies. Ideas for money-making projects moved into full swing with hopes of numerous accomplishments. Students began to see results of afternoon sessions of practice, practice, practice . . .

. . . School begins

Freshmen become a part of North Garland with class elections.

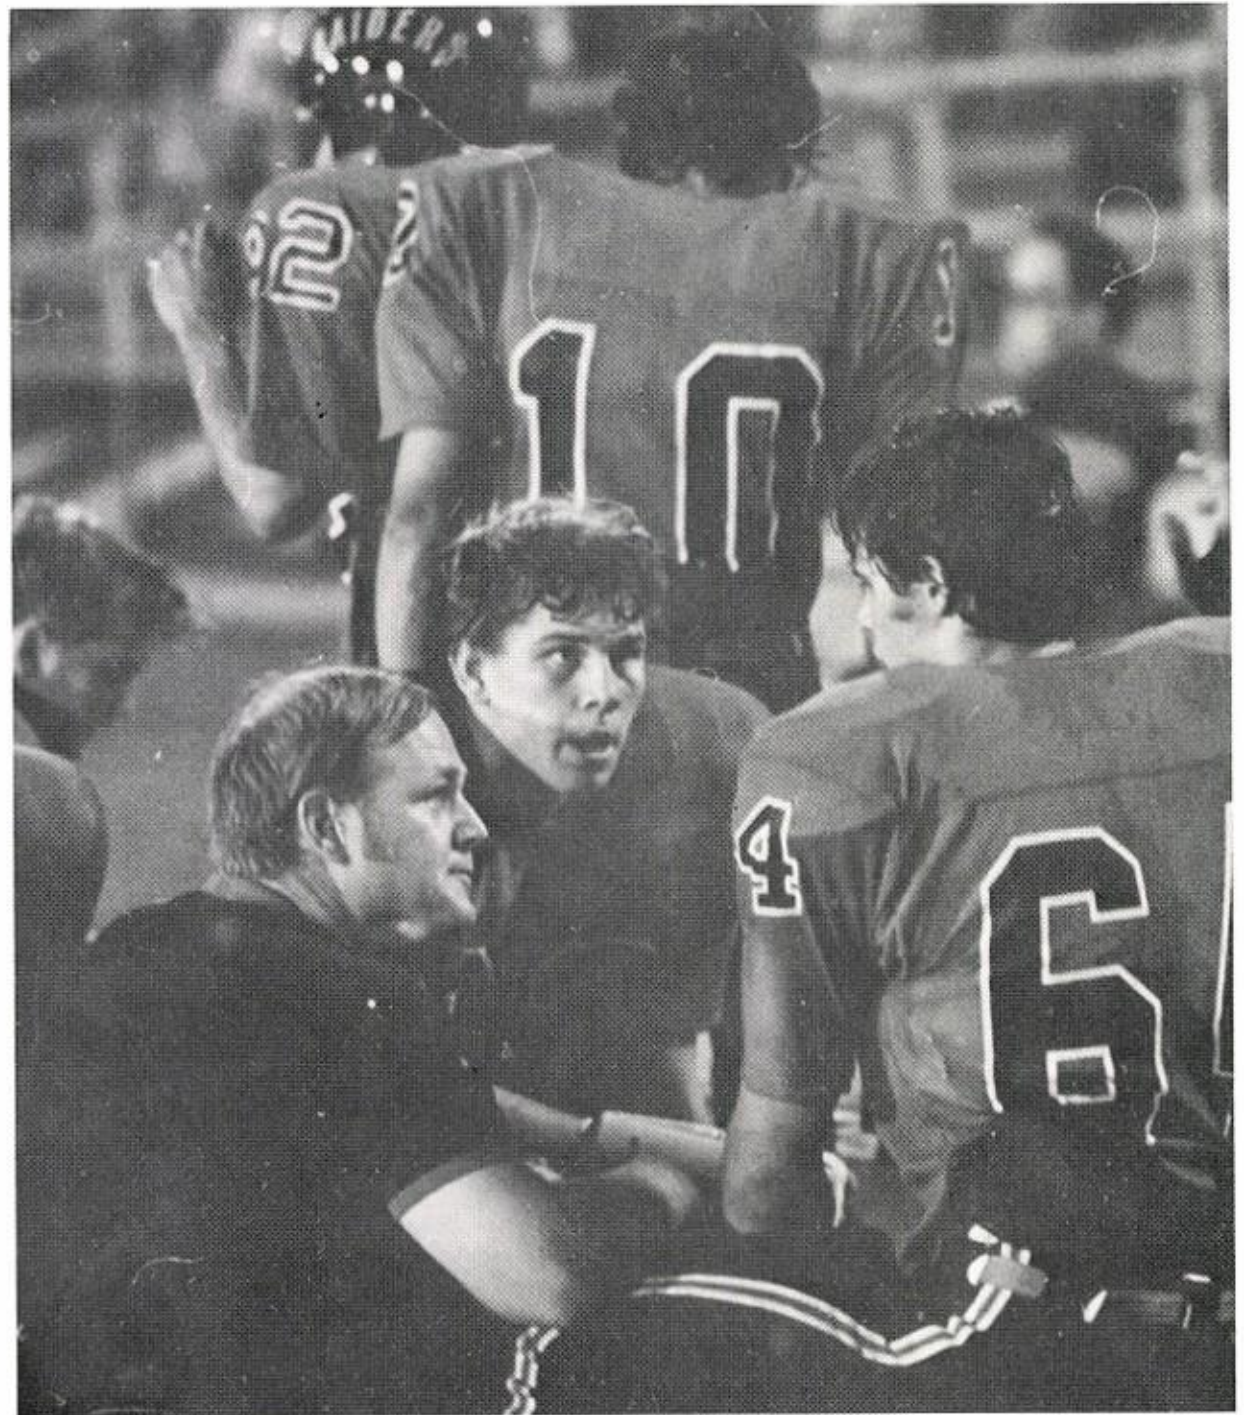

More books, books, books, — I had enough problems deciding last year!

Won't the 3:15 bell ever come?

Fudge-sicle power!!

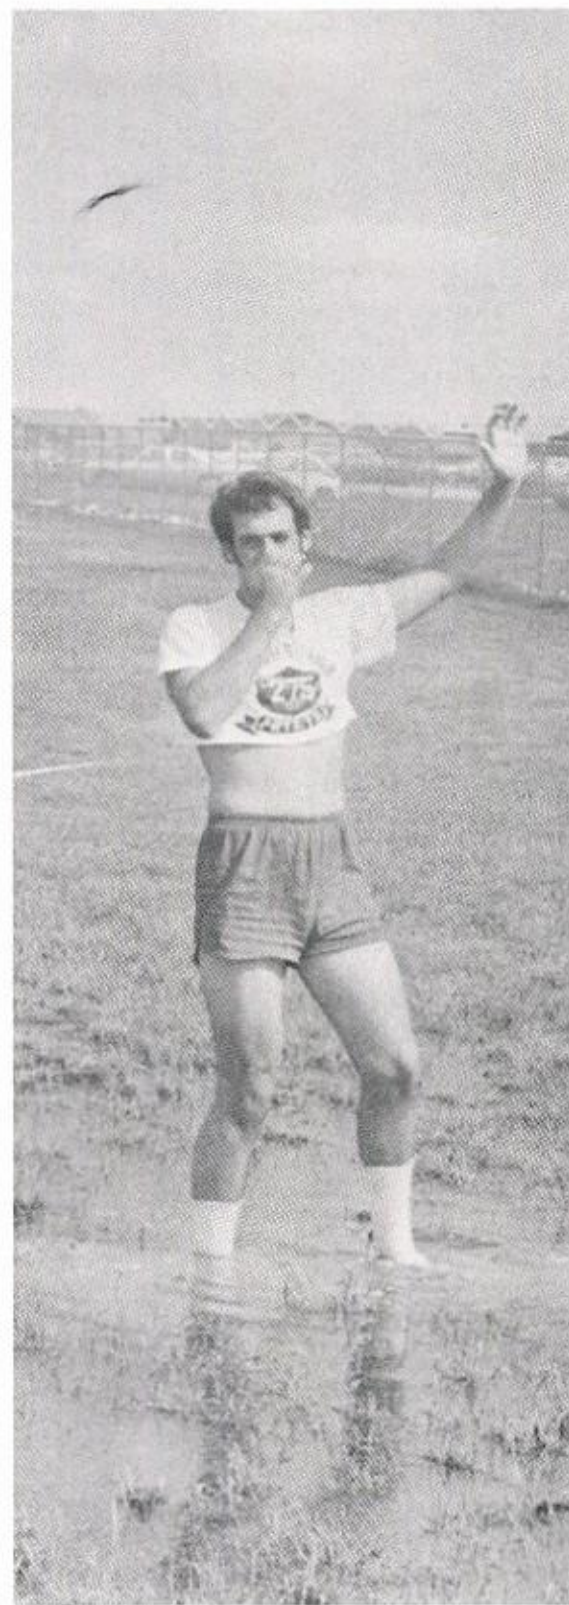

Coach Beavers listens intently to Raider defense.

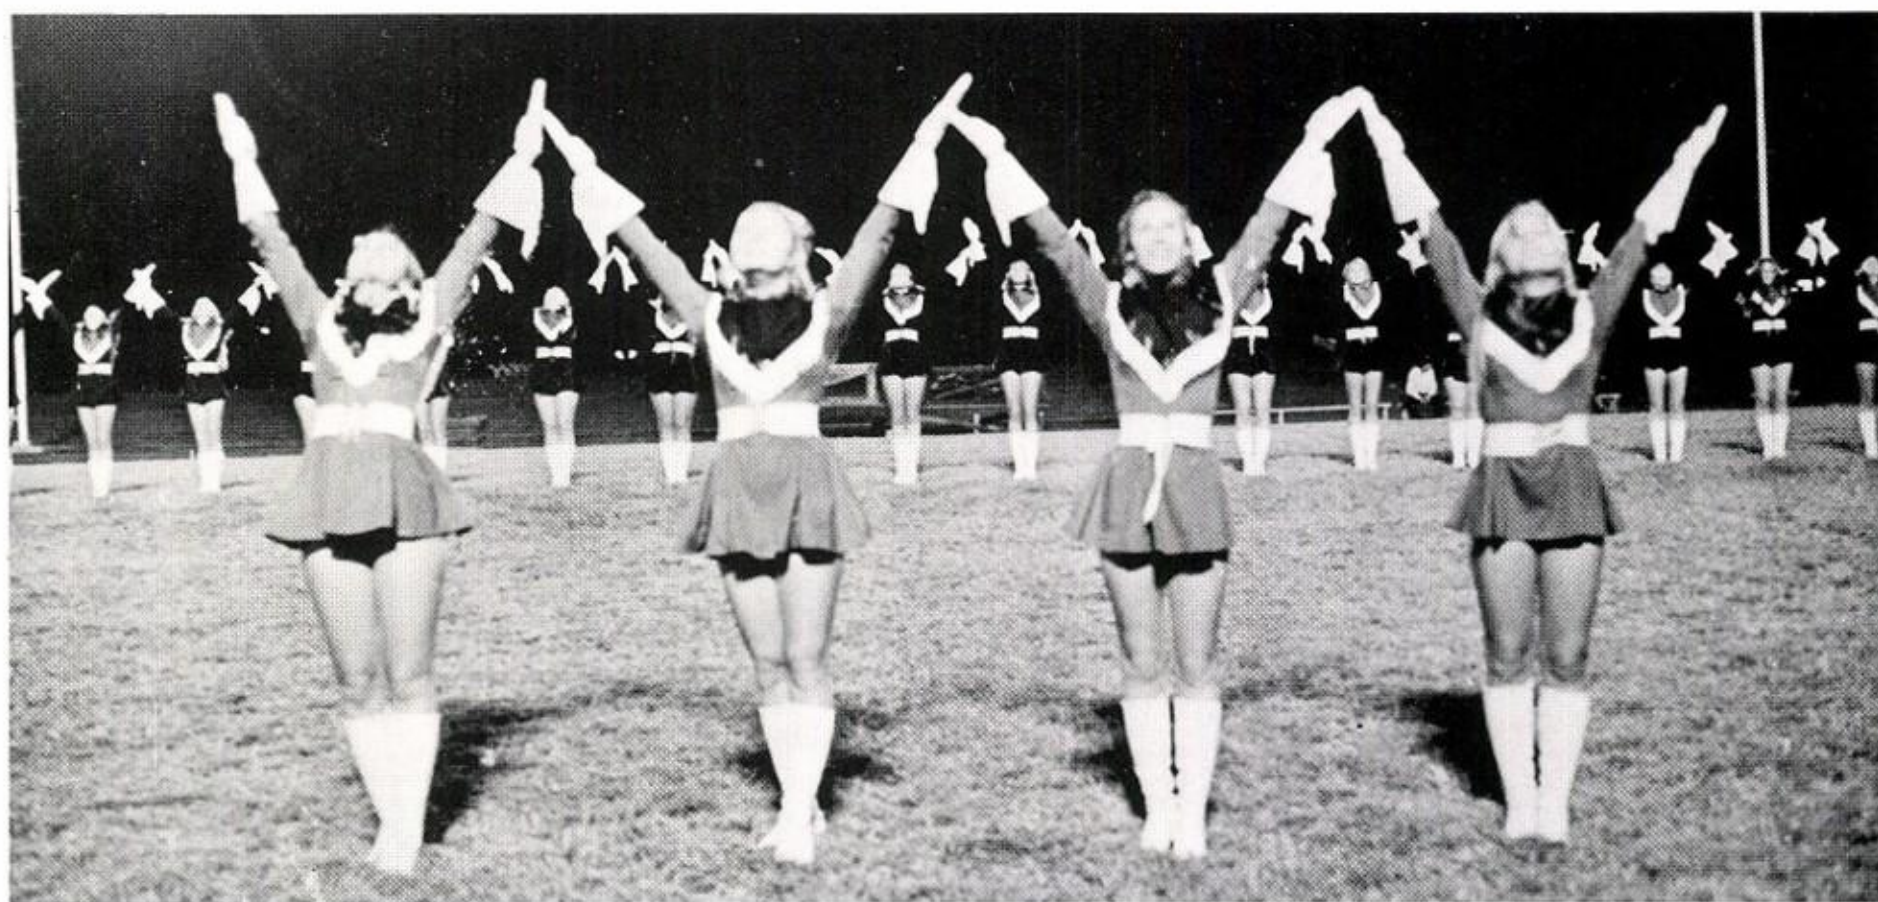

Things *do* go better with coke!

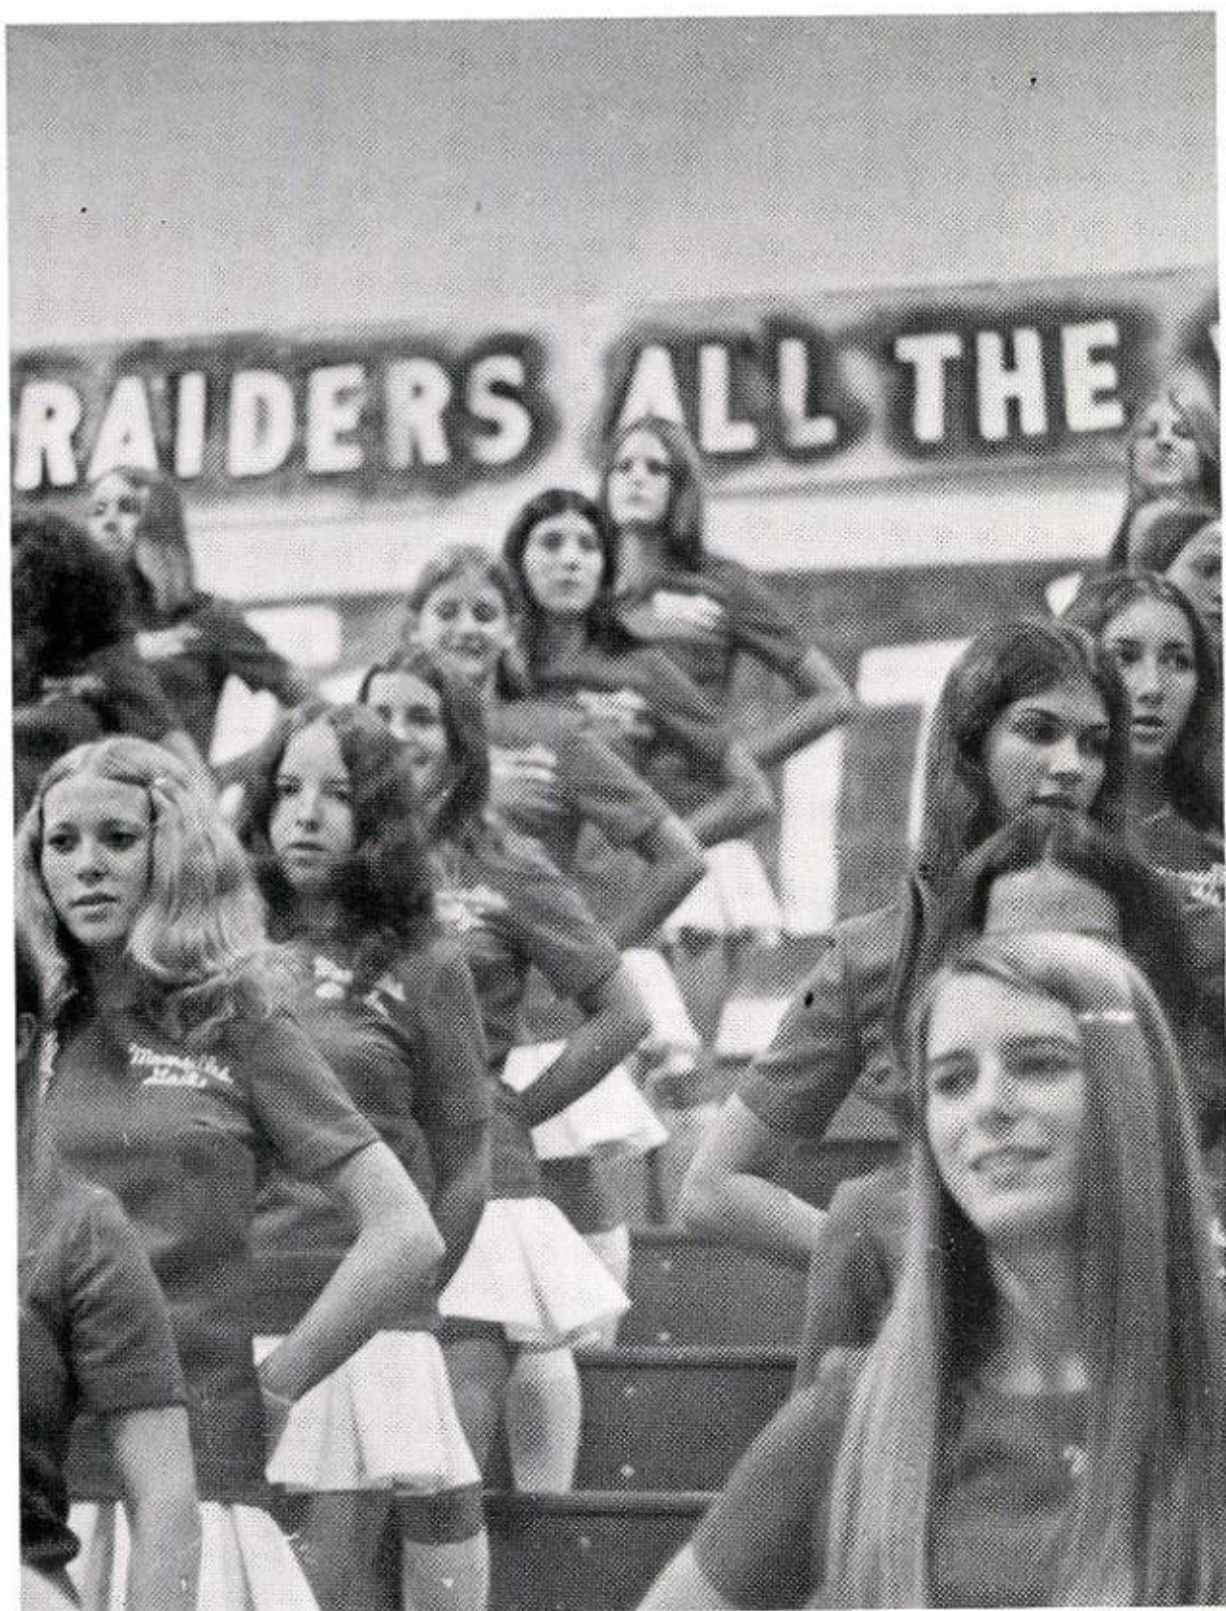

Yosemite Sam helps Raider spirit.

North Garland Swim Team??

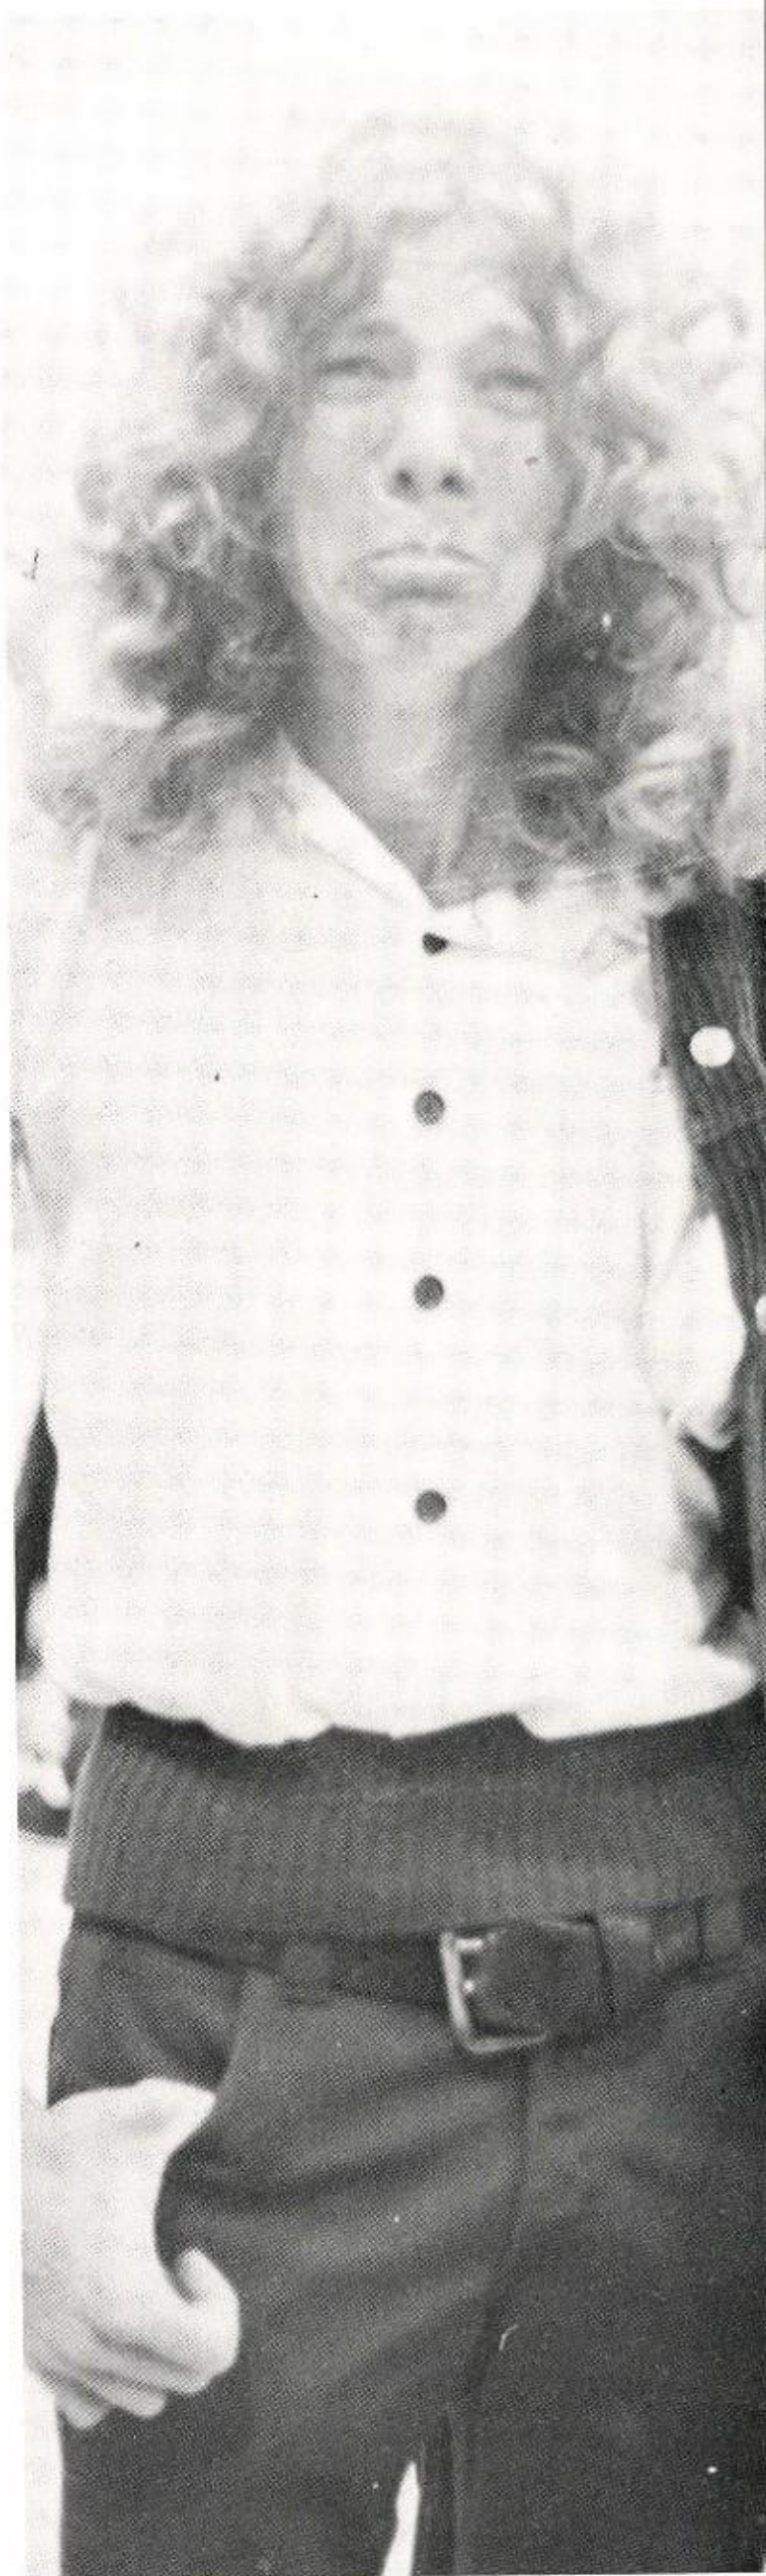

Encore! Encore!

The "Red and White" add spirit.

Cheers for victory begin!!

It can't be that bad!

Look out below!!

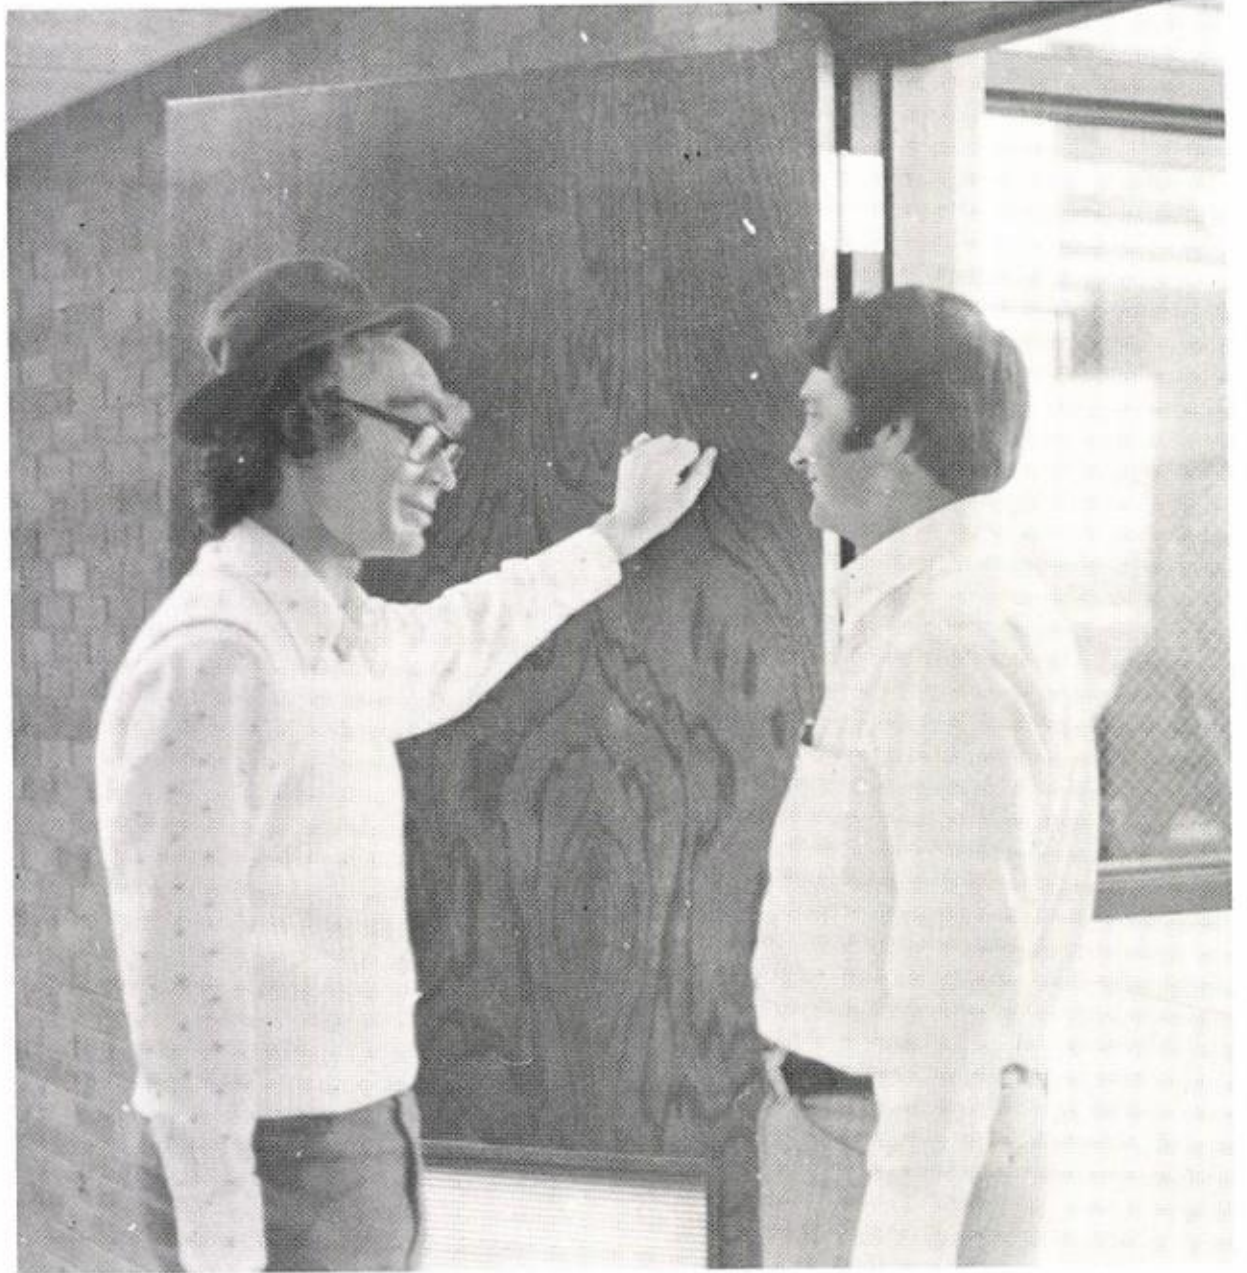

Strange way to tie your shoe isn't it?

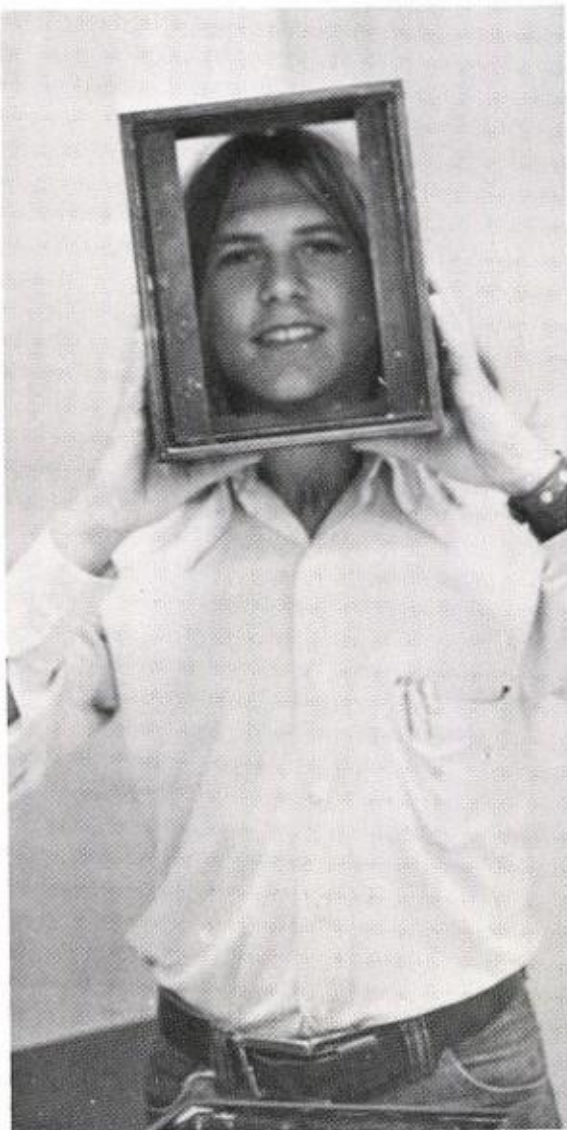

I'm waiting.

"I'm gonna make ya an offer ya can't refuse . . ."

Trick or treat?!!

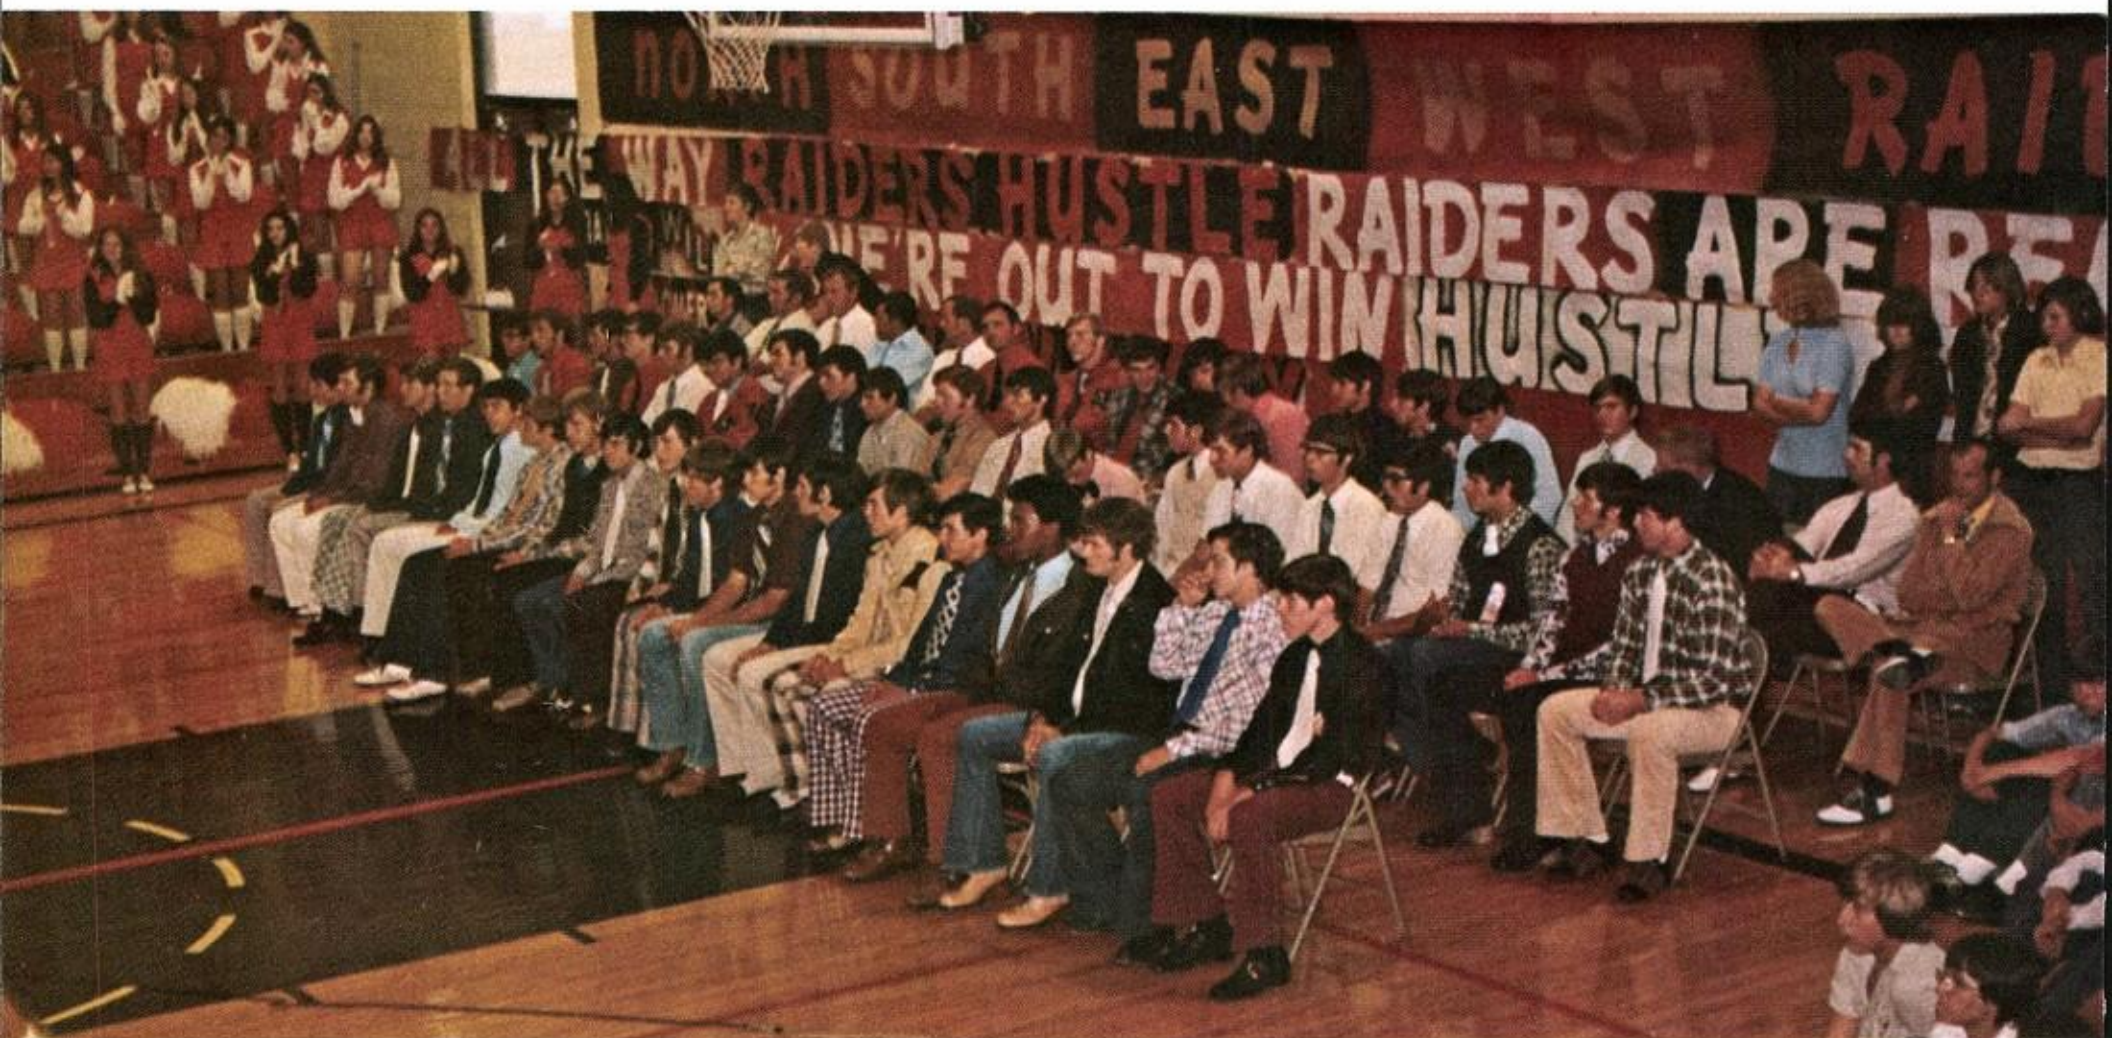

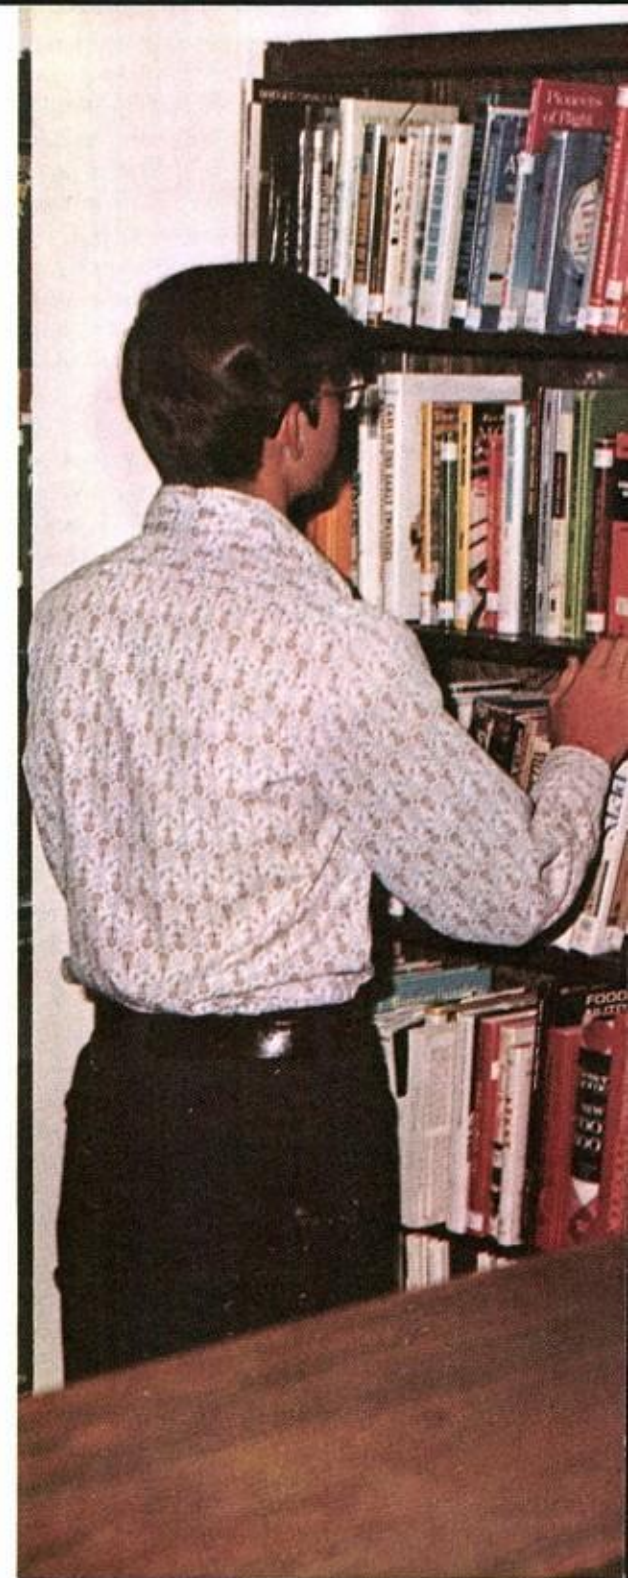

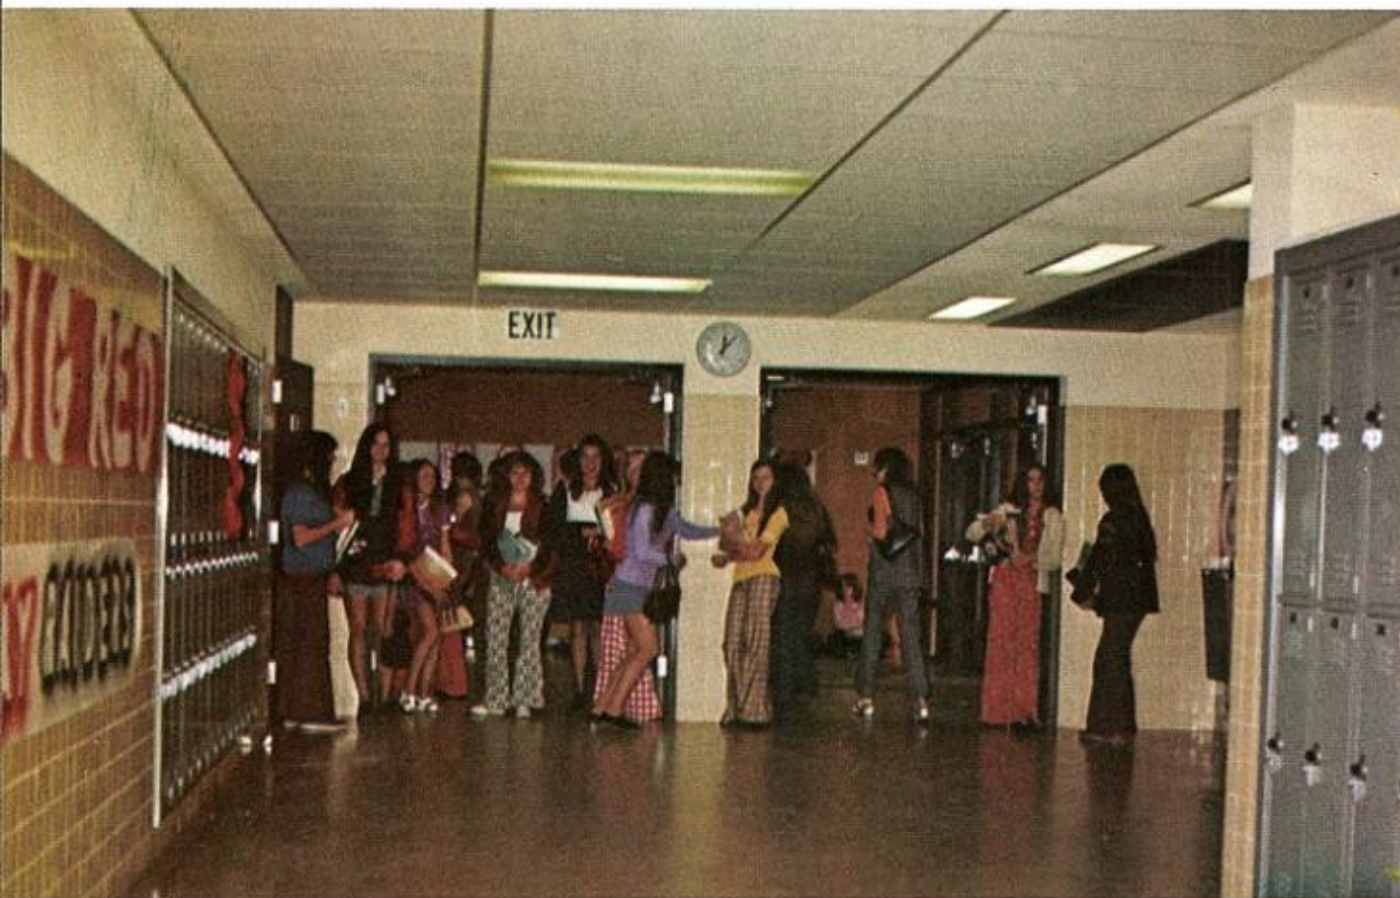

Pretty as a picture.

Refreshment — part of the OEA installation.

Write on your hearts that
everyday is the best day
of the year.

Look to this day!
For it is life, the very life of life.
In its brief course
Lie all the verities and realities of
your
existence:

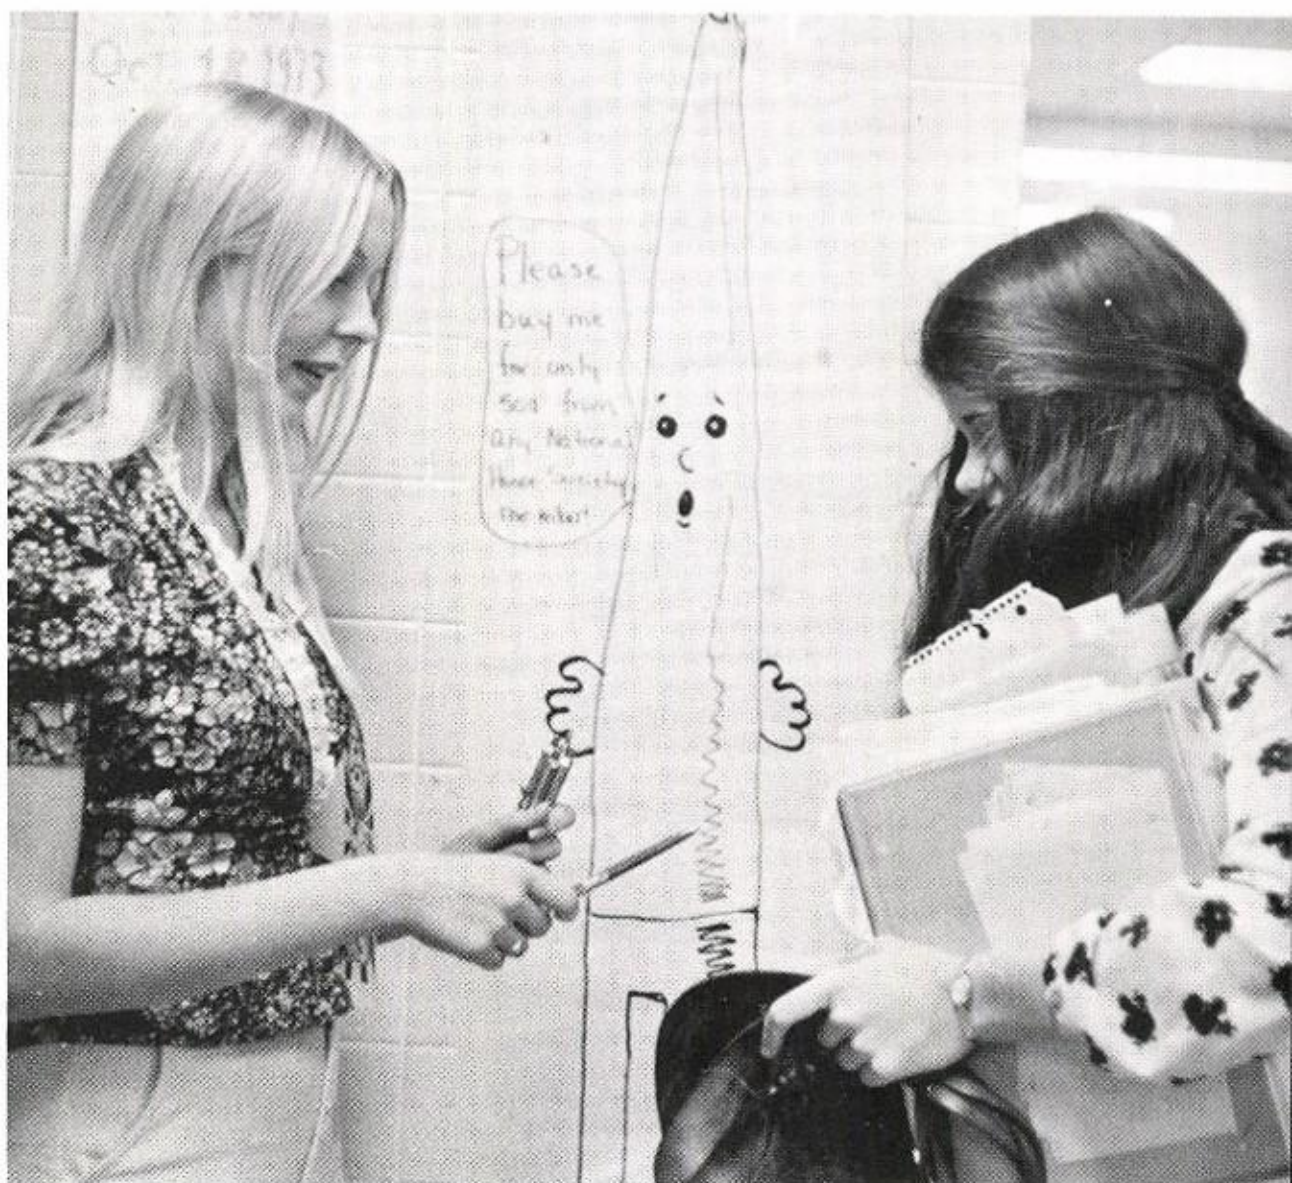

The bliss of growth
The glory of action
The splendor of
achievement,
For yesterday is but a dream
And tomorrow is only a vision,
But today well lived makes every
yesterday
a dream of happiness
And tomorrow a vision of hope.
Look well, therefore, to this day!
Such is the salutation to the dawn.

Translated from the Sanskrit

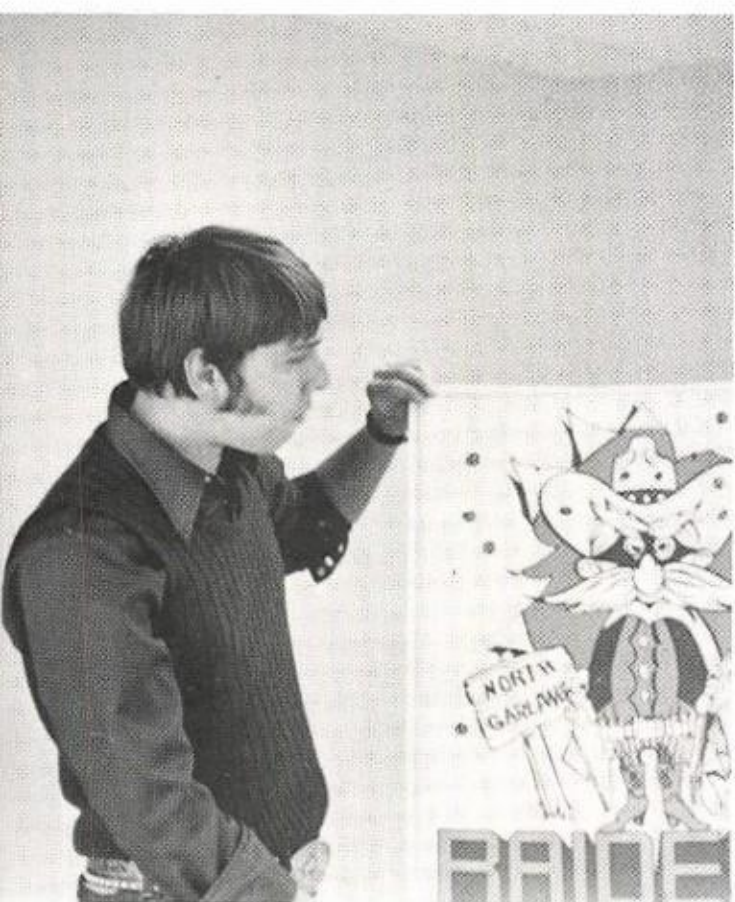

Money — The name of the game!

Hedrich lends a helping hand to the National Honor Society project.

Yosemite Sam helps the band.

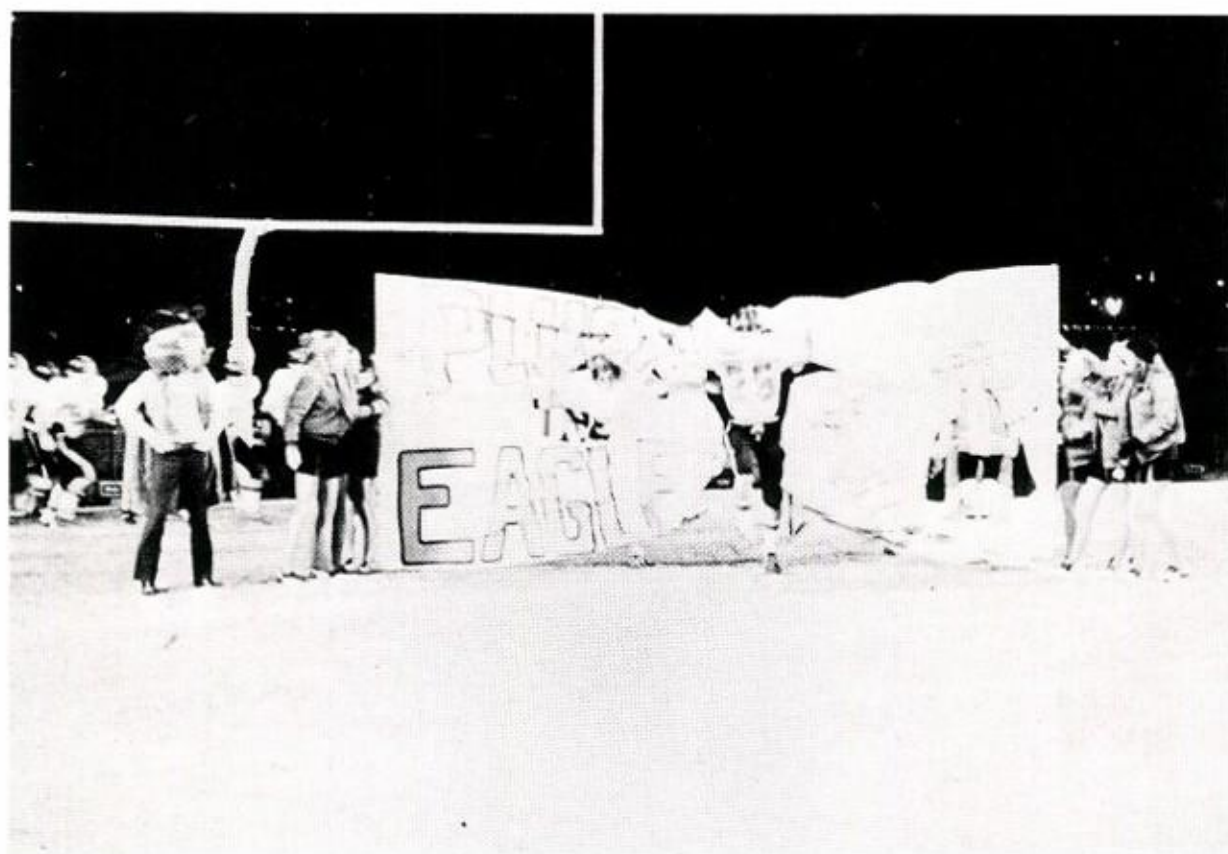

Raider Roster — North Garland's own phone book.

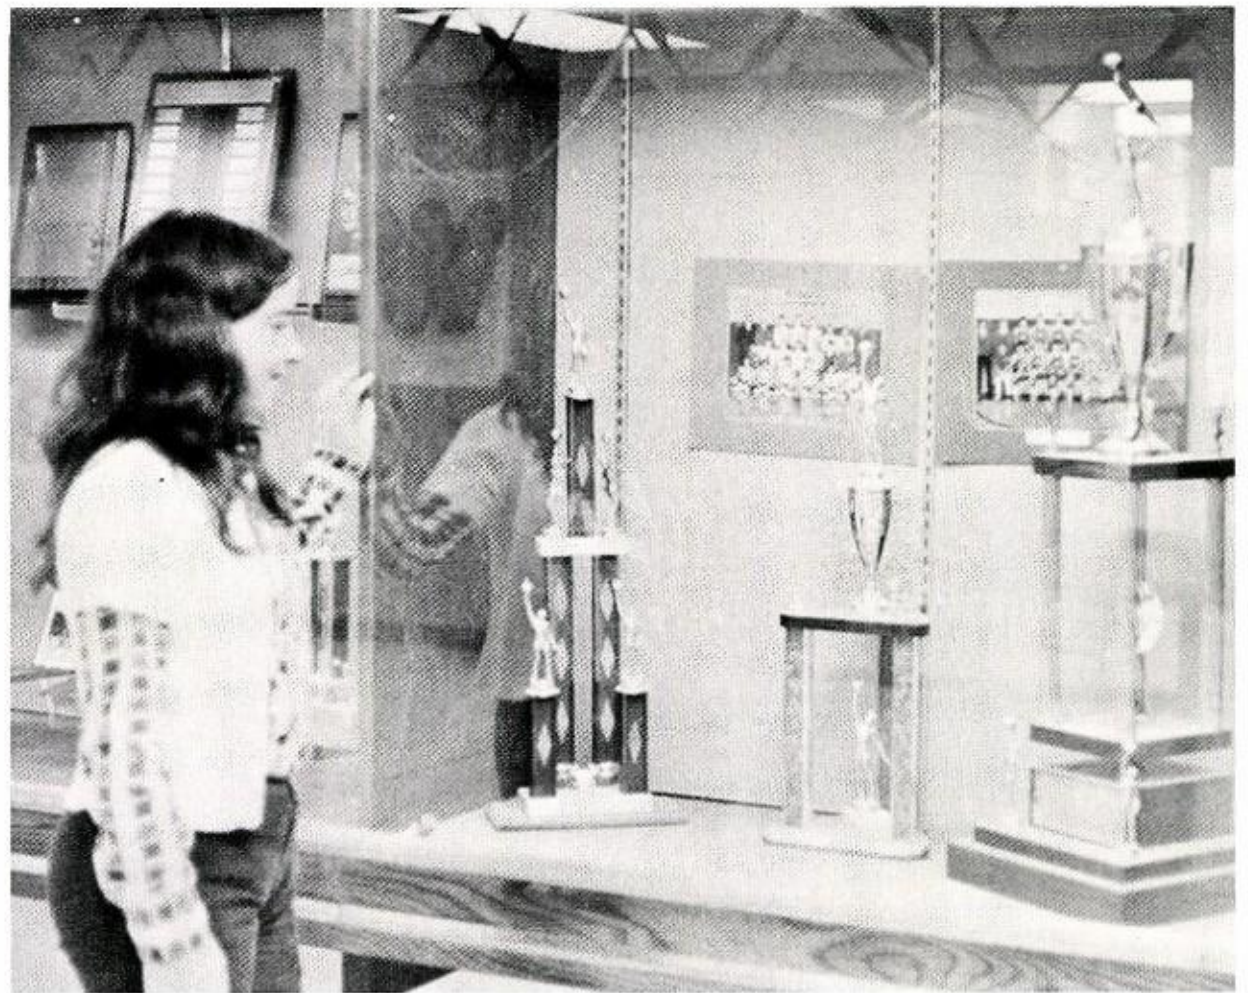

Seniors crowd their way to order senior pictures.

Just as the summer fades into winter, each day fades into the weeks filled with busy activities of the progressing school year. Each week becomes highlighted with student victory trains, the thrills of Homecoming, and the football player's victory signs.

The juniors get their first taste of becoming seniors, as they order class rings; and seniors get a taste of graduation as they order announcements and invitations. Even the slow, uneven sound from the typing room progresses into a more confident buzz, as the entire student body prepares for midterm.

AAA-SSS-DDD-FFF-GGG — Sound familiar?

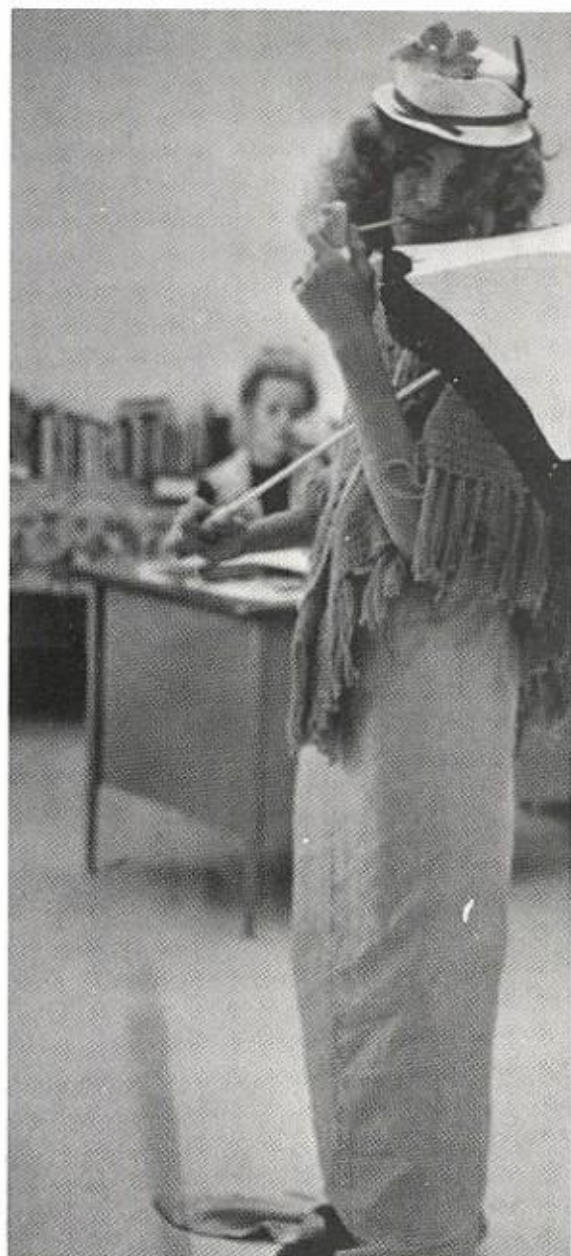

I want YOU!

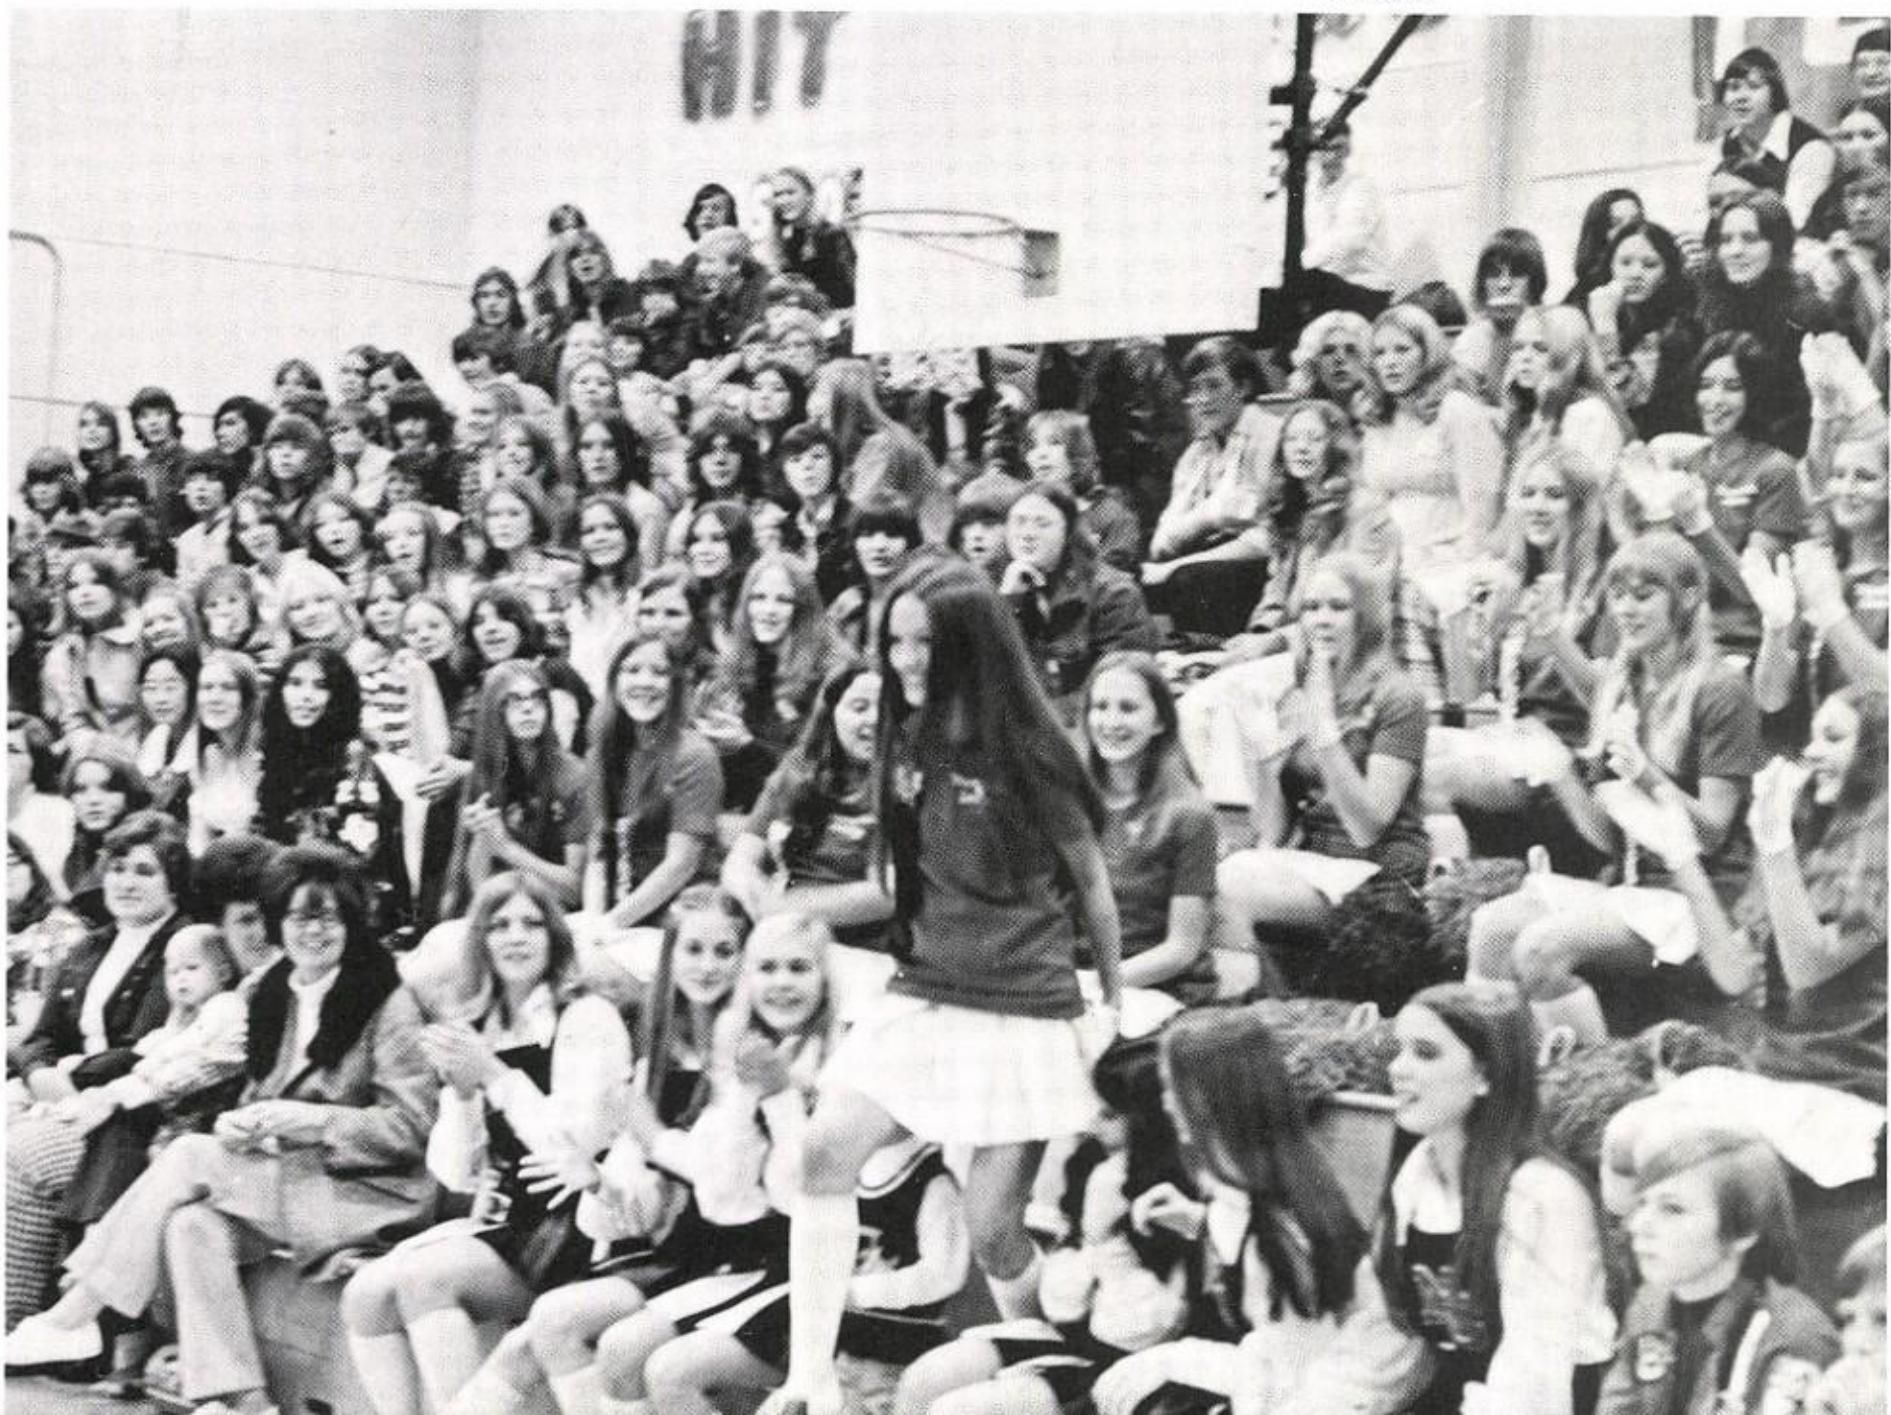

Ordering class rings — The juniors first step in becoming Seniors.

It's a toss-up — Mary Poppins or Mammy Yokum.

What are they doing over there??

I can't believe I threaded the whole thing.

Beginnings provide entertainment for the Kiwanis club luncheon.

Is that your bag??

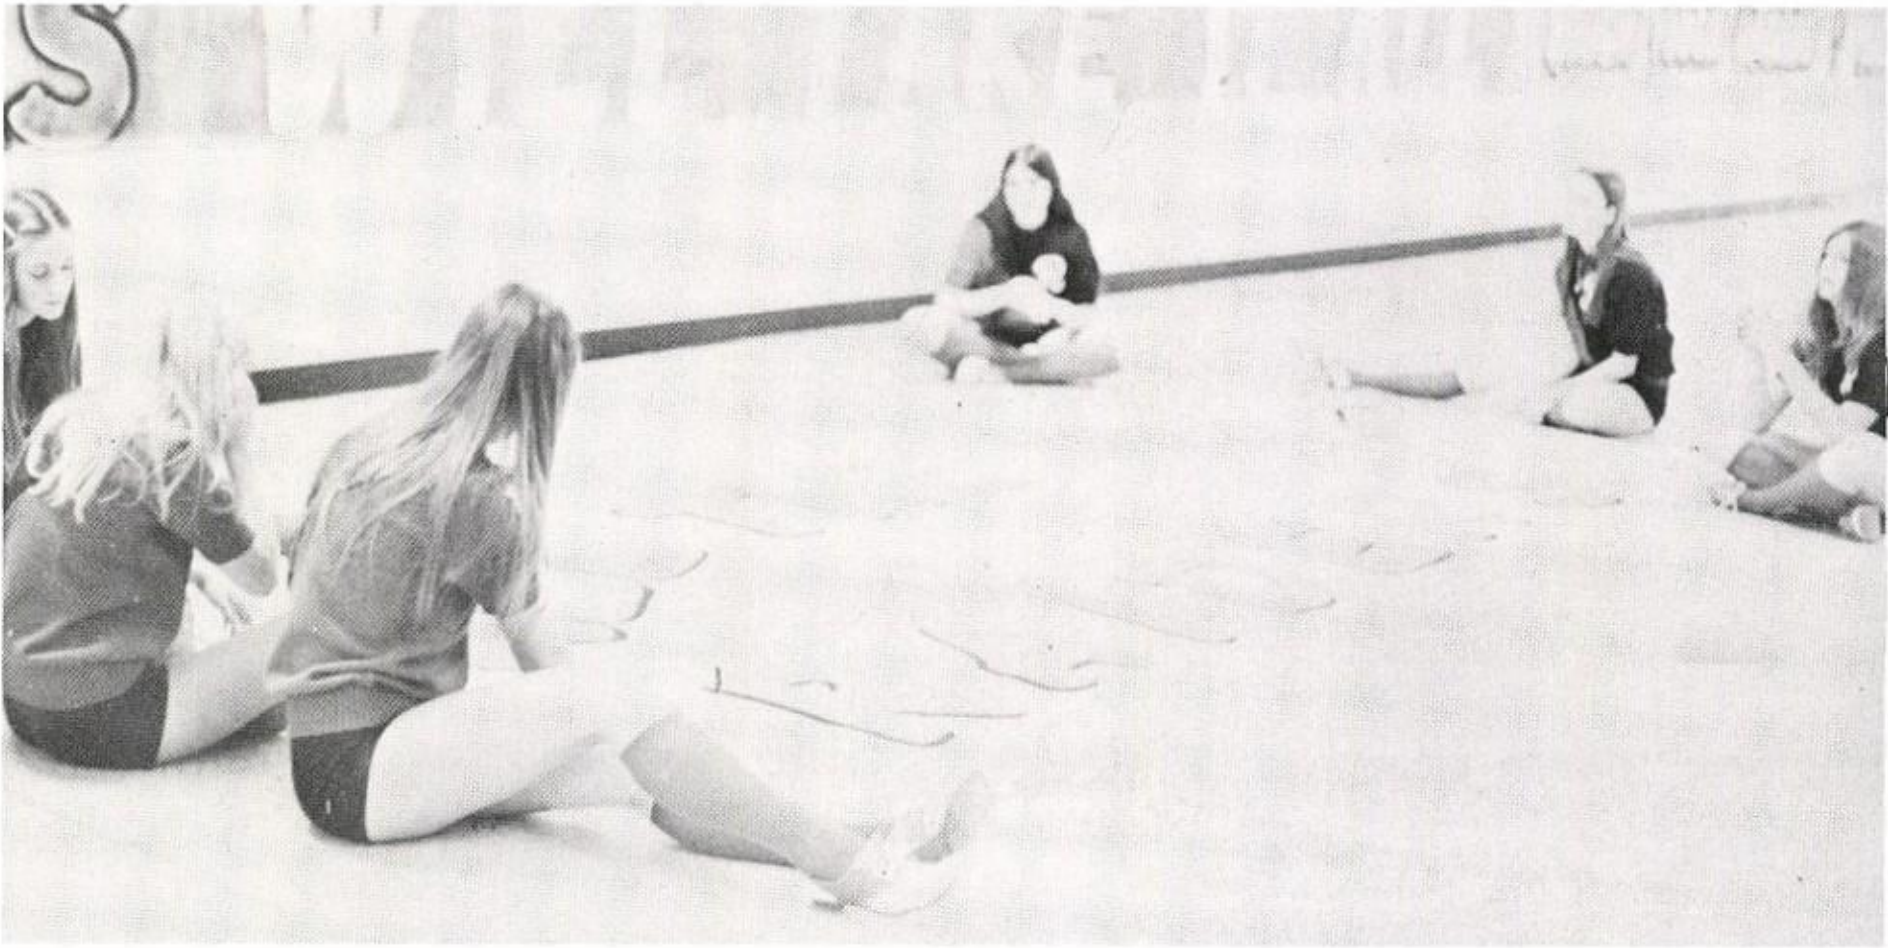

Why didn't I forget my book today and not yesterday?

Oh! I'm glad that one's over!

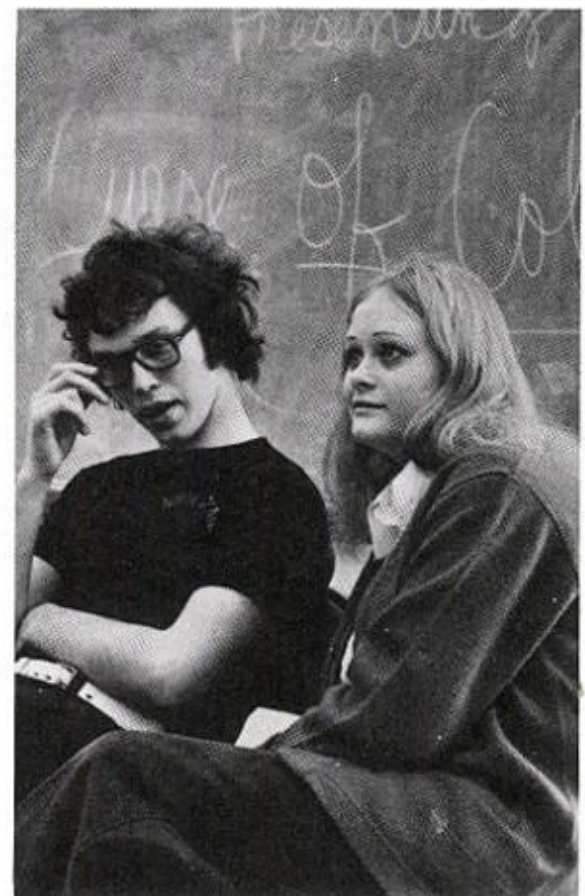

It's not polite to point.

No matter how you paint it "Raiders" are Great!!

When it rains it pours!!

"If I hypnotized her so easily, I wonder why I can't get her out of it."

Sitting bull?!

Doc Montgomery relieves the agony for Jim Anderton.

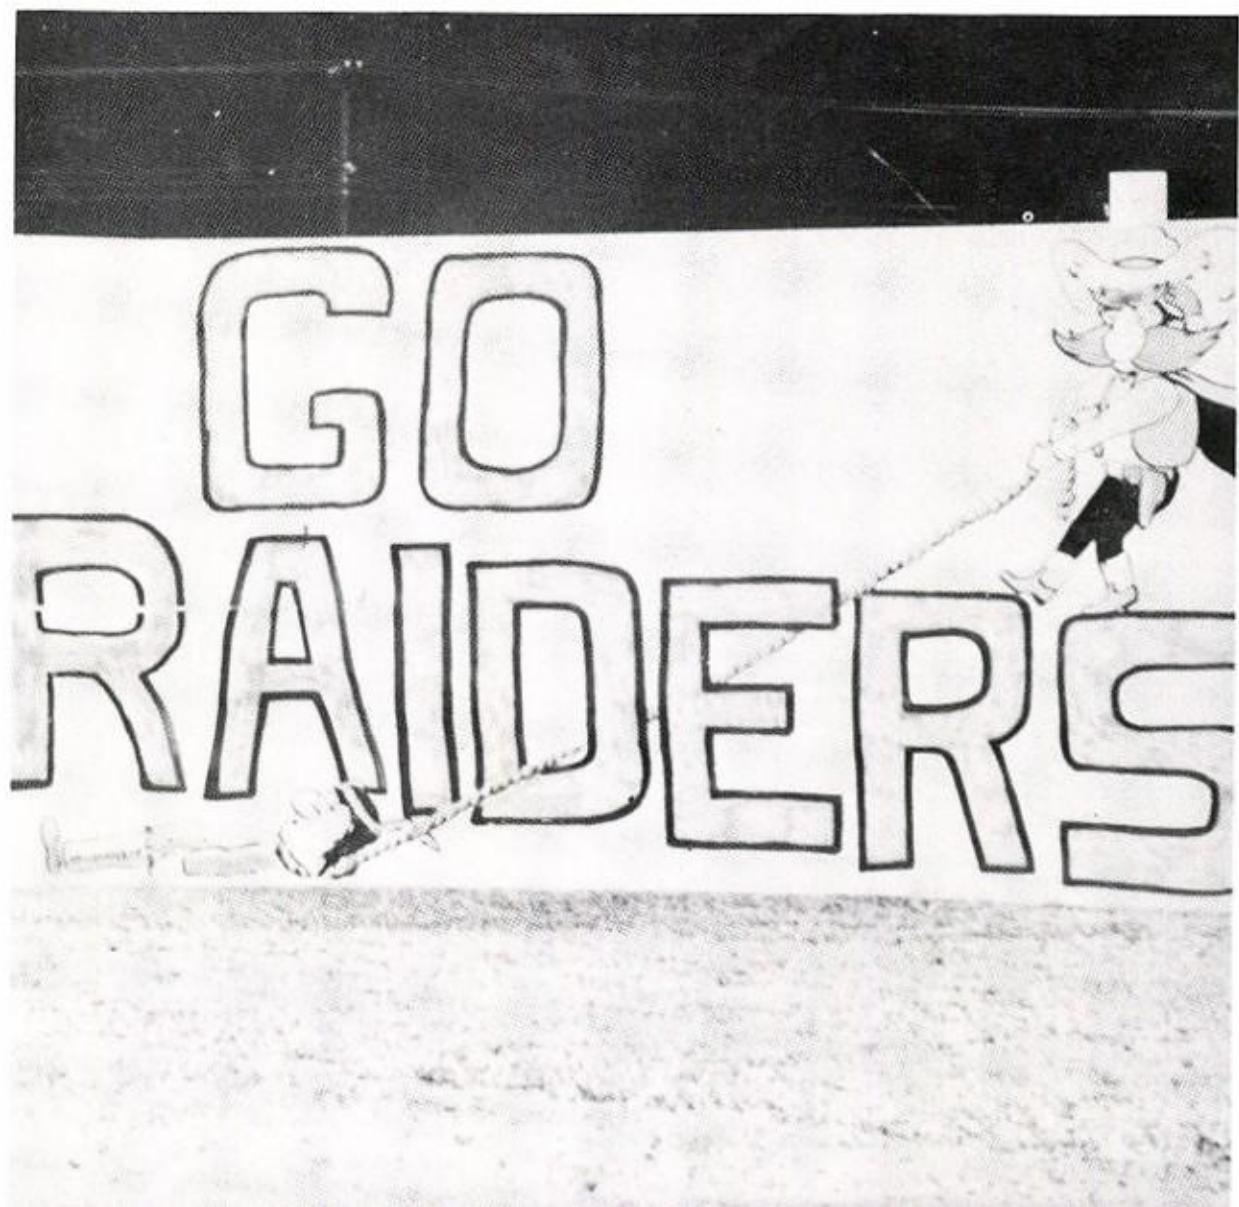

"On the good ship Lollipop . . ."

Who made the soup??

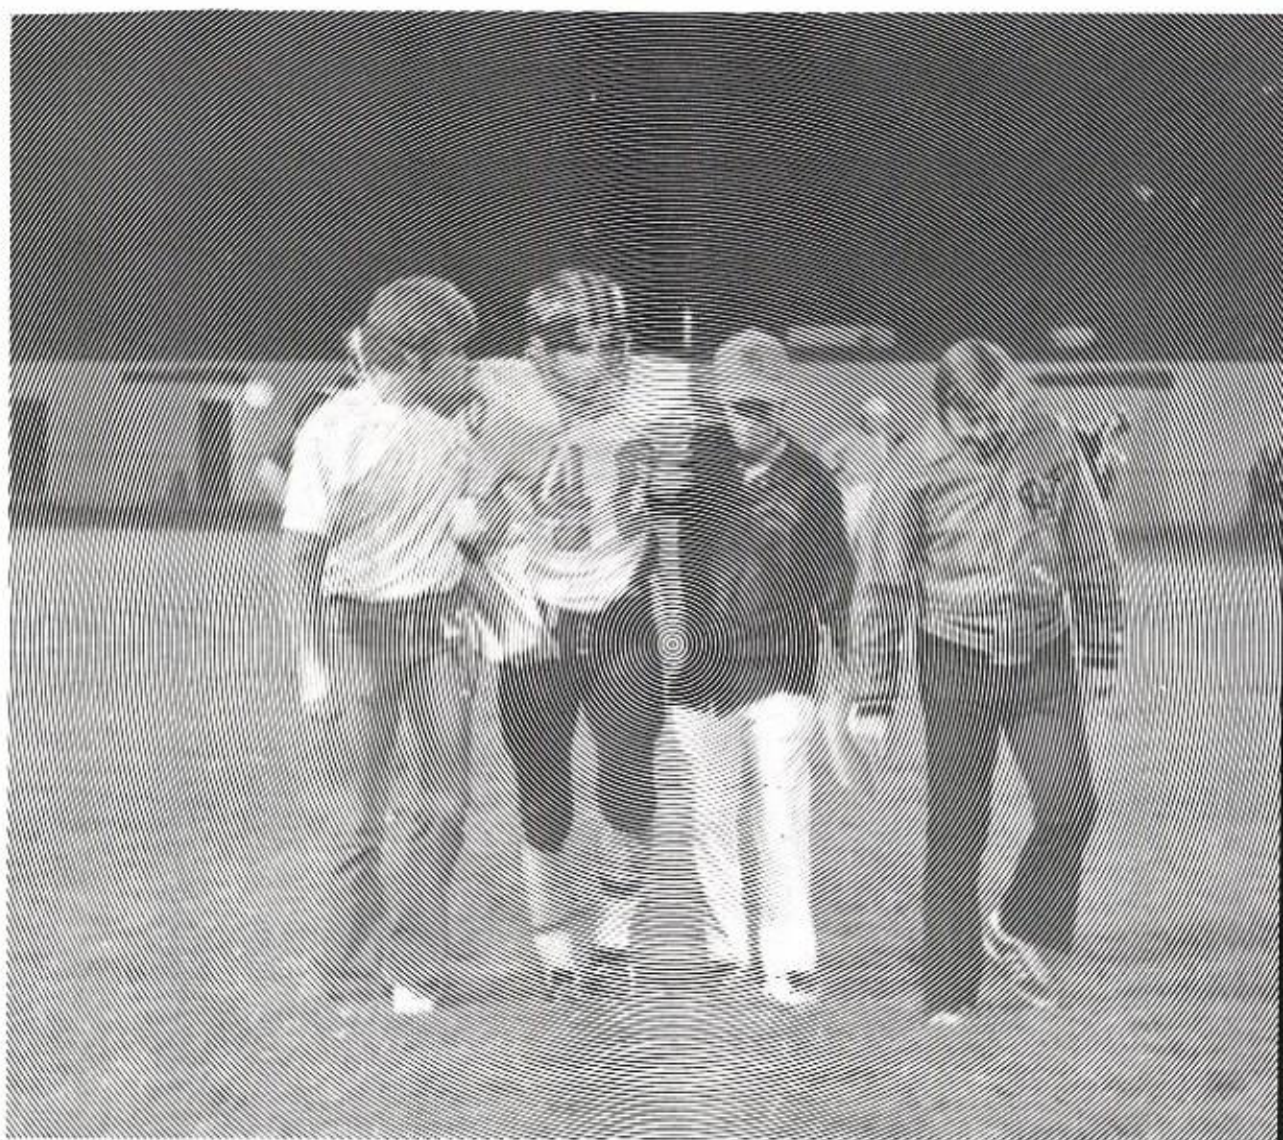

Last Pep Rally — Not a particularly joyous occasion for the seniors leaving. Little trickles of tears began when three Raiders gave a special football presentation to a devoted fan. There was also tense anxiety as everyone awaited the announcement of homecoming queen, which was to be made that night at the last football game. After the praising speech from Coach Burch, the spirit of the students, football players, coaches, and the faculty was overwhelmingly felt as the last pep rally came to an end.

Now this is the guitar . . .

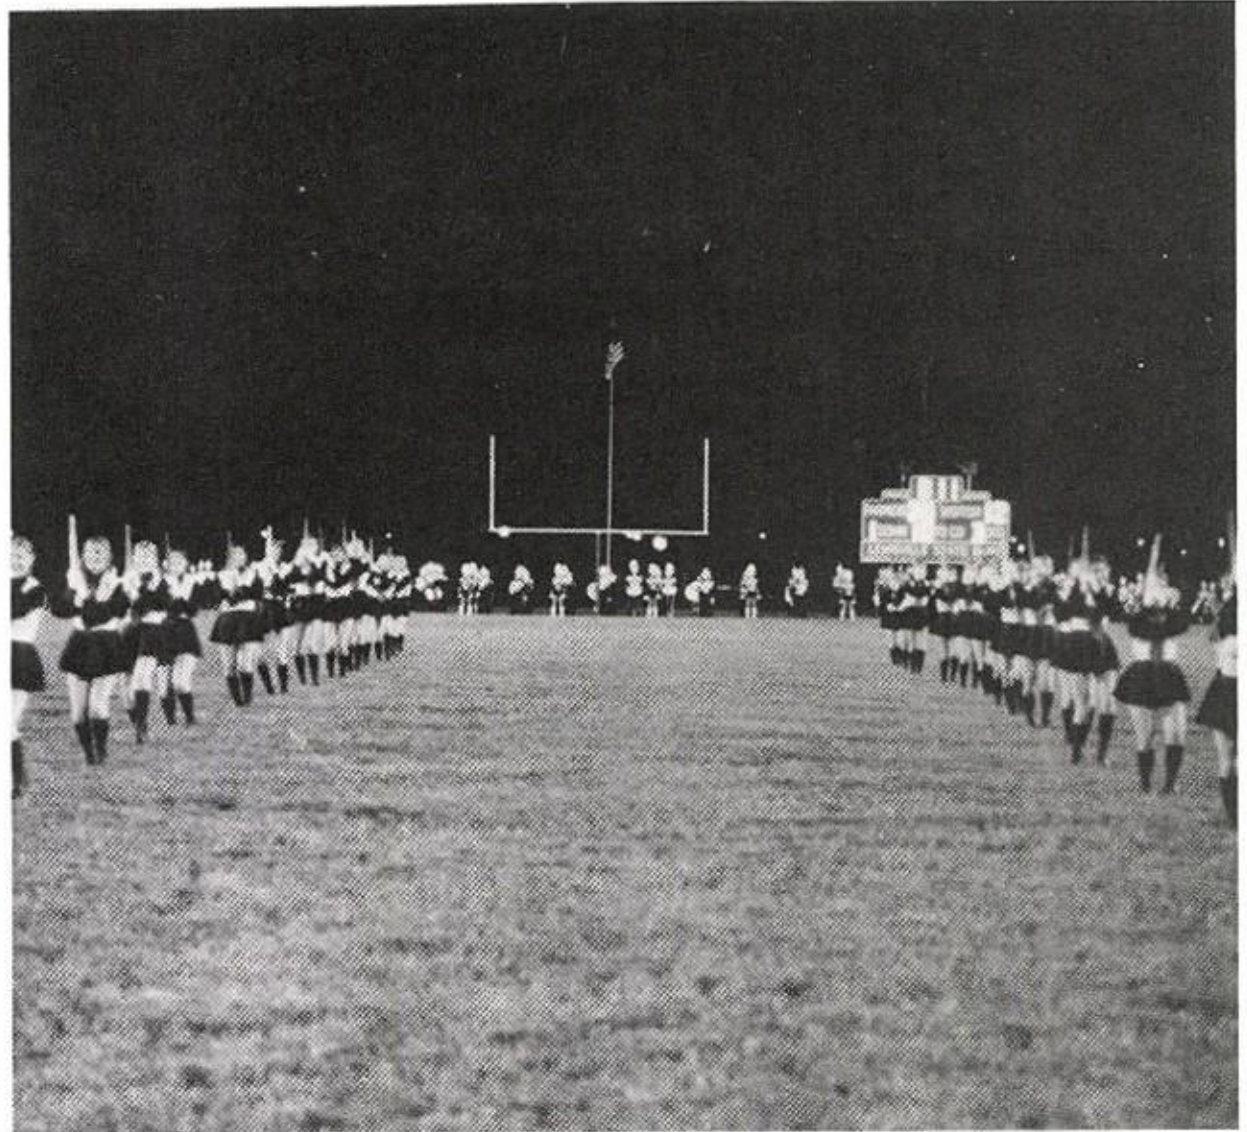

Though he may take his share of tumbles, a Raider always gets up and never gives up!

Missed tests always seem to have to be made up.

Did someone knock?

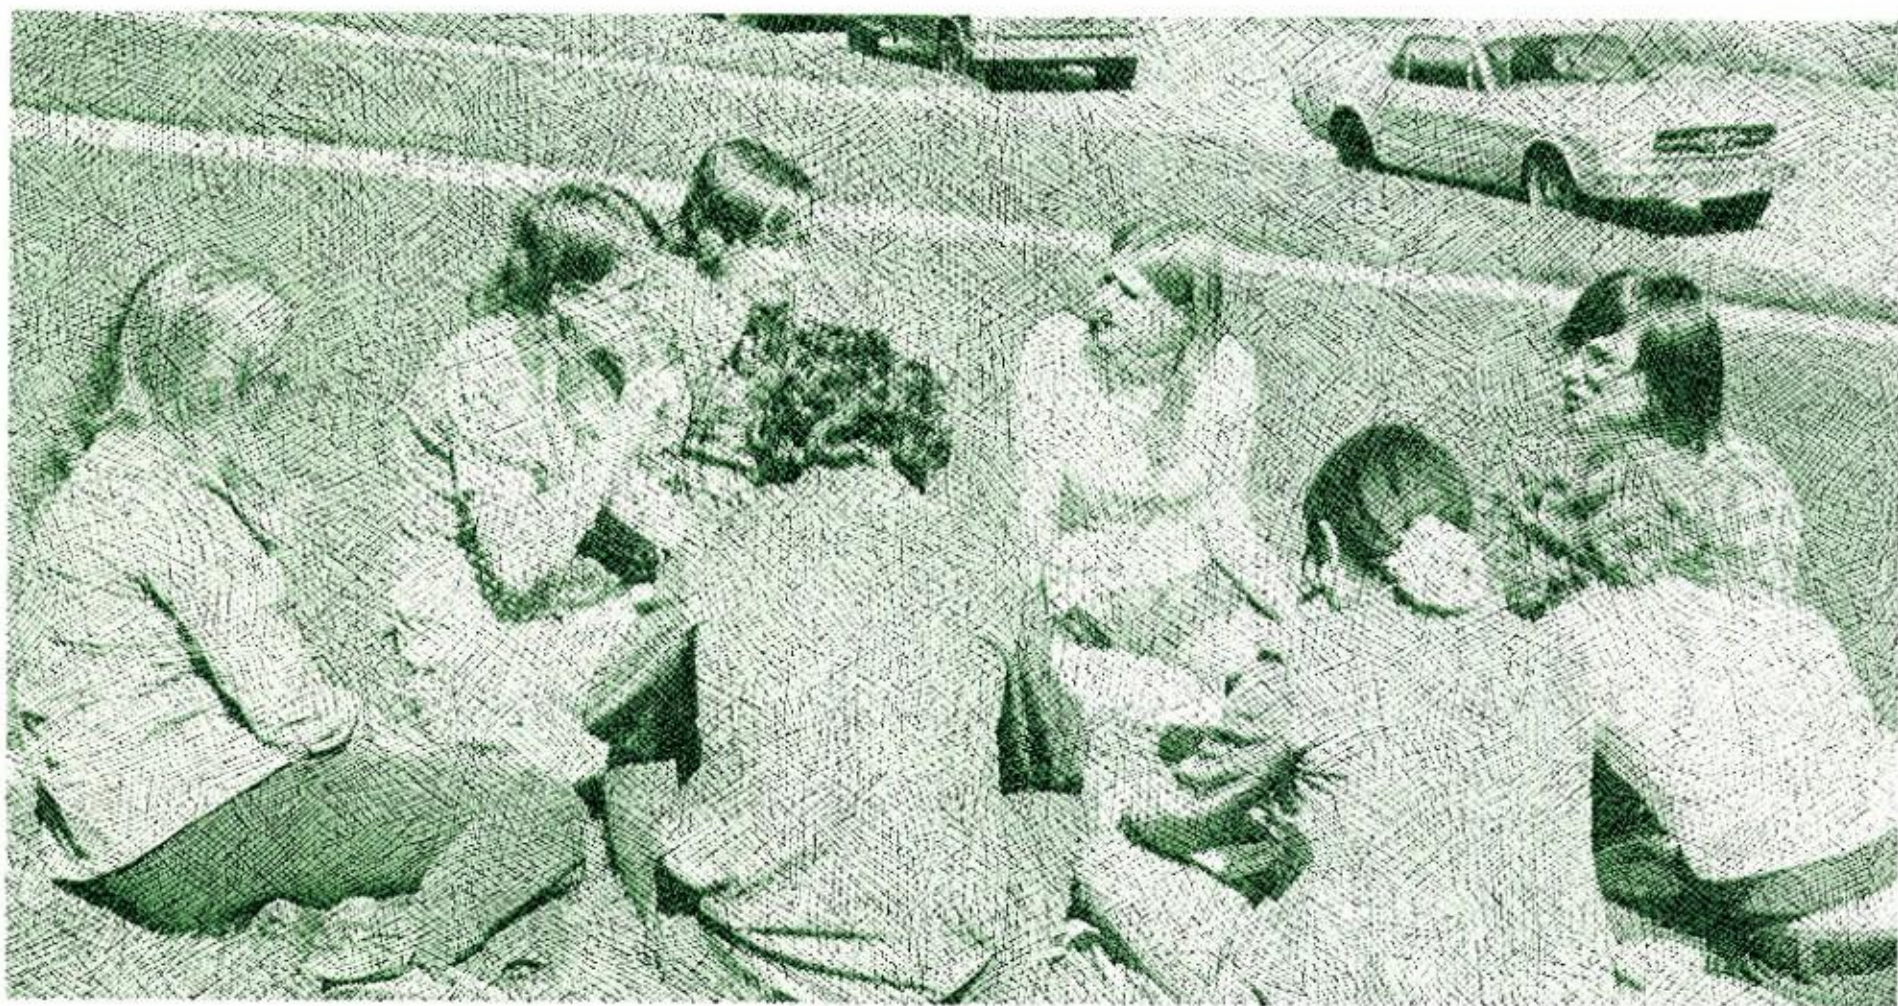

Bang! Bang! They shot them down.

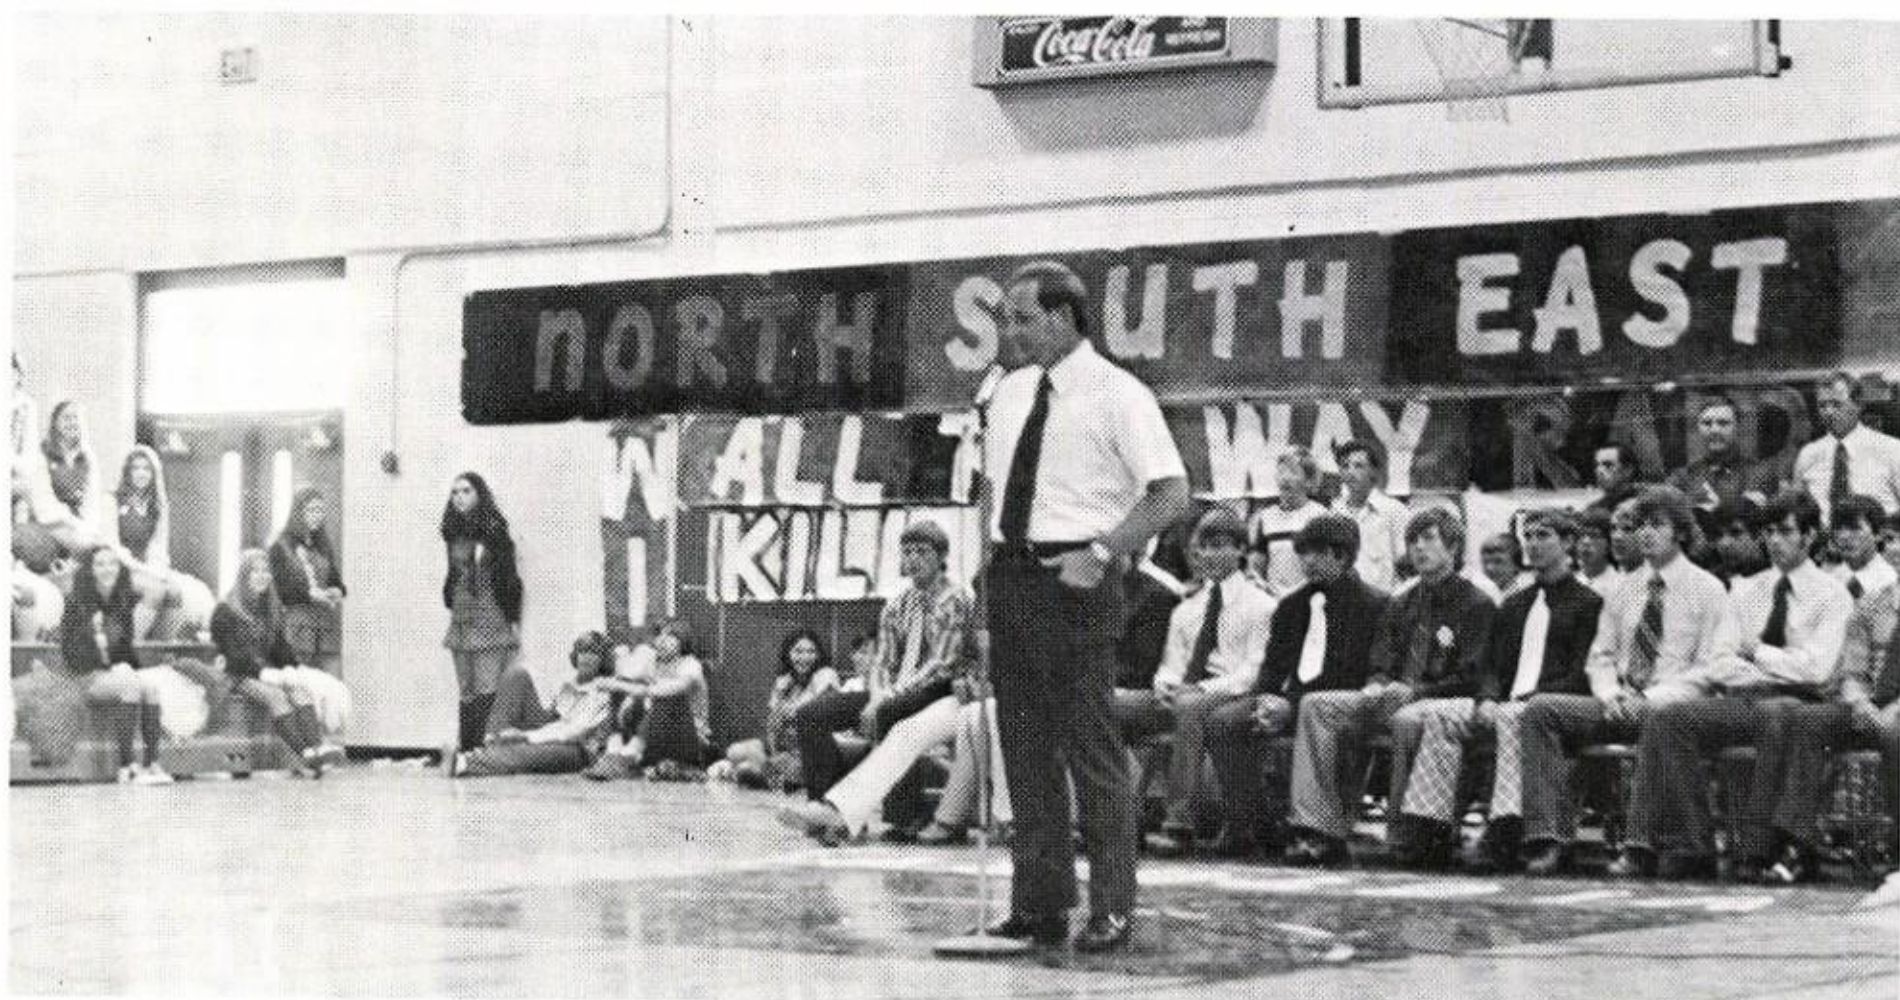

Raider spirit touches everyone!

Everyone is entitled to a break.

Outside classes are a little more enjoyable.

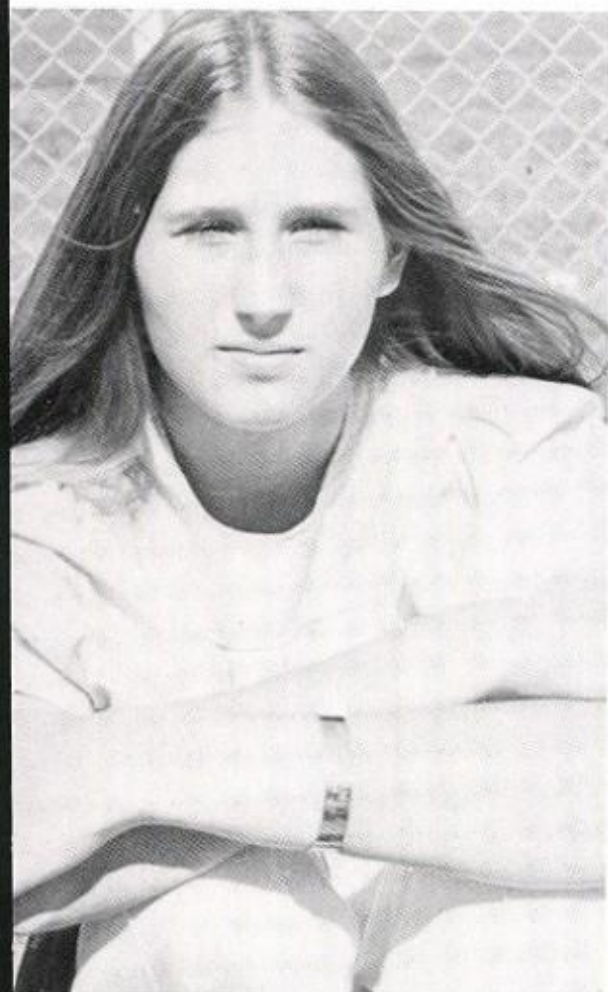

Encouraging words from Coach Beaver helps promote football spirit.

Smiles are always a part of Raider spirit.

The shining spirit and will to support can constantly be seen throughout North Garland.

Pocahontas??

The Raiders are victorious!!

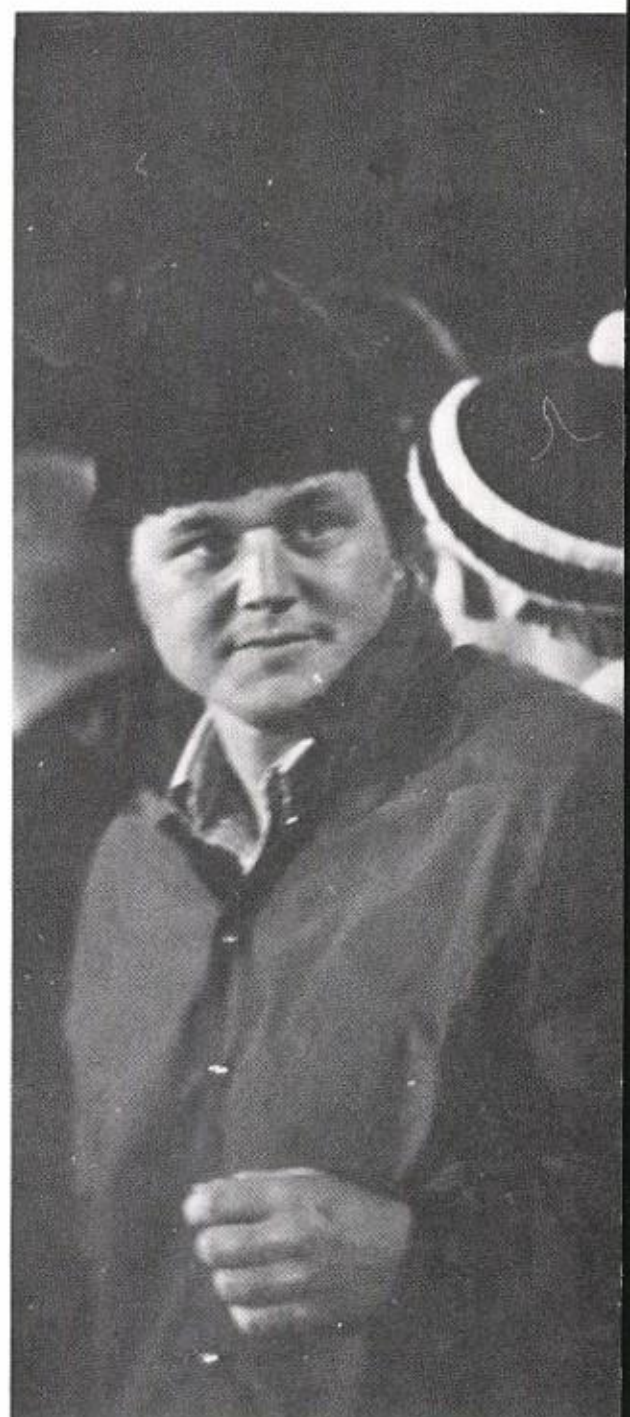

"Brave" Flanagan is confident he won't come down off his totem pole.

I know it works somehow.

Senior band members receive their long awaited jackets.

Is it Czar Harry or a transplanted Baylor bear??

"Gimme five!"

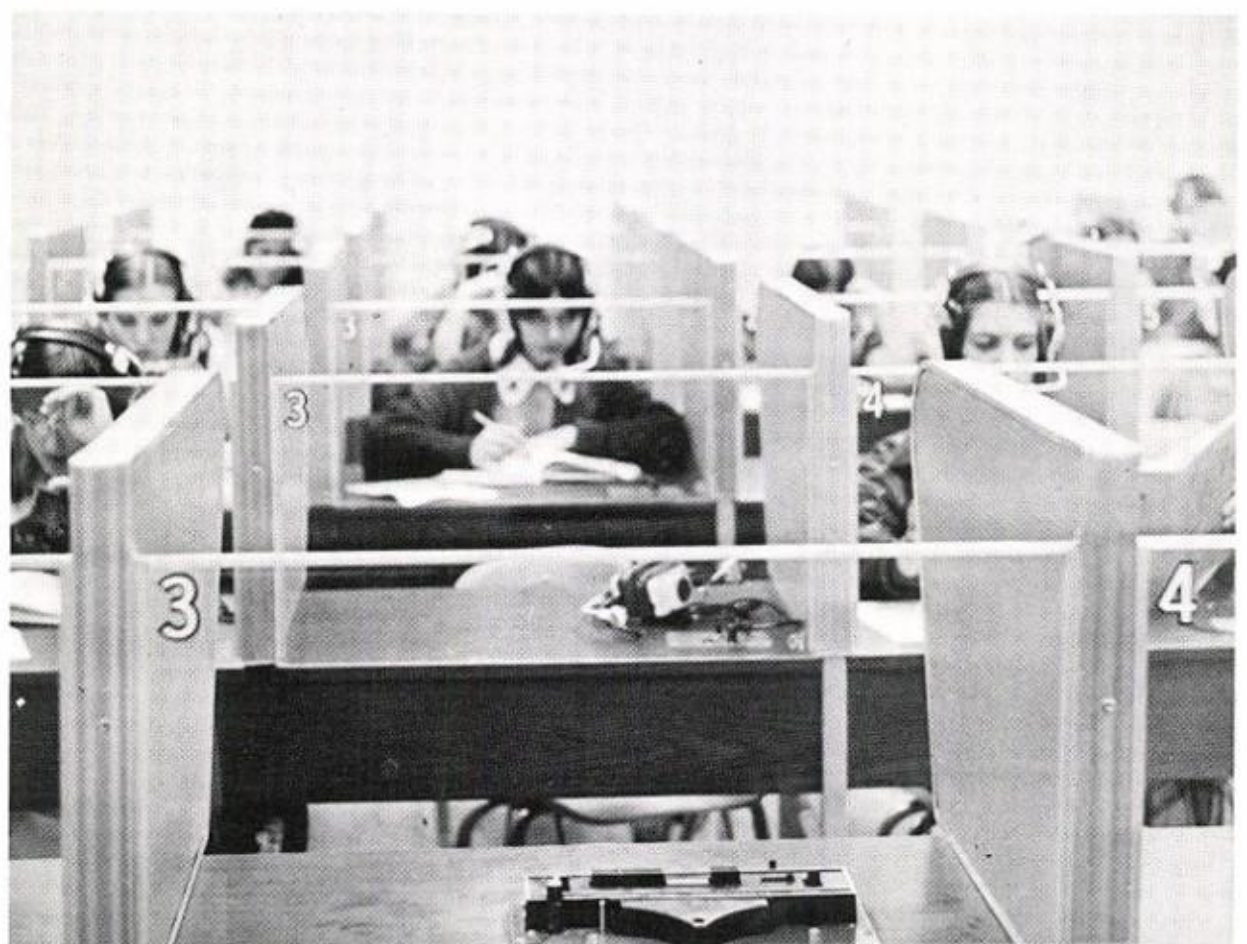

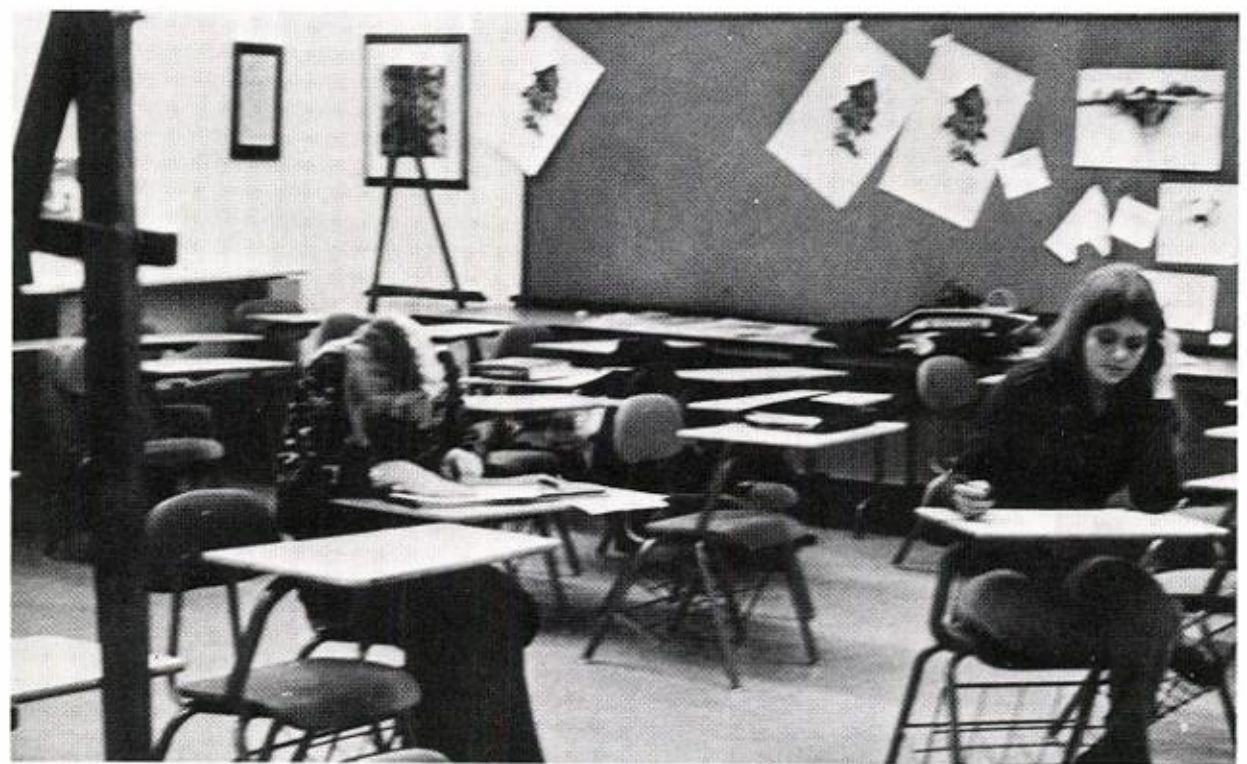

Tears of happiness and surprise!!

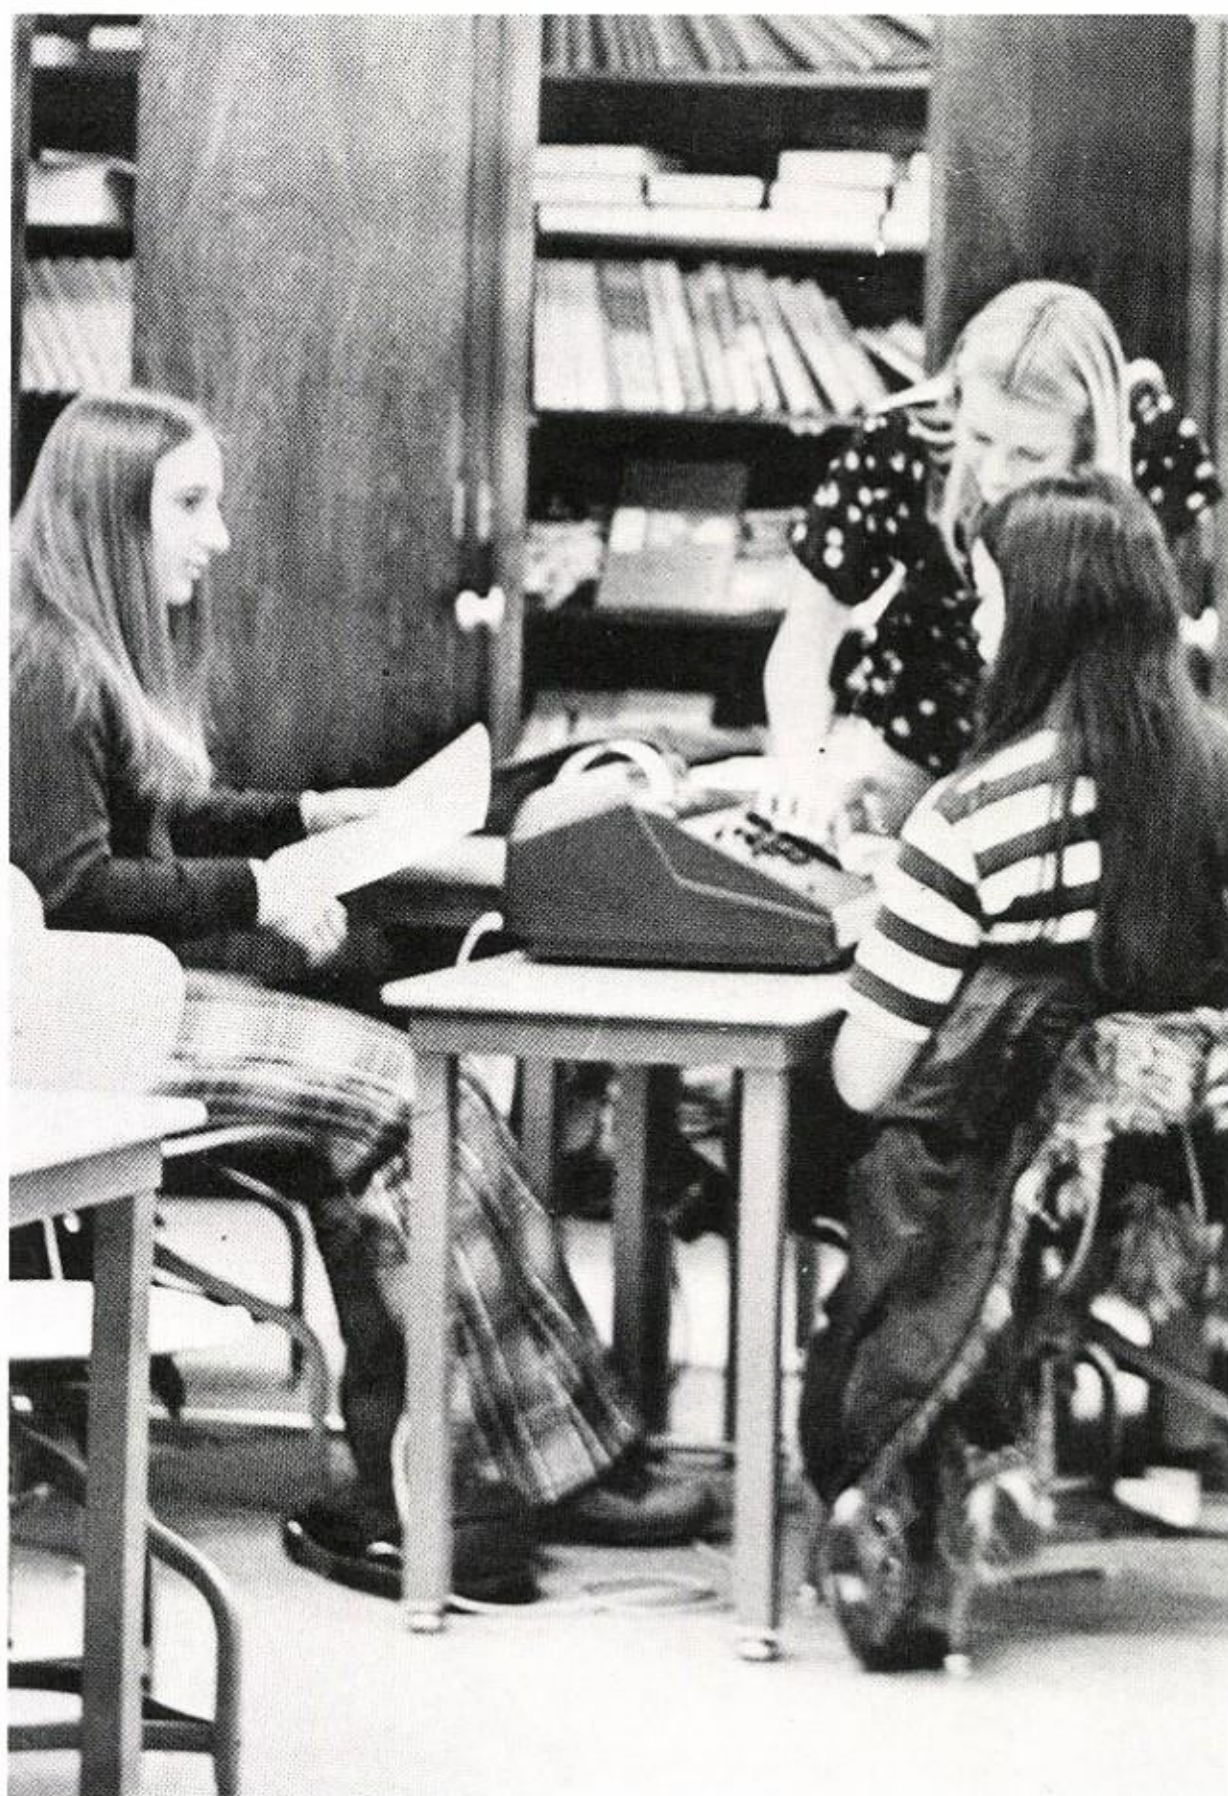

Mr. Hudson is always ready to help.

*Talent
Is
Everywhere!*

Talent — where is it? One can find talent everywhere at North Garland. It goes farther than sport's activities, as it is displayed in every aspect: art, home economics, business study, foreign language, and contribution to the beauty of the school.

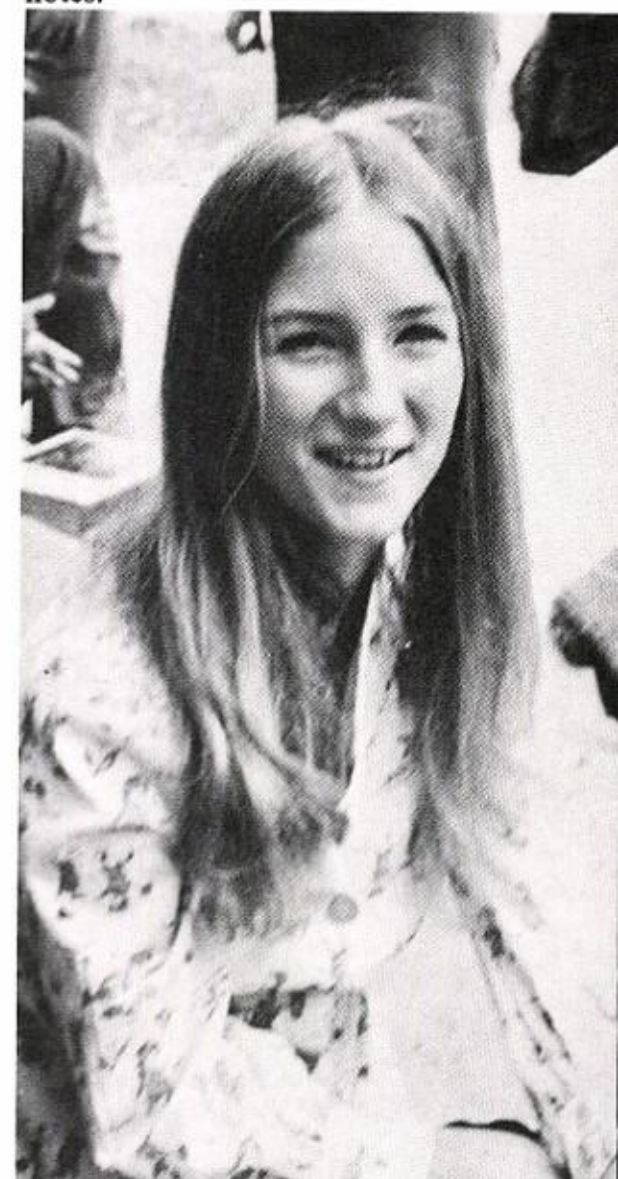

Toys — a new way of teaching?

Once a Raider fan — always a Raider fan!

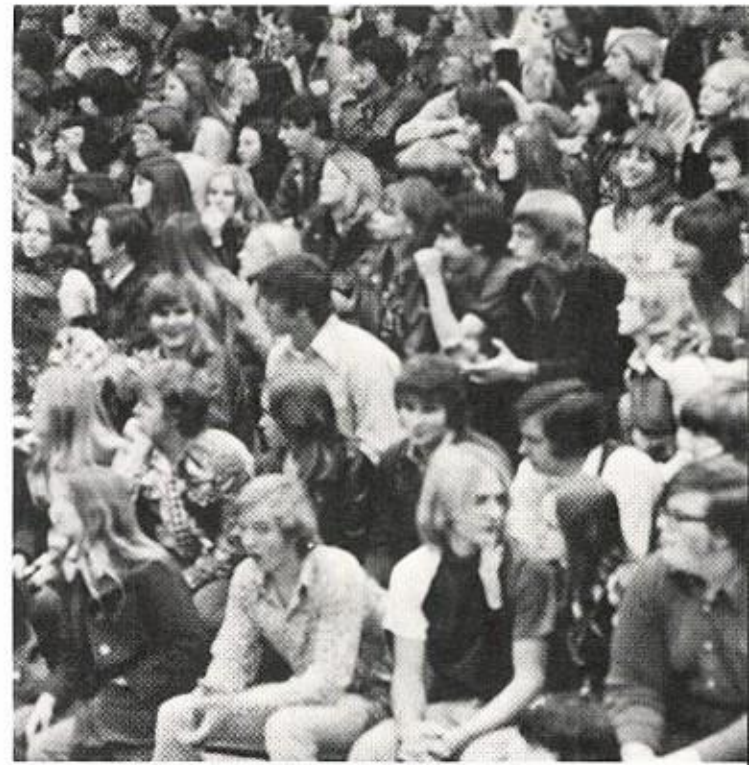

"I just can't do it if I can't look at my notes."

Do you think he noticed me?

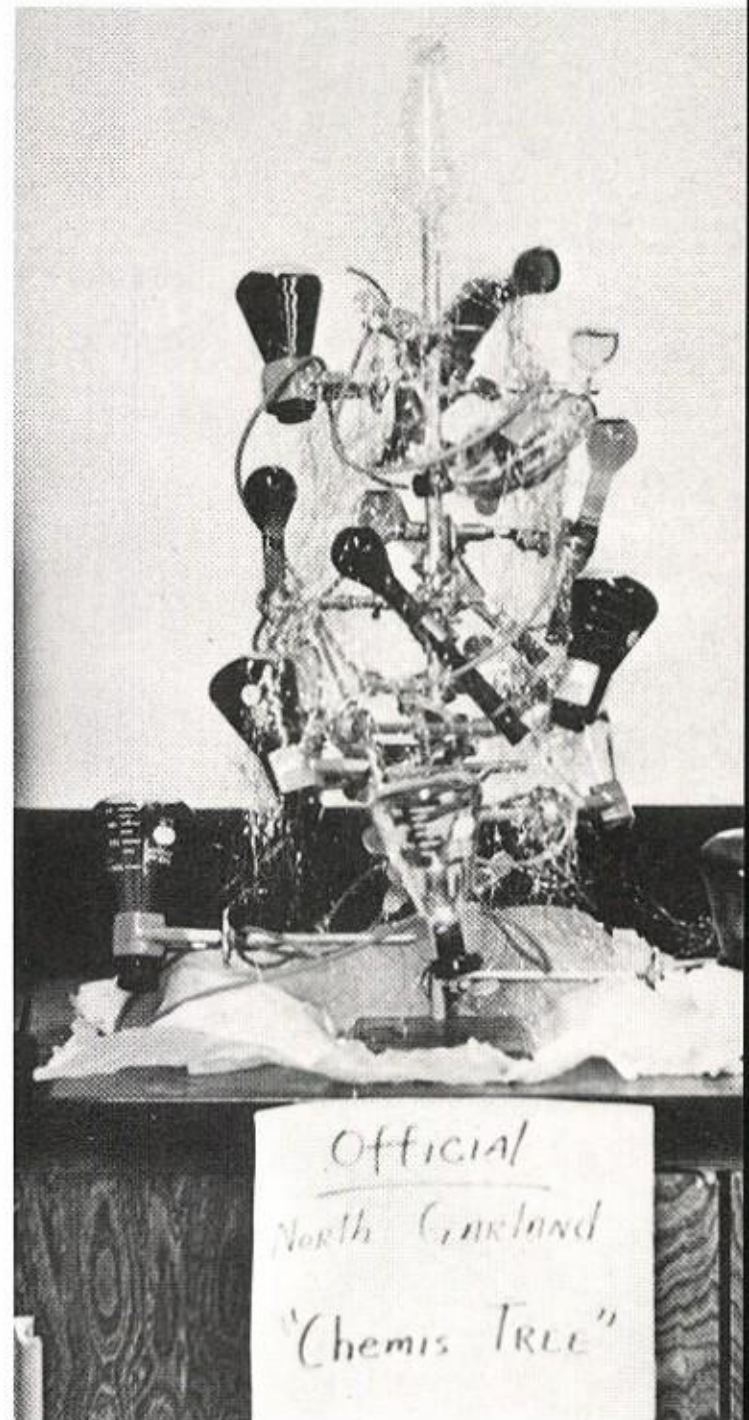

Another Raider booster — the Band.

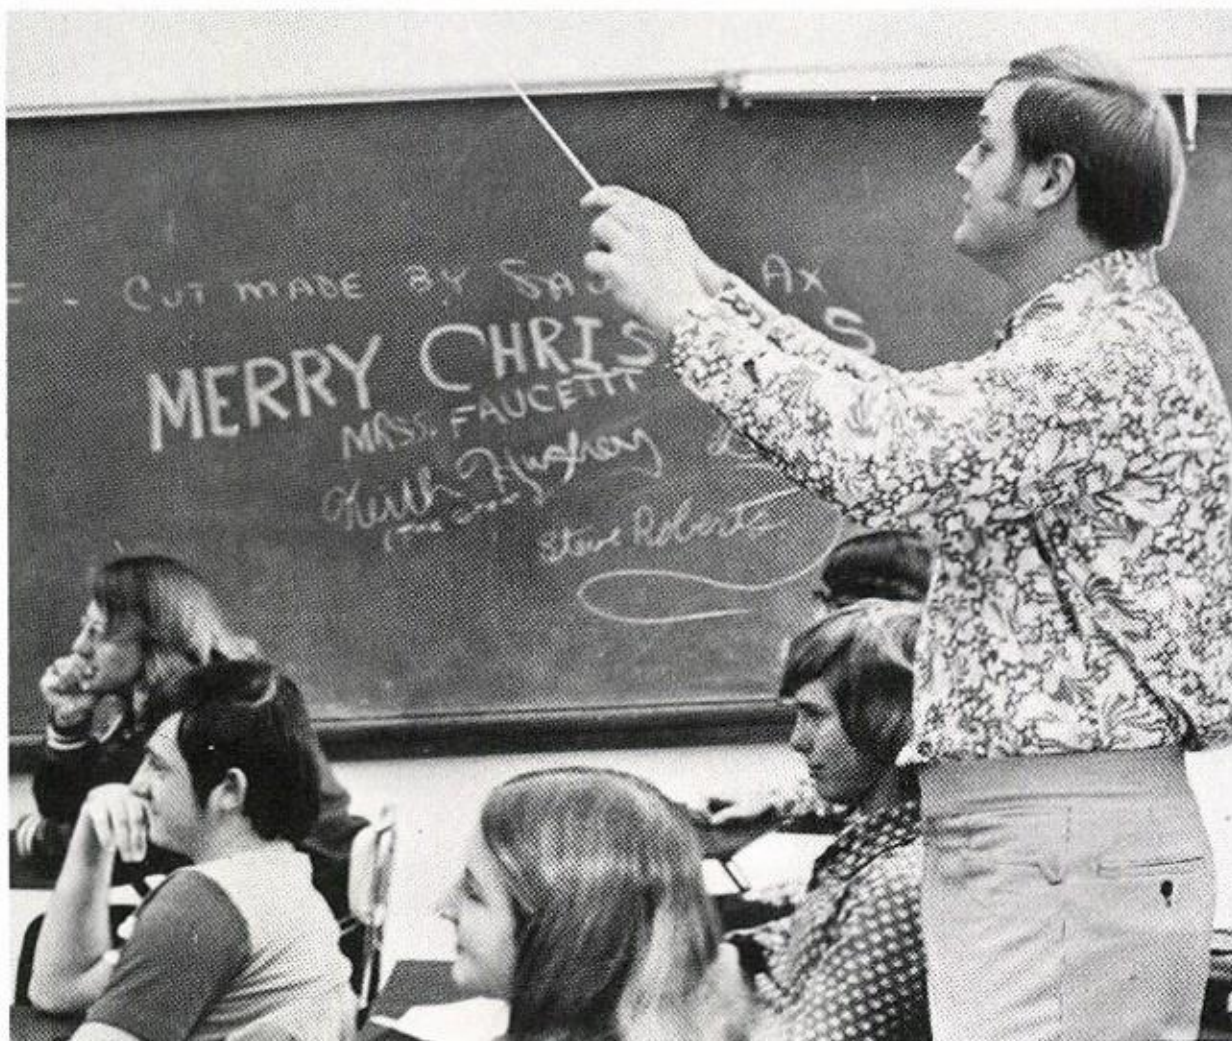

Loyal Fans — an asset to a winning team.

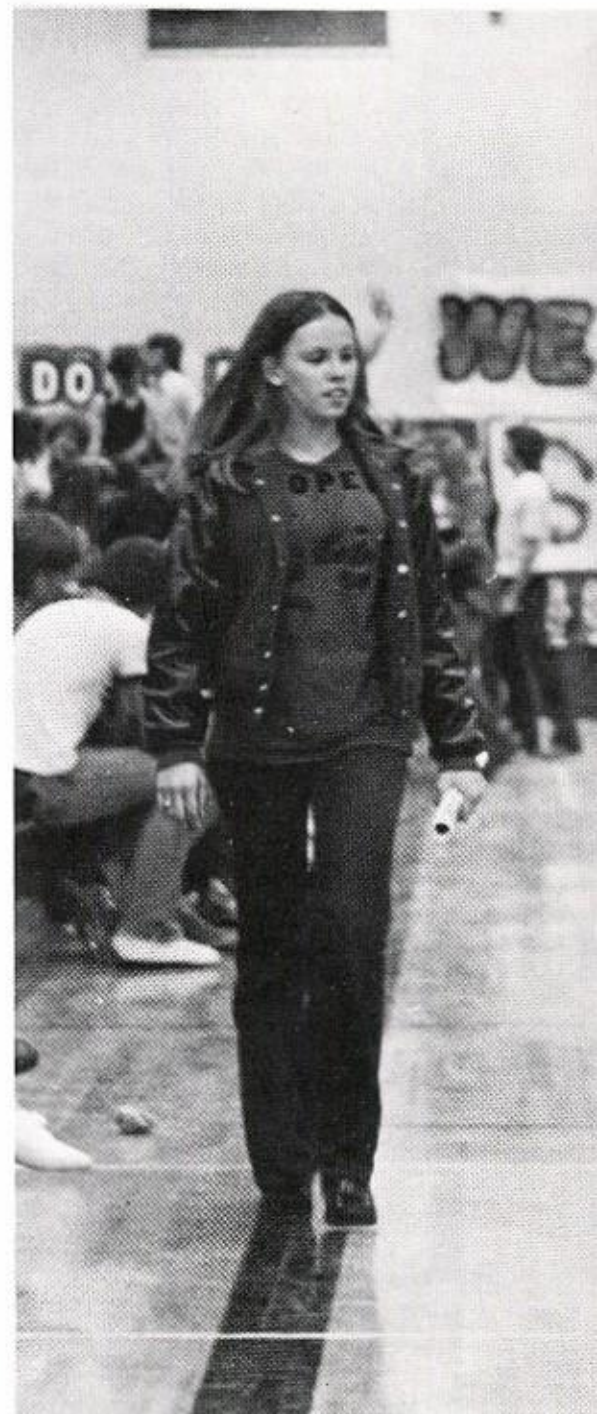

Raiders take time out for coaching instructions.

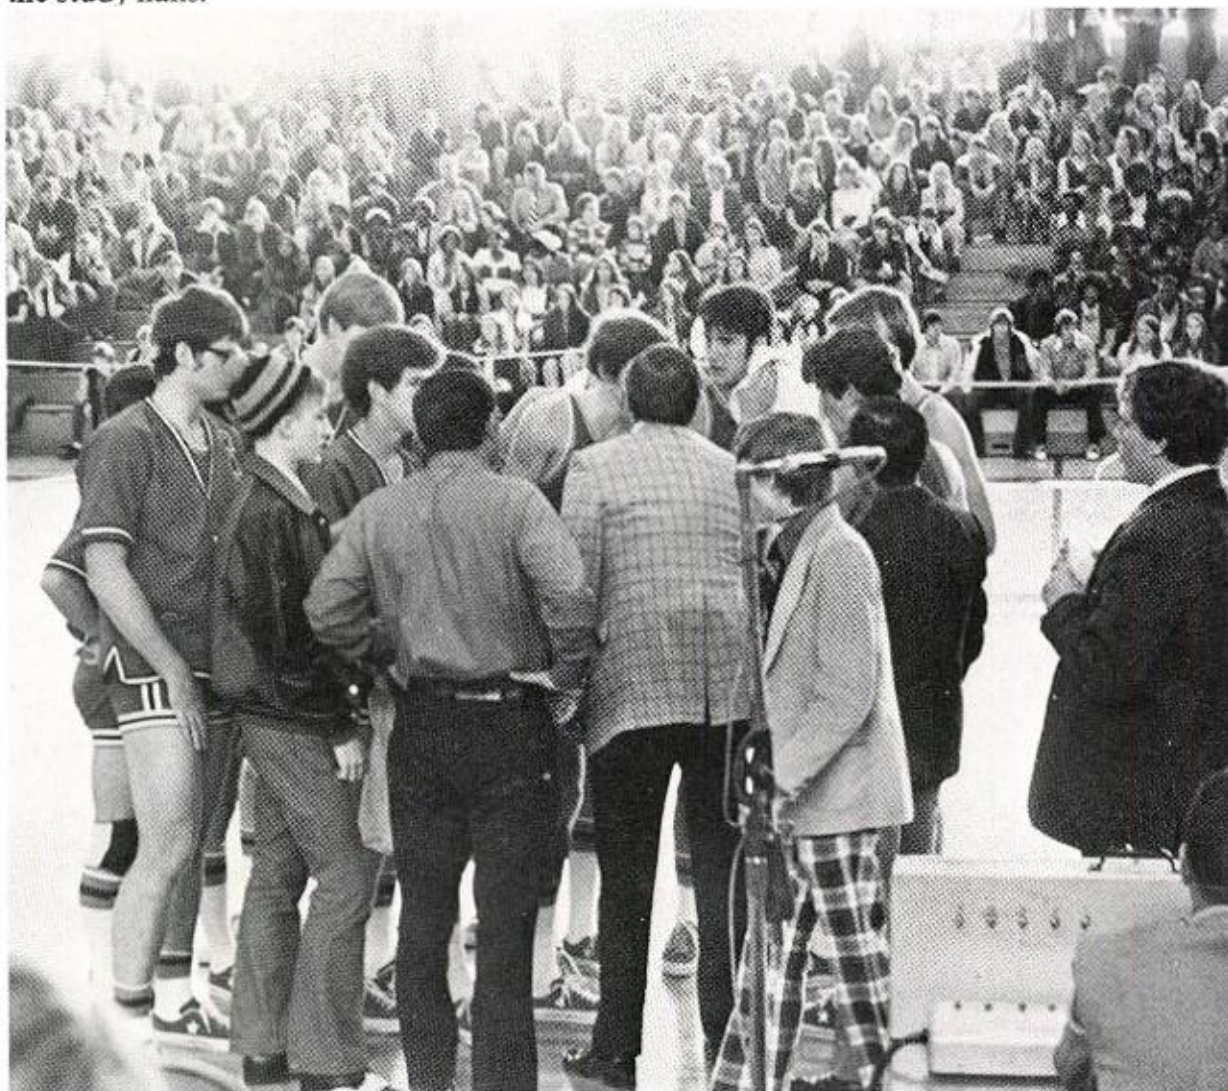

A "Chemis tree"??

Under the direction of their enthusiastic leader, Coach Beaver's Economics class serenades the study halls.

What's an "Ope"??

"Now Bill, this is just our little secret."

It sometimes takes muscles to aid the ecology program.

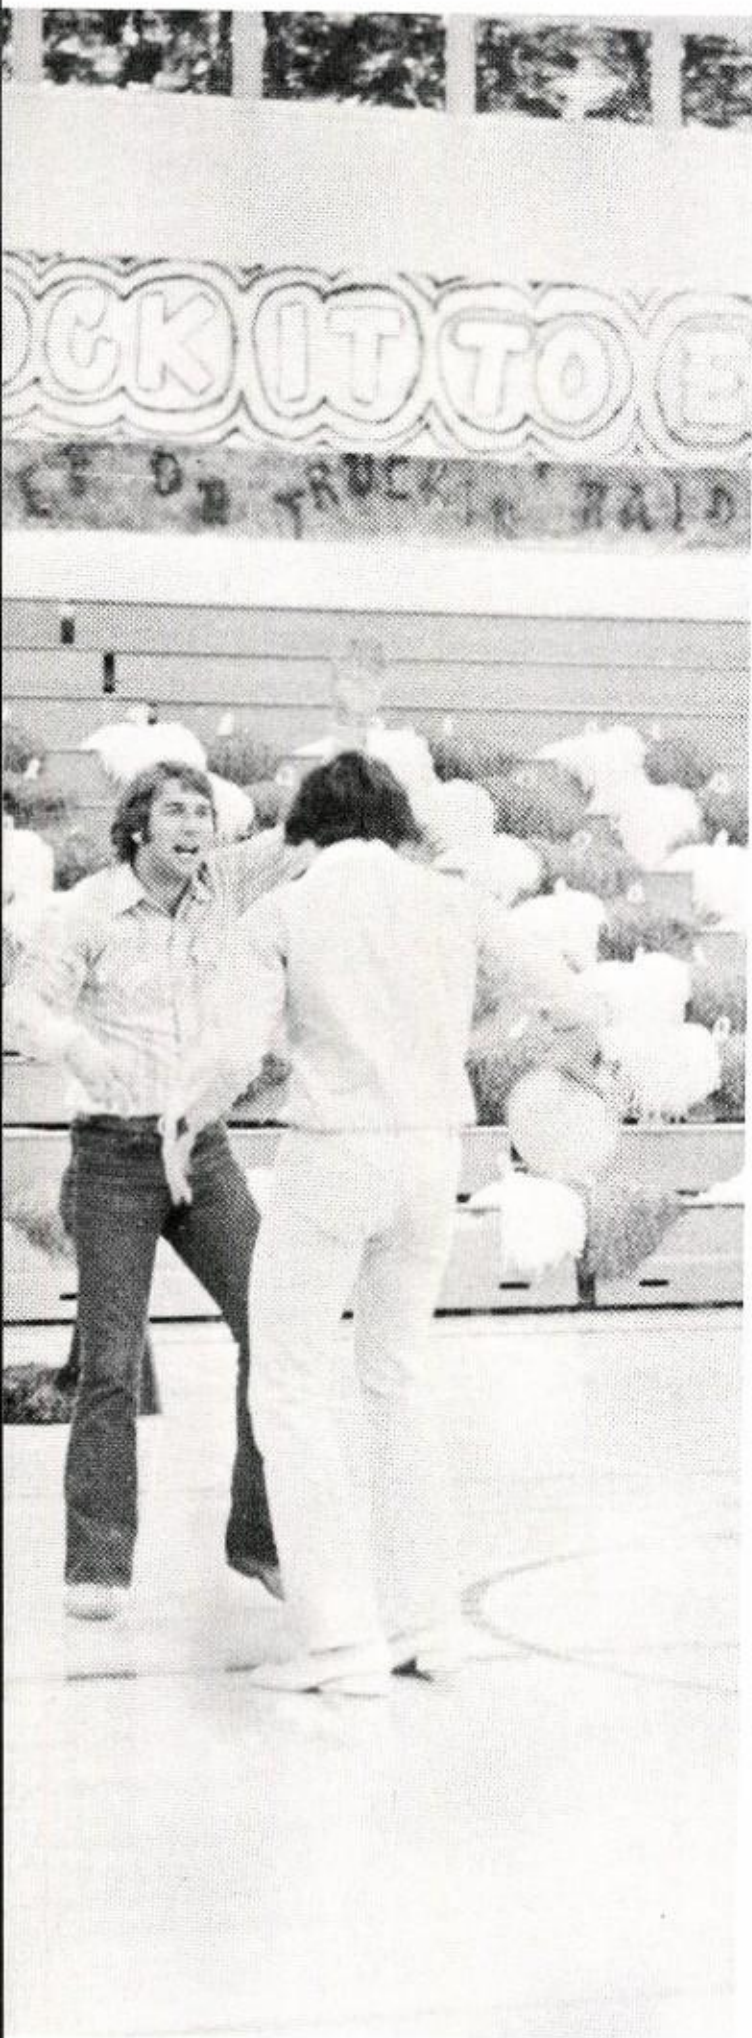

Raider substitutes???

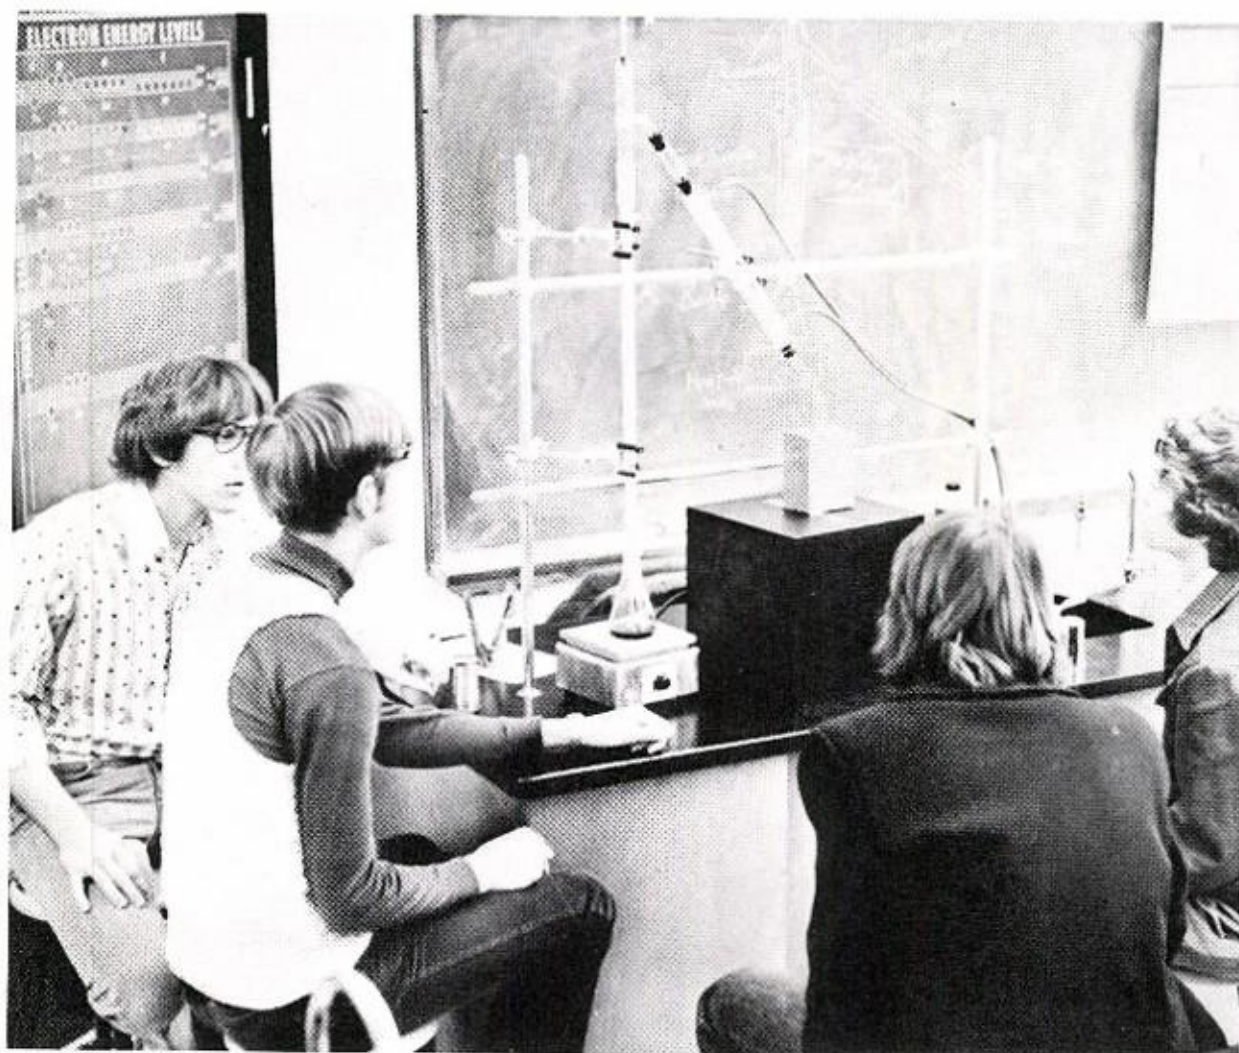

"Jimmy, you *heard* what Mother said!"

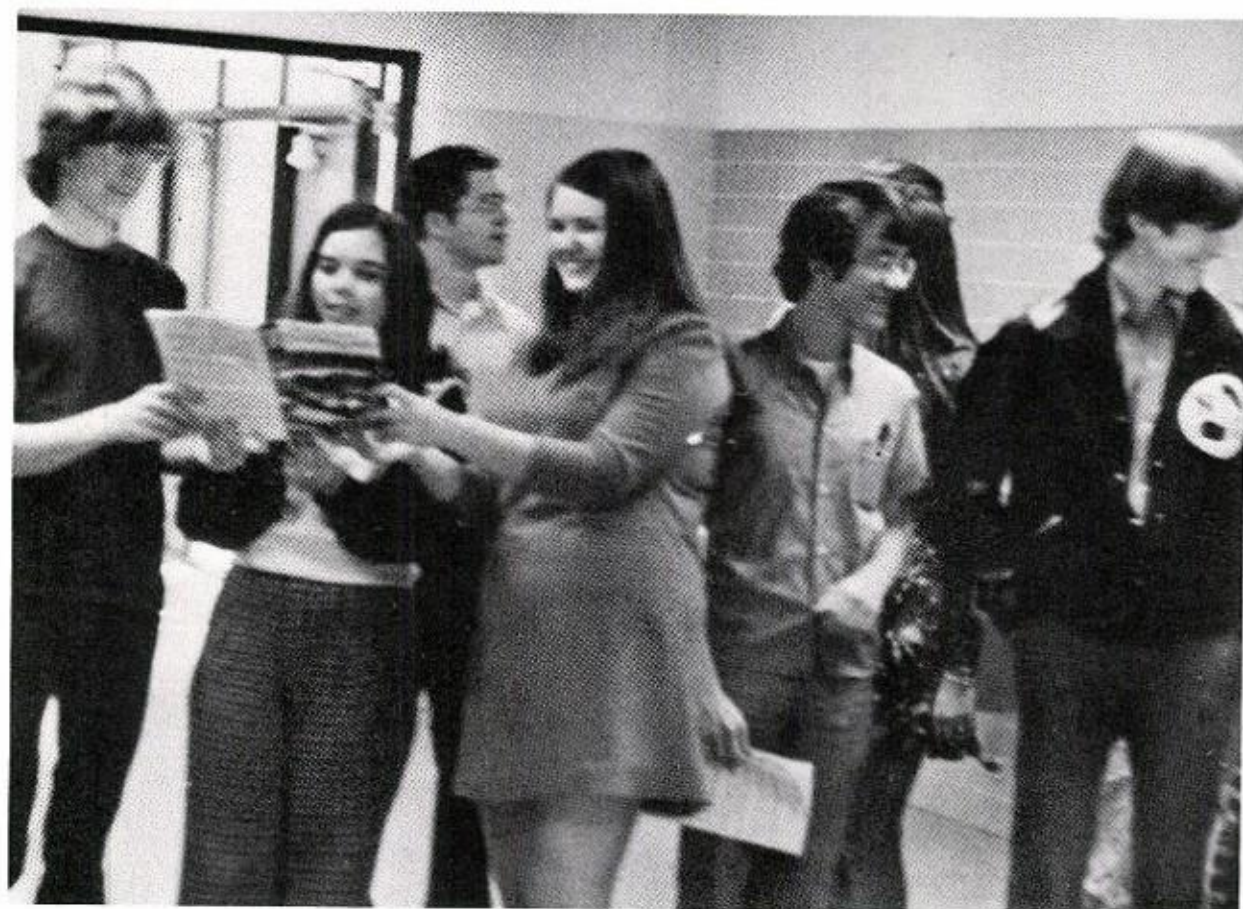

The mighty B-Ballers take the court.

"George," I keep telling you, you dance this way."

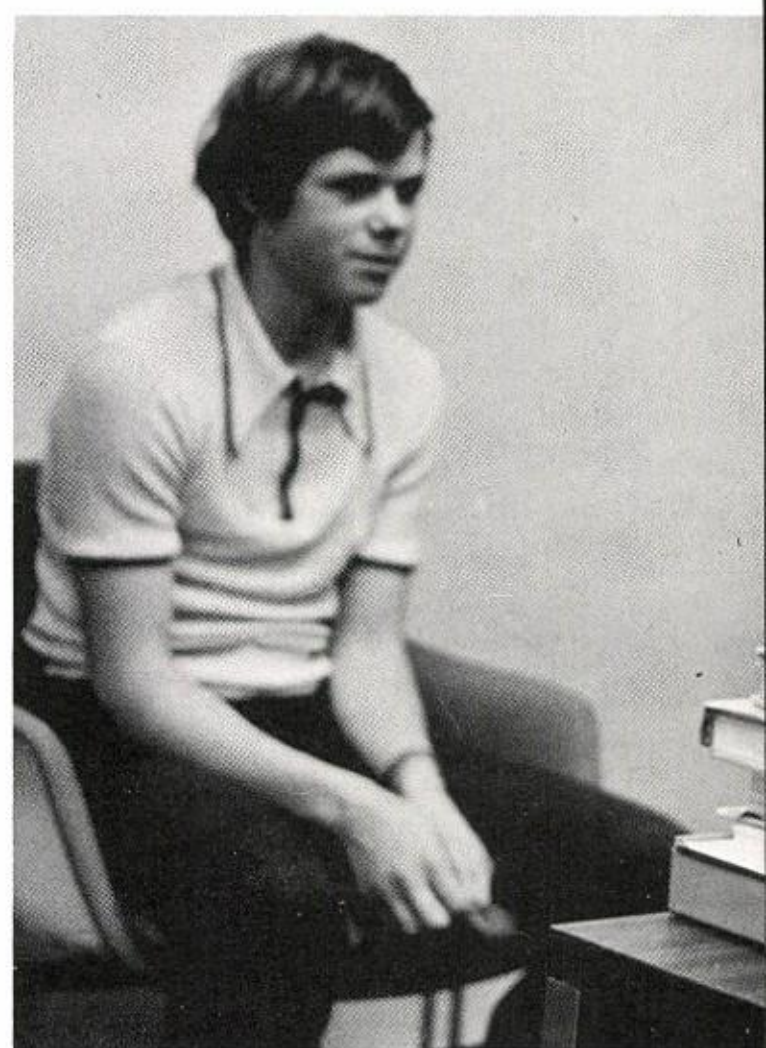

"Do you think it's gonna work?"

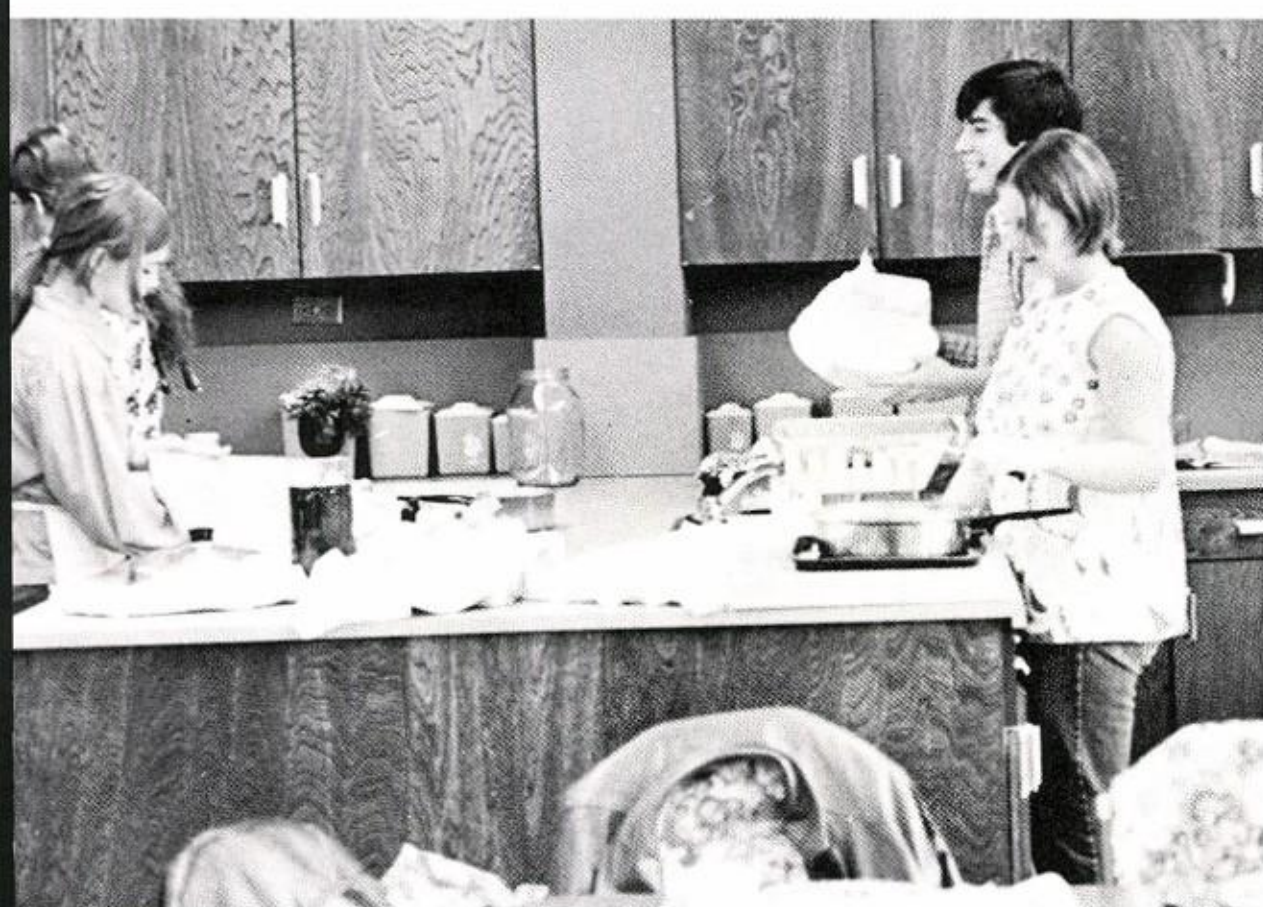

Water fountain ensemble?

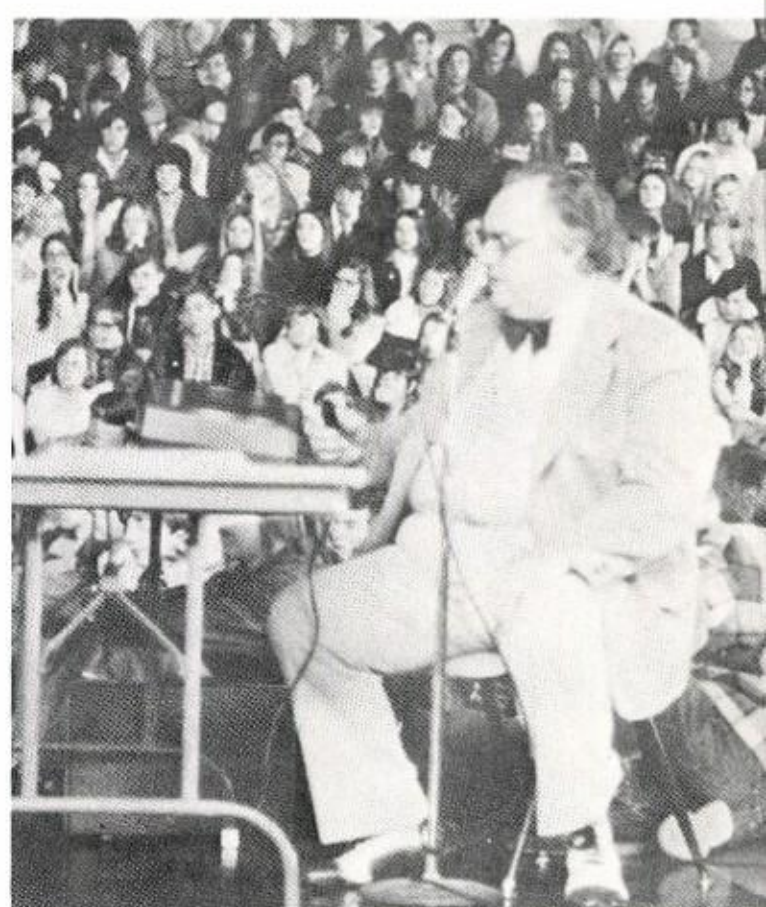

A Cappella Choir entertains the study body at Christmas time.

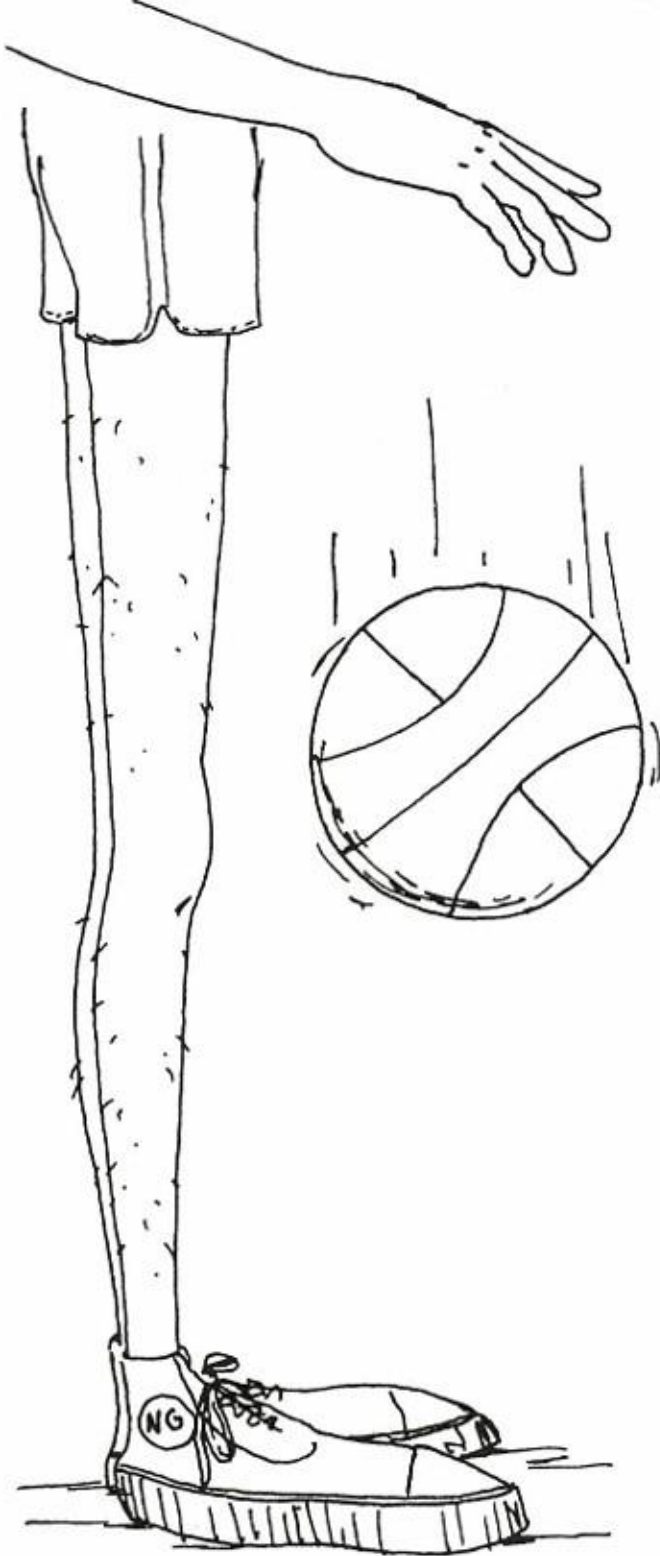

Well, I'm not sure how it happened.

Man, this is fun! Can I do it again?

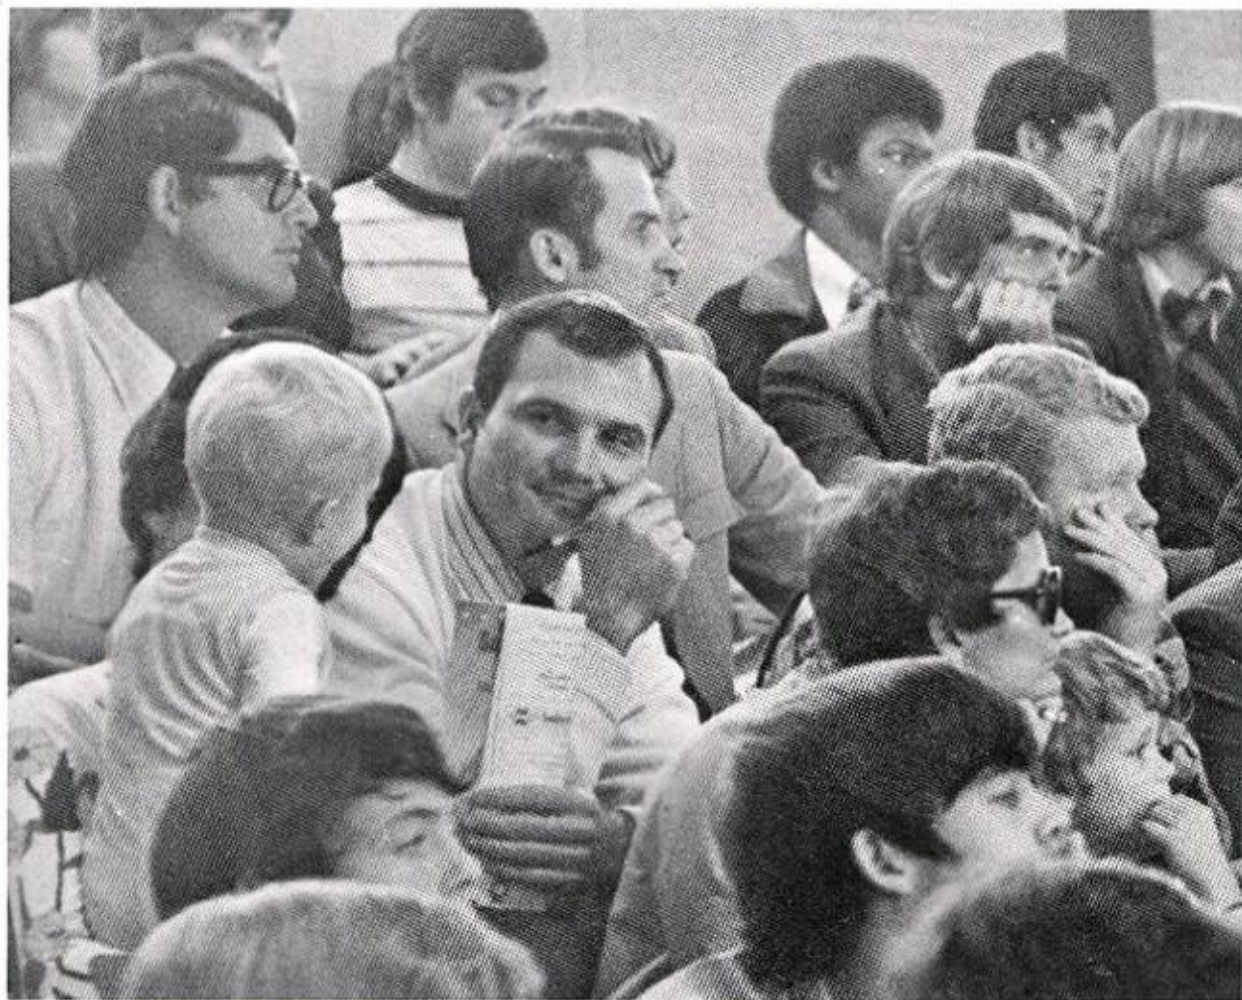

Students get a touch of Ireland from Mr. McManus.

Support from the Raider fans is FANTASTIC!

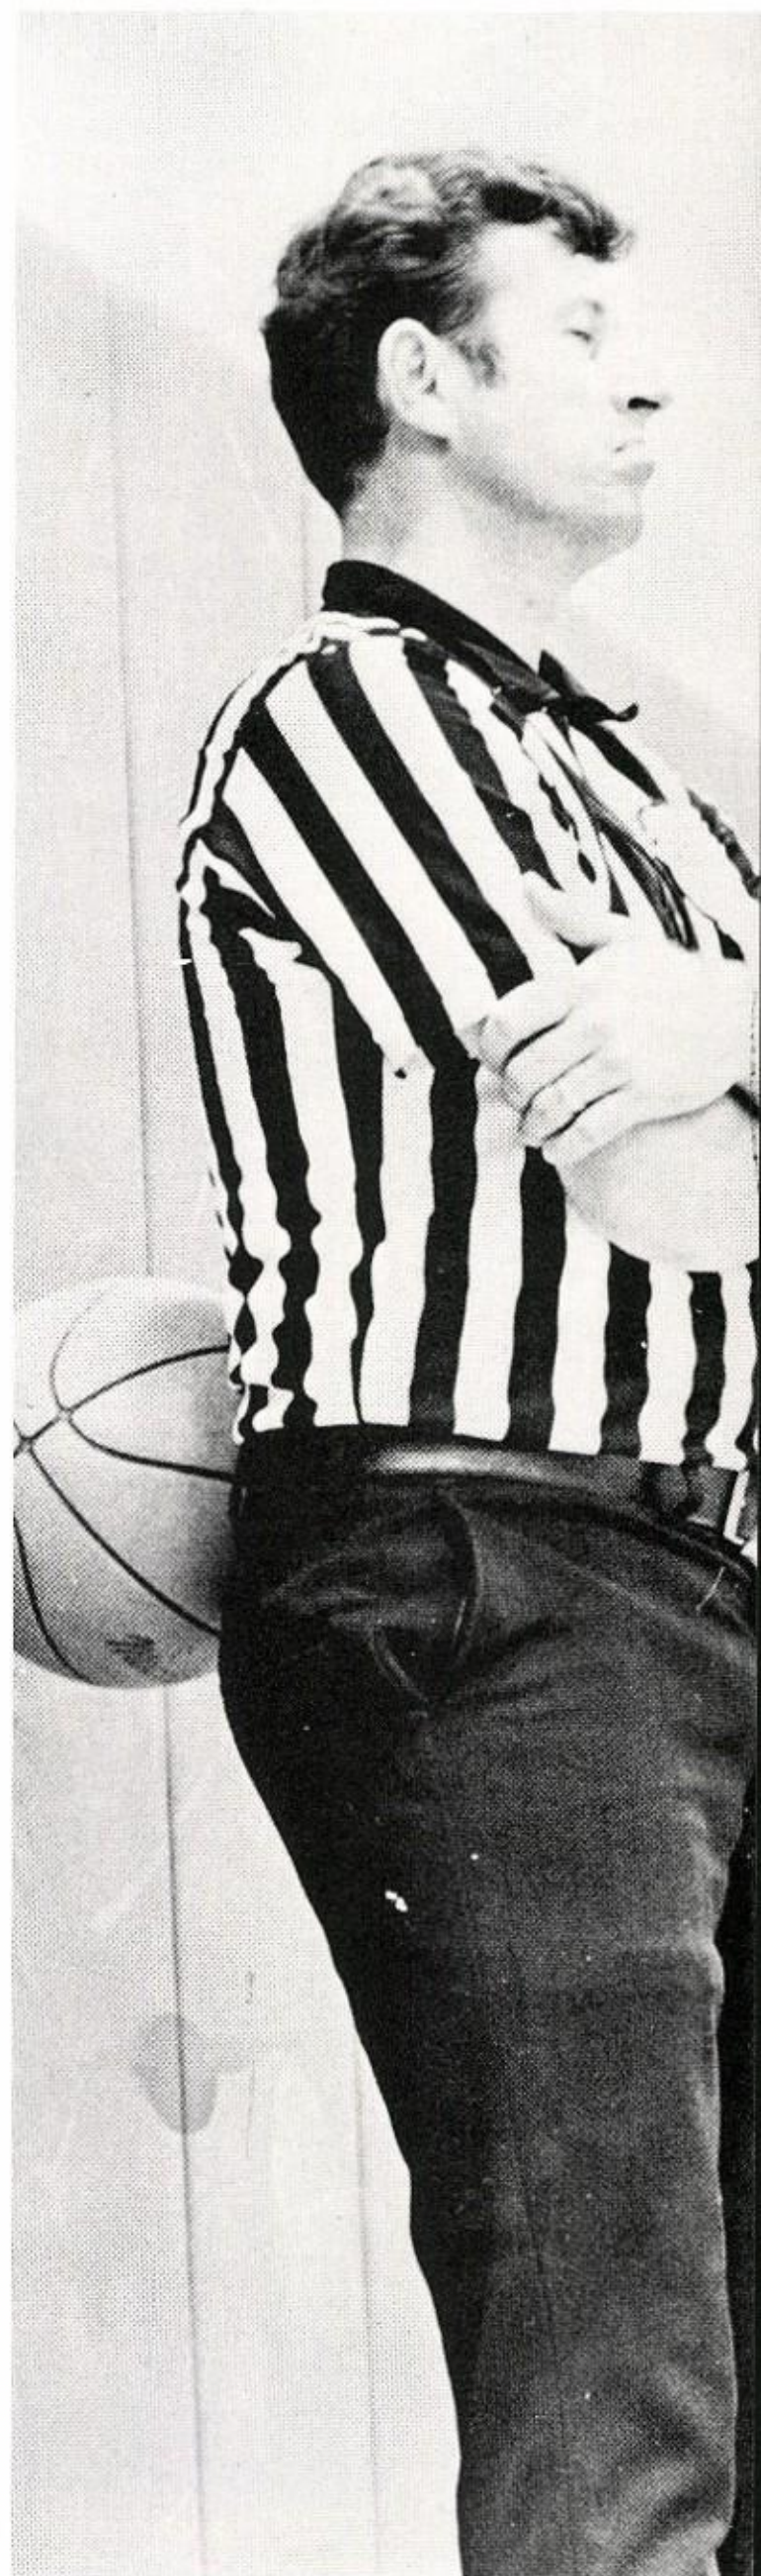

Varsity Cheerleaders continue to help support the Basketball team.

"They grow up *so* fast."

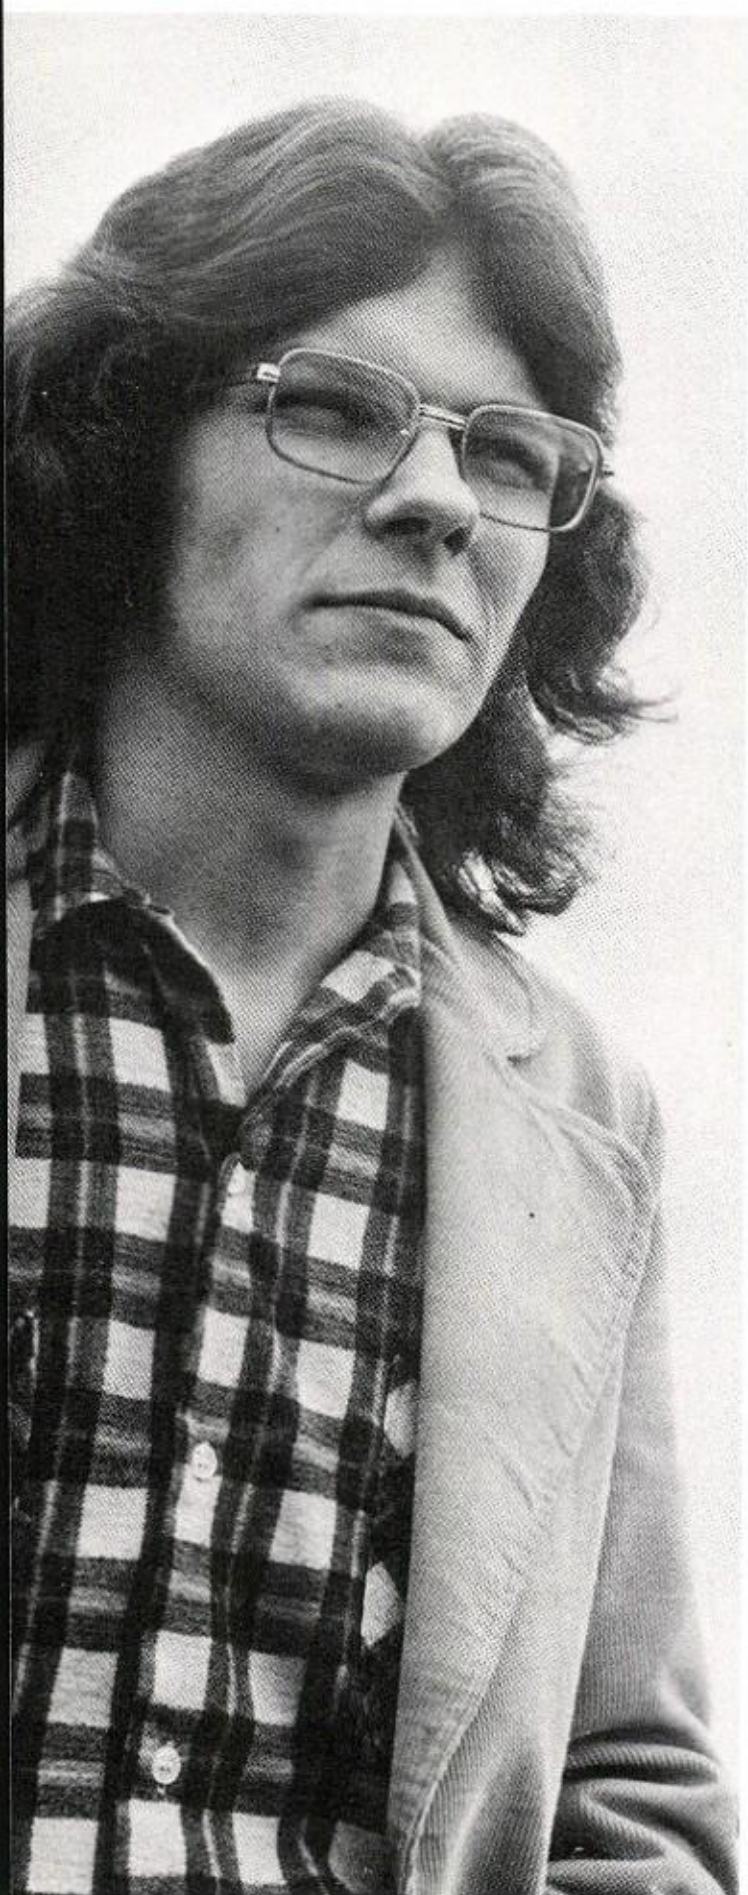

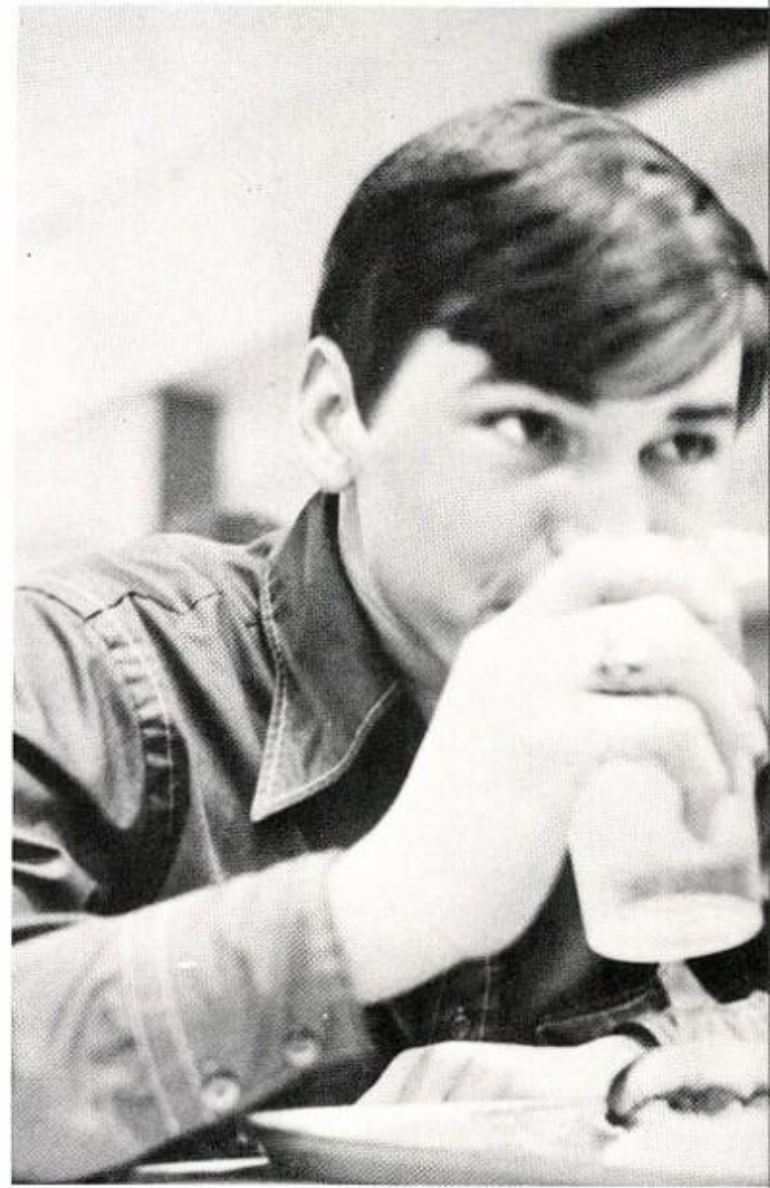

Is it going to be alright, Rick?

If you don't like the way I call, you can't play with my ball.

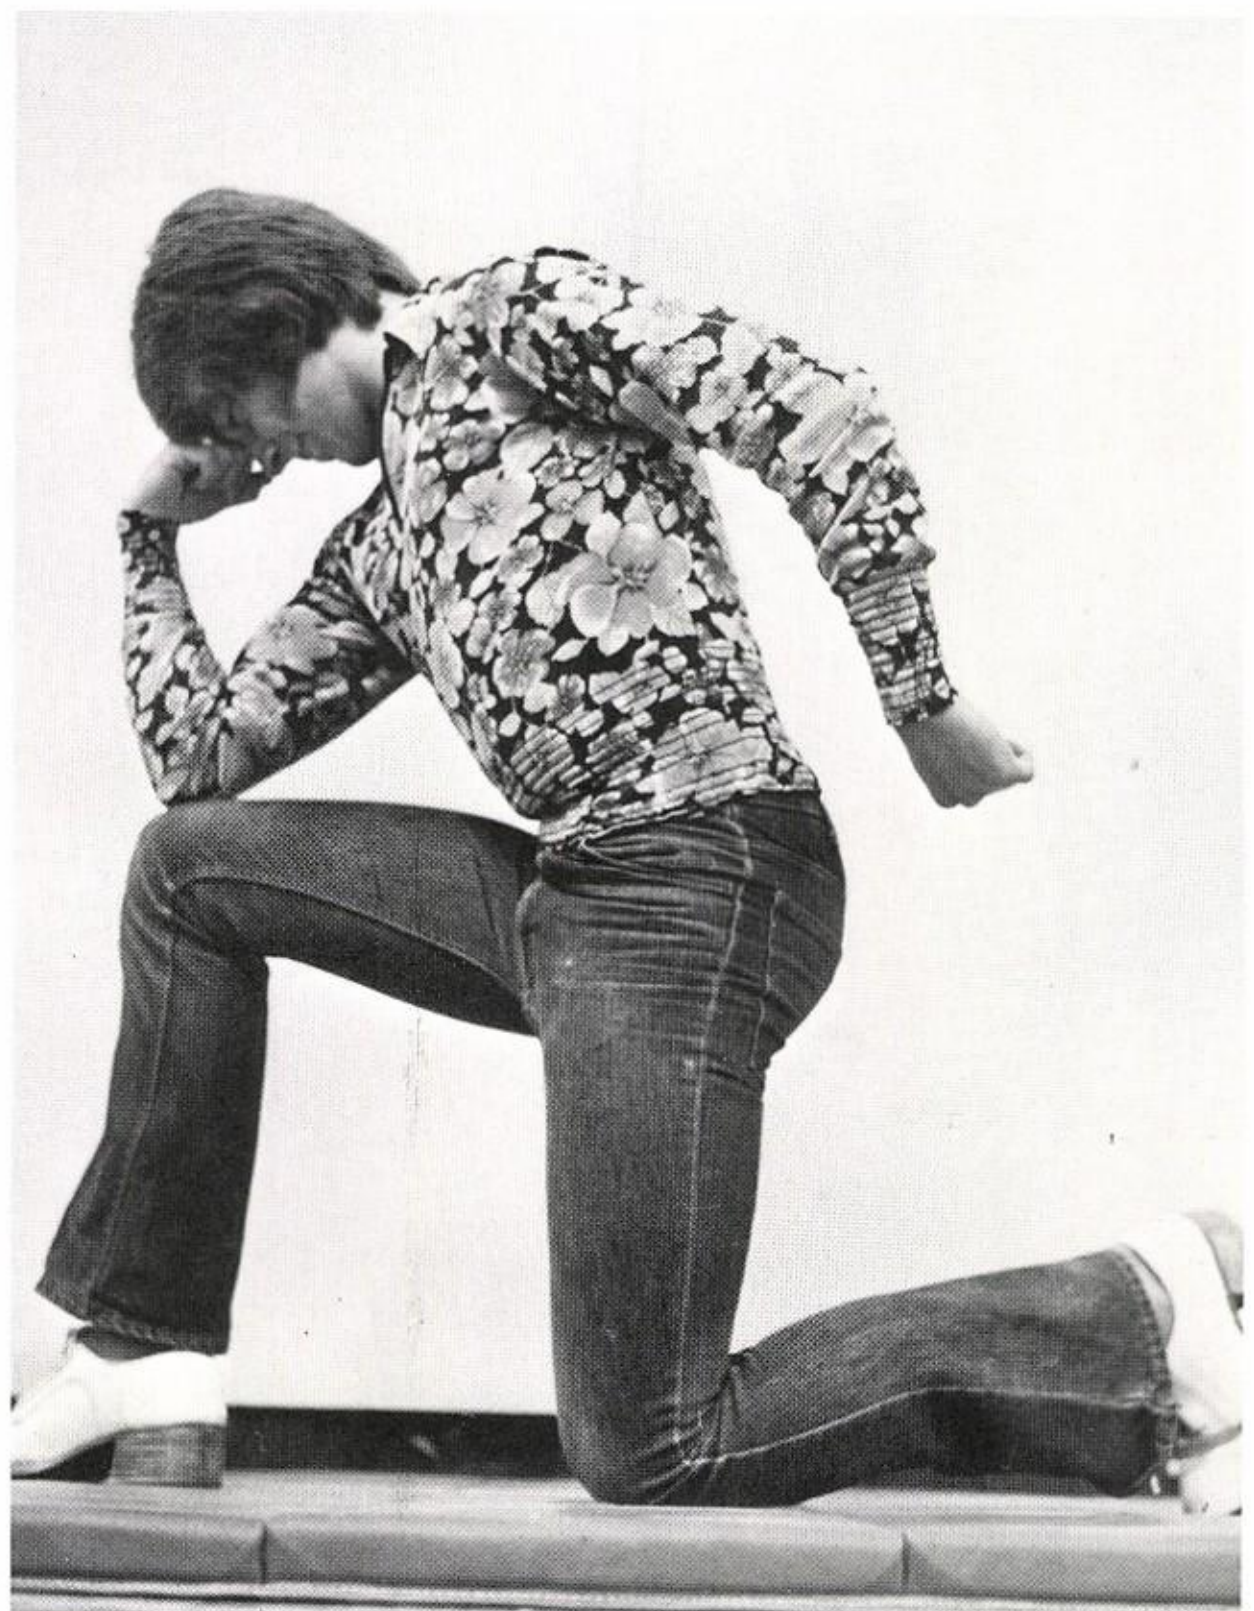

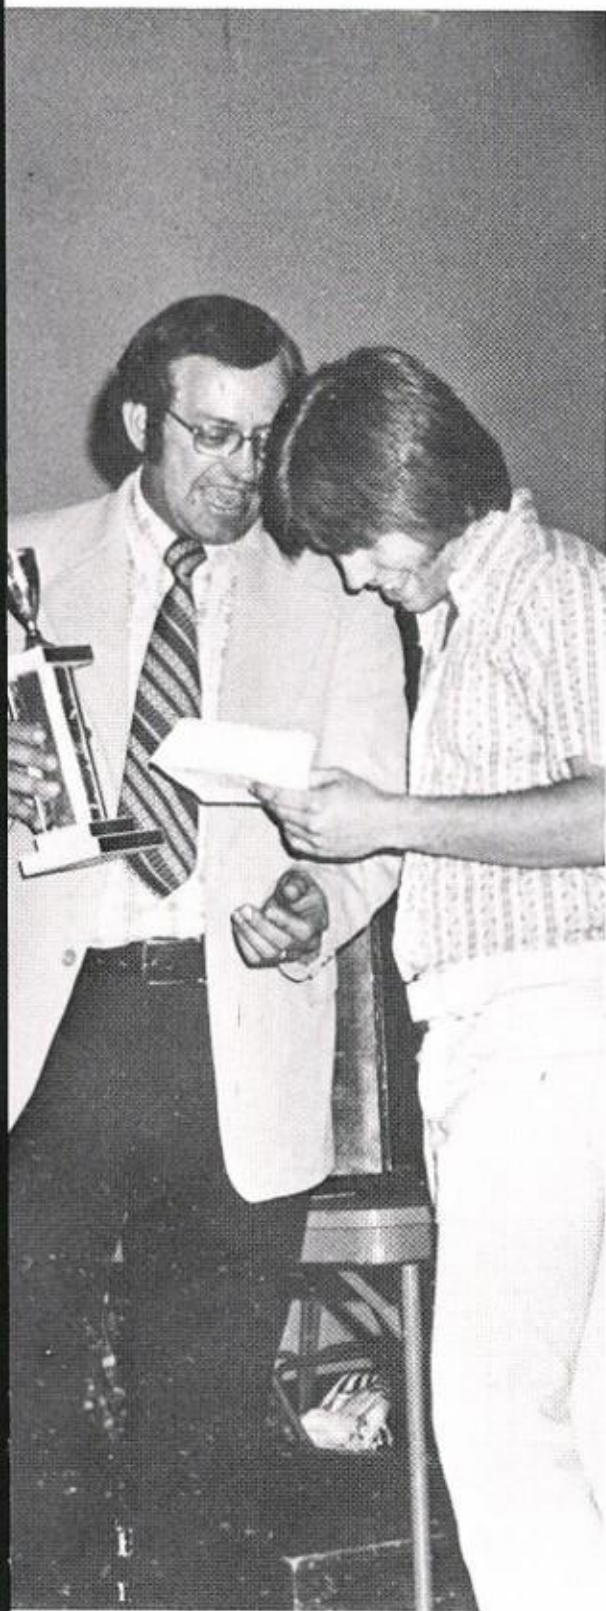

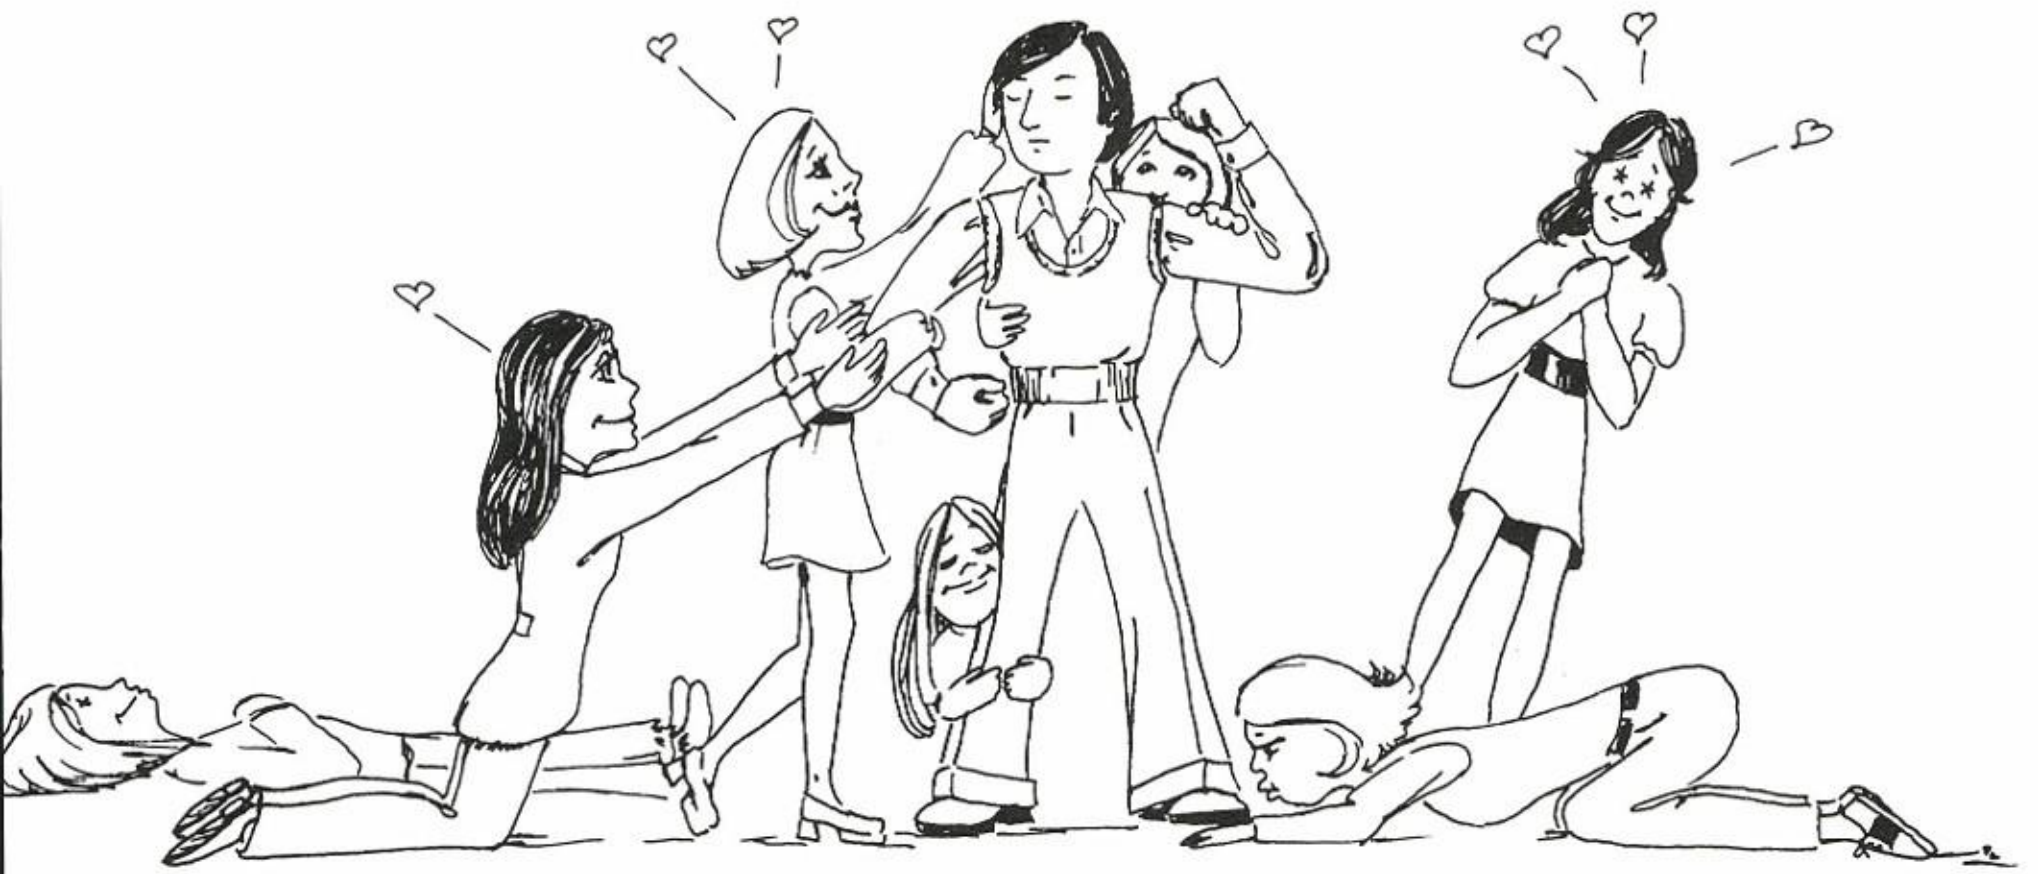

Although there was doubt in the minds of those who remained at school, Raiders “kept on truckin” through mid-term exams. With basketball season getting into full swing, the Mr. Wonderful contest, and the anxiety felt before the Celebrity Ball, students seemed to become a more active part of the school.

New additions to North Garland never seem to stop! January brought the excitement of the first Mr. Wonderful contest. Sponsored by the Junior Class, the contest was a money-making project towards the Junior Prom. Every penny donated to the contestants counted as one vote. As the money rolled in, votes mounted for top contestants Dean Goodlett, Jay Caton, Bobby Meals, and Bill Hubbard. Dean Goodlett received the coveted title of the first "Mr. Wonderful" at the victory dance held after the January 25 basketball victory.

VOE members take time to learn about profitable business tactics.

"Raider Revue" of N.G. talent.

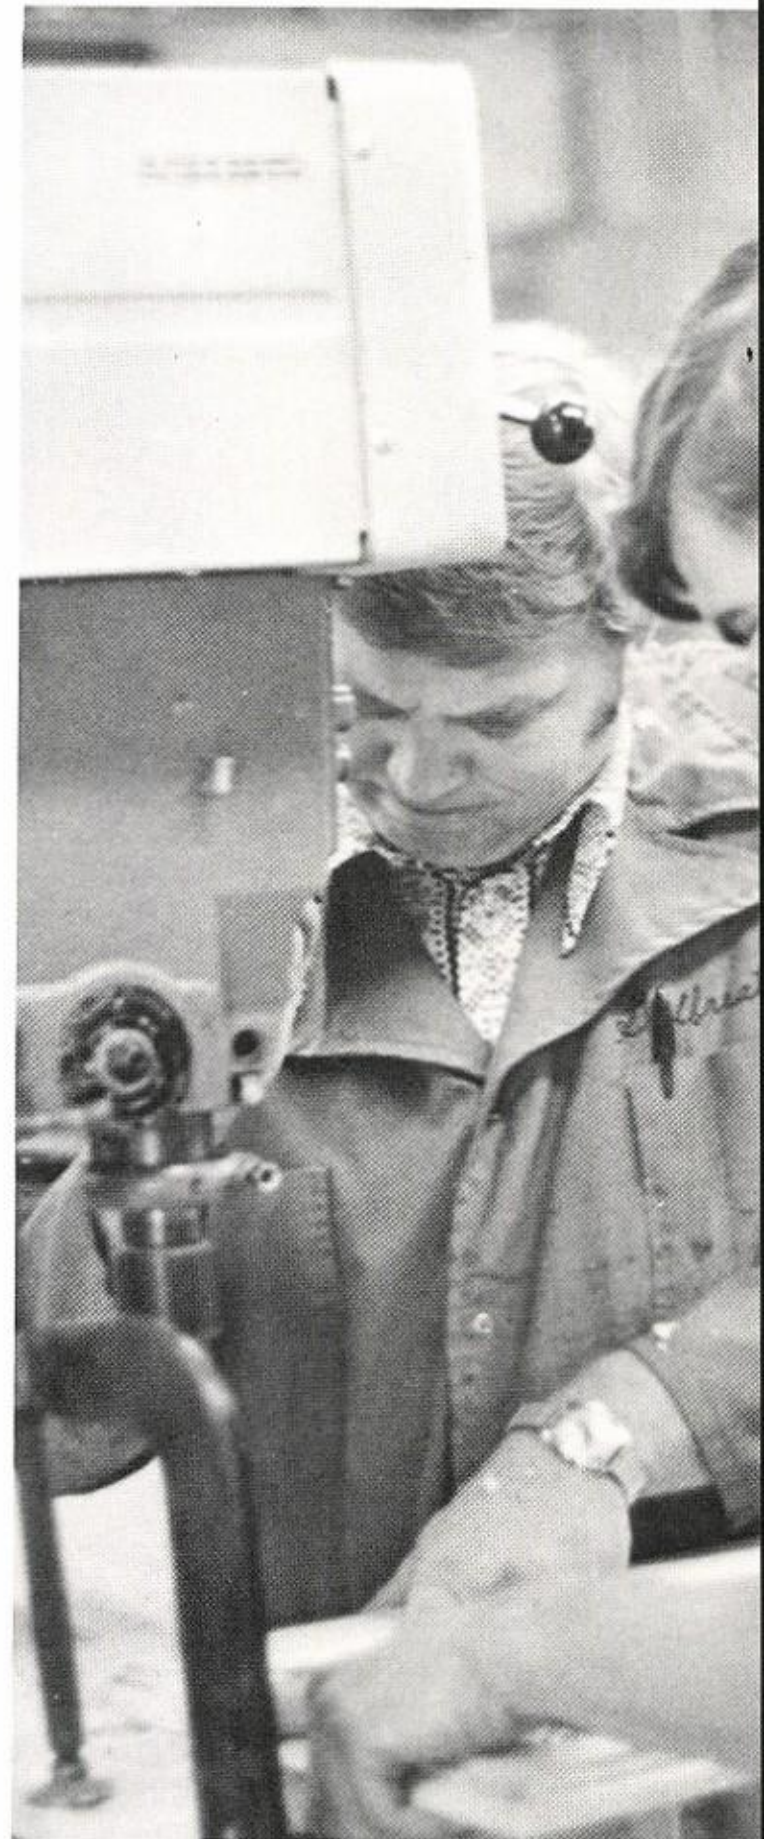

Hollywood's best comes to North Garland!

Raiders can be found everywhere — even at airports!

Everybody always wants to sit on the front row!

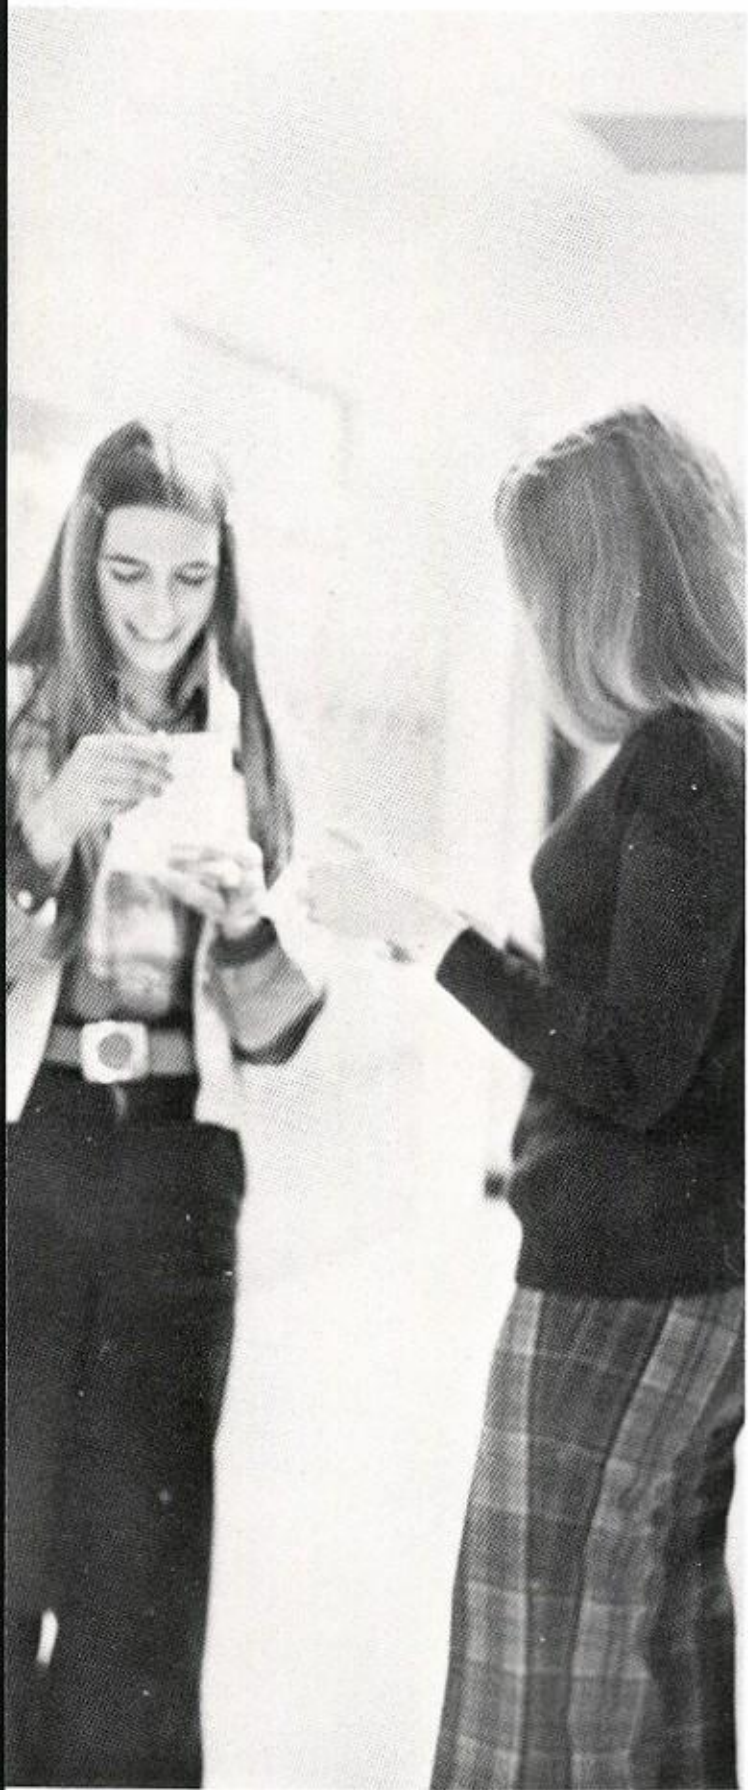

Mr. Gilbreath offers a helping hand.

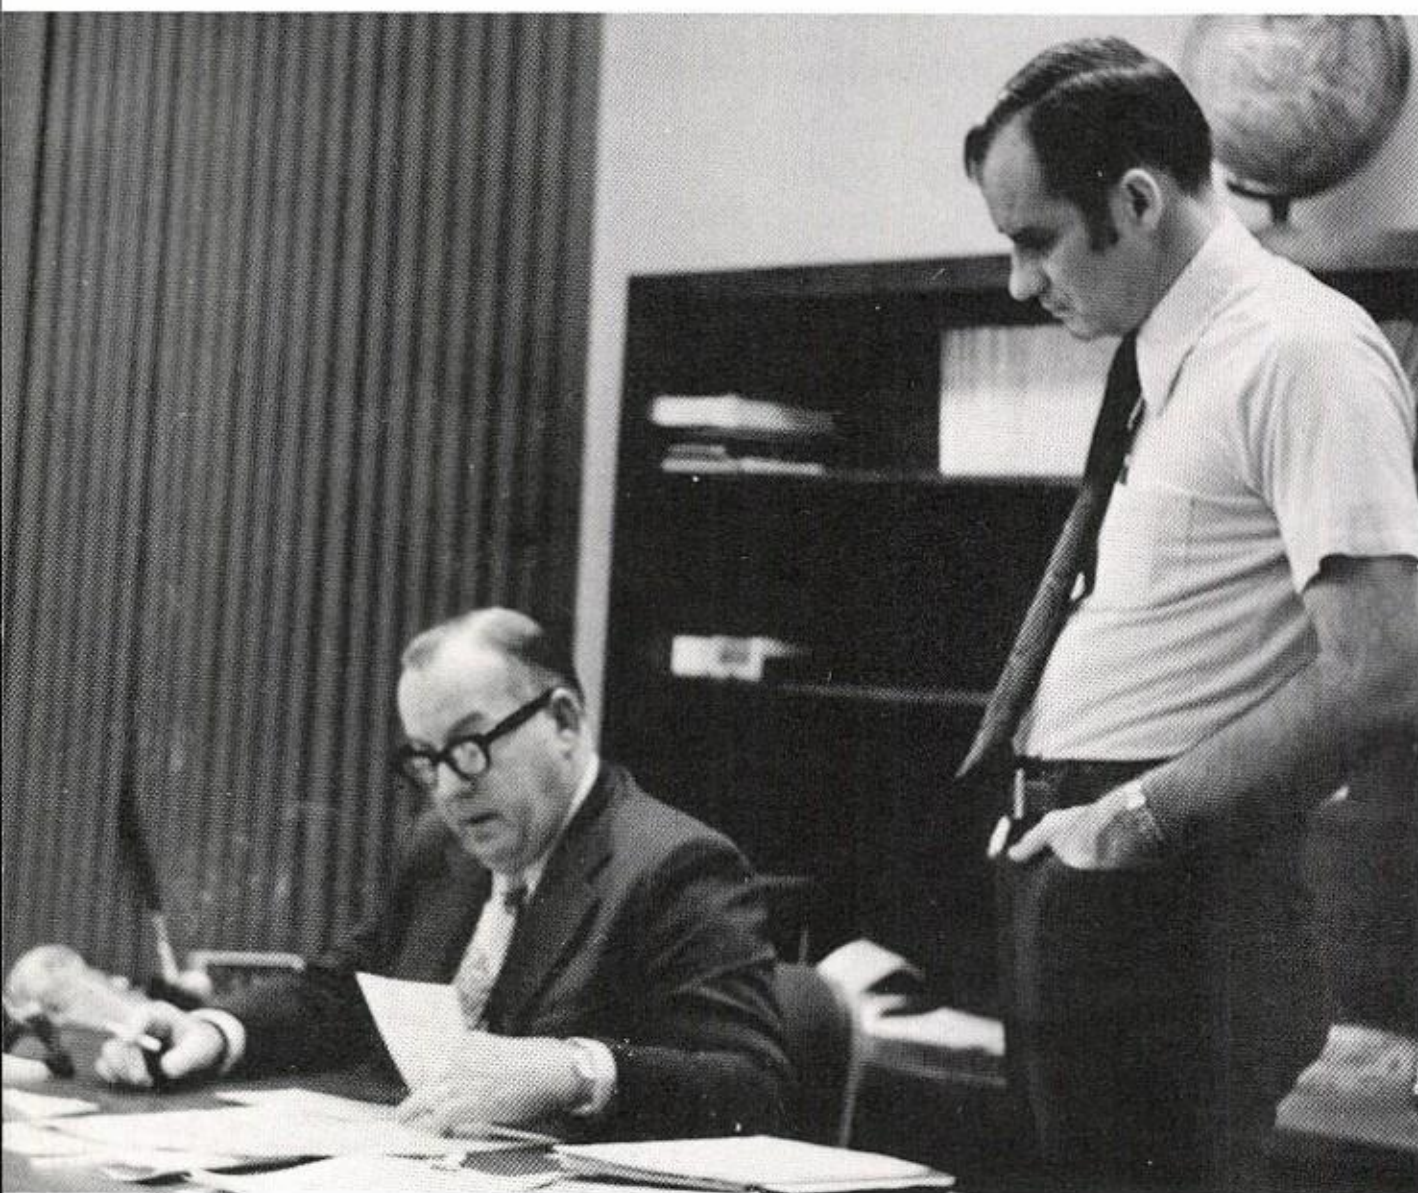

A sunny smile brightens everyone's day!

Happiness Is . . .

. . . *an Invitation!*

"I agree; that looks like a good idea."

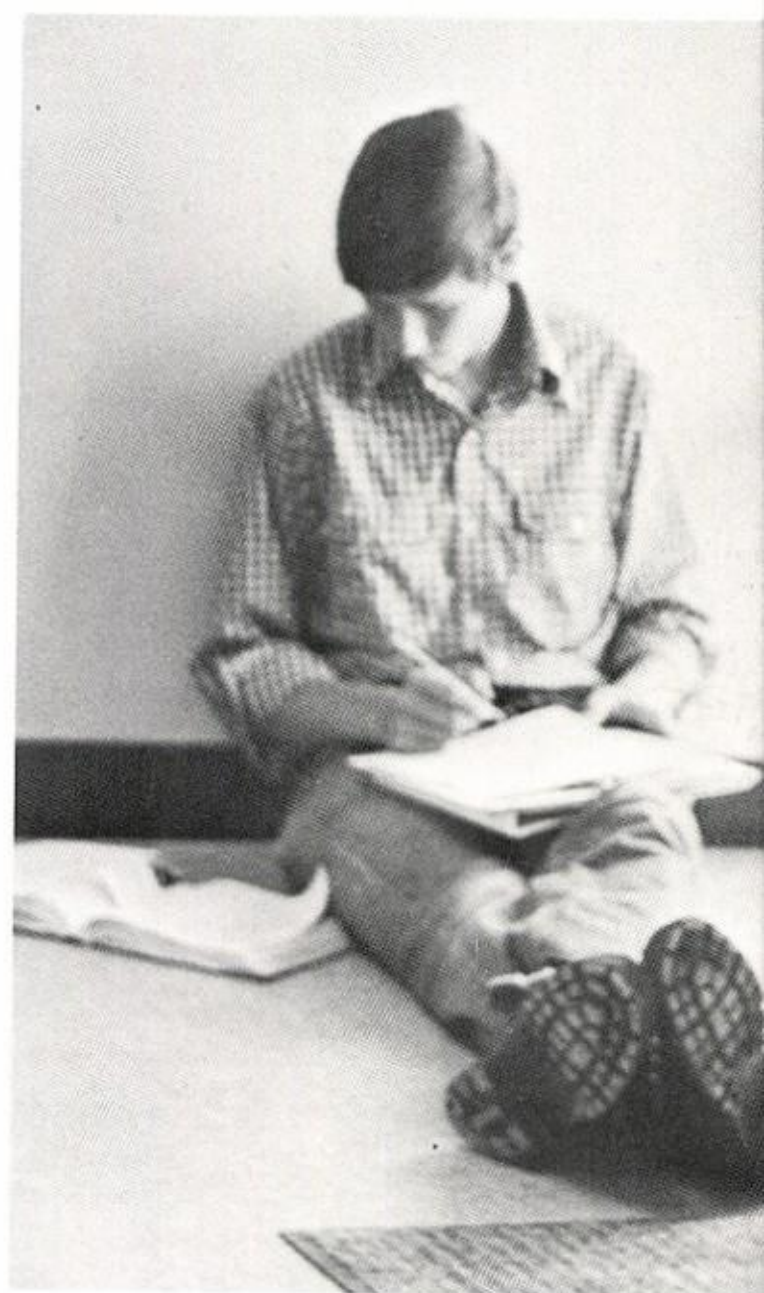

Why can't they just *all* come to school?

"And make them write these ABC's 100 times if they talk while I'm gone!"

Icicles — a sign of cold weather.

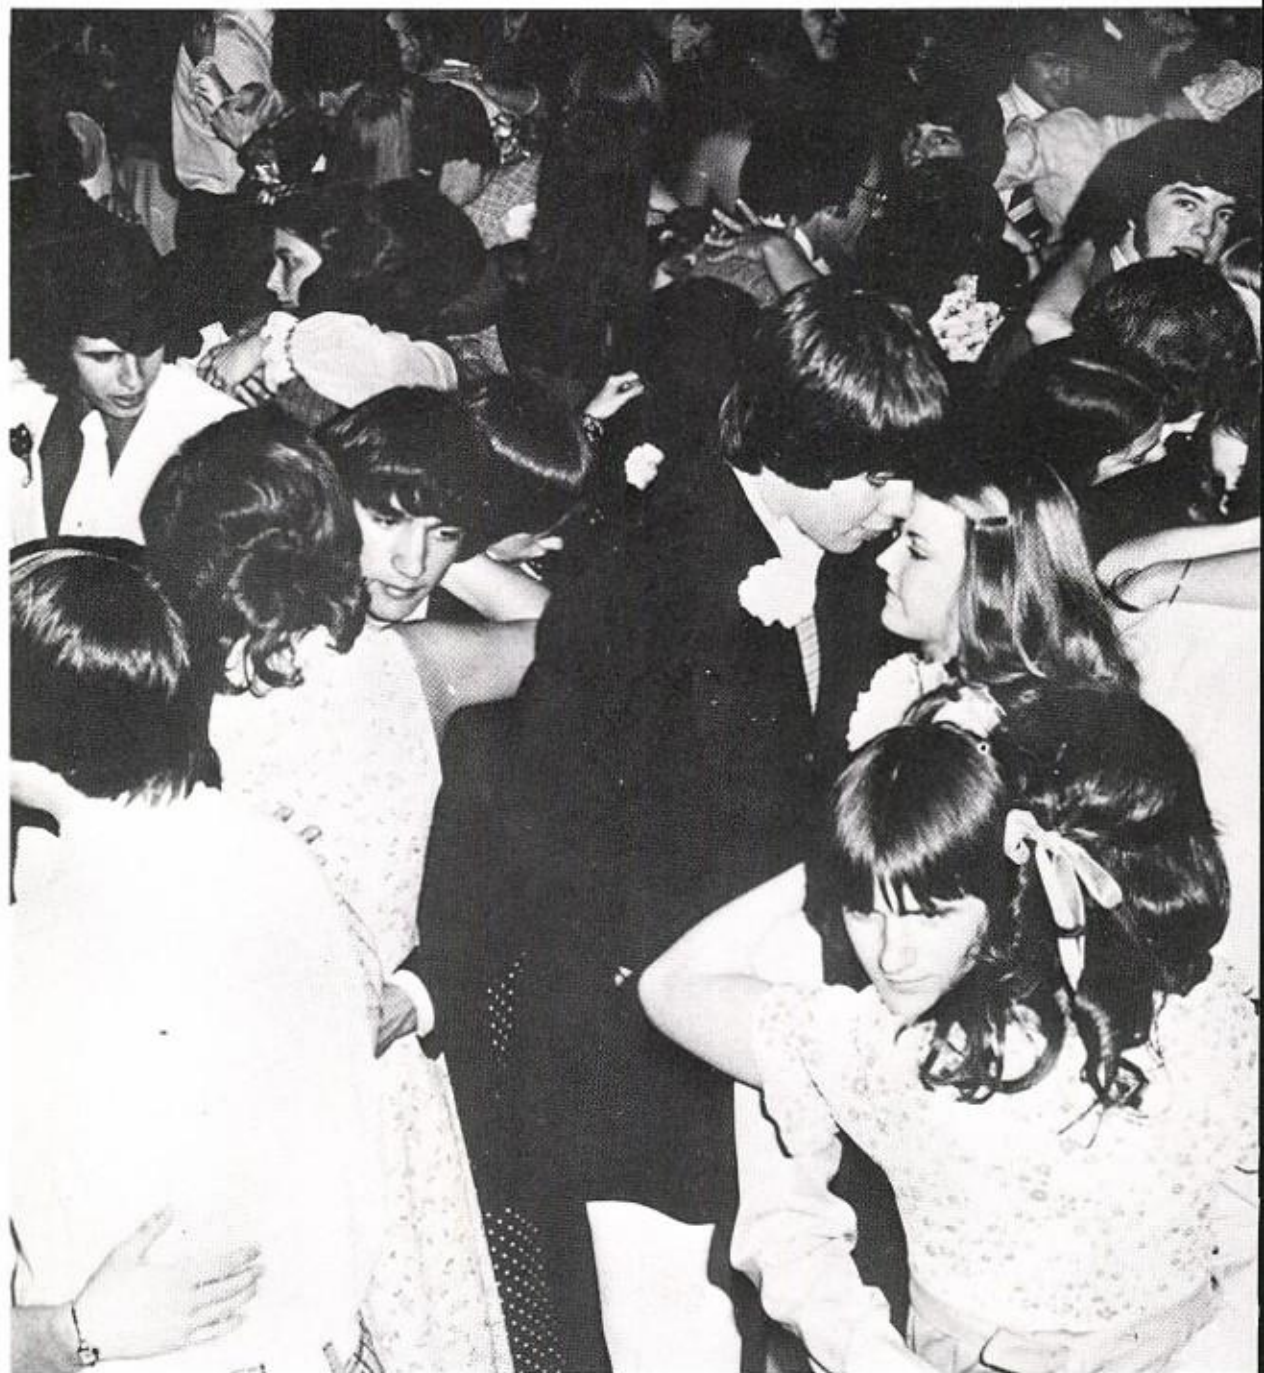

Everyone has his own idea of a study hall.

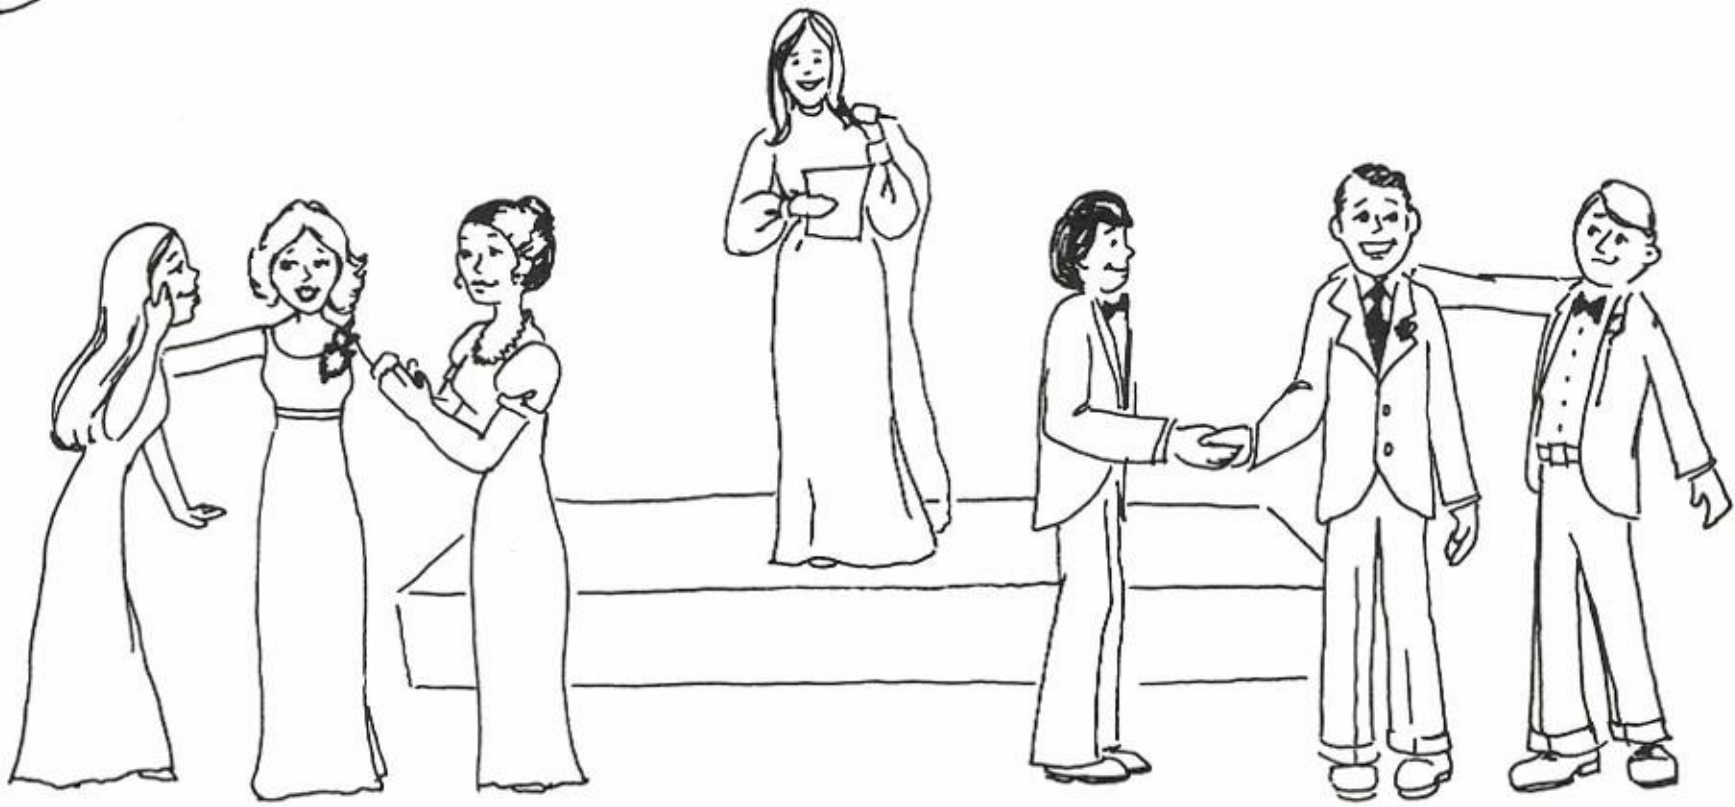

"Do you think we should?"

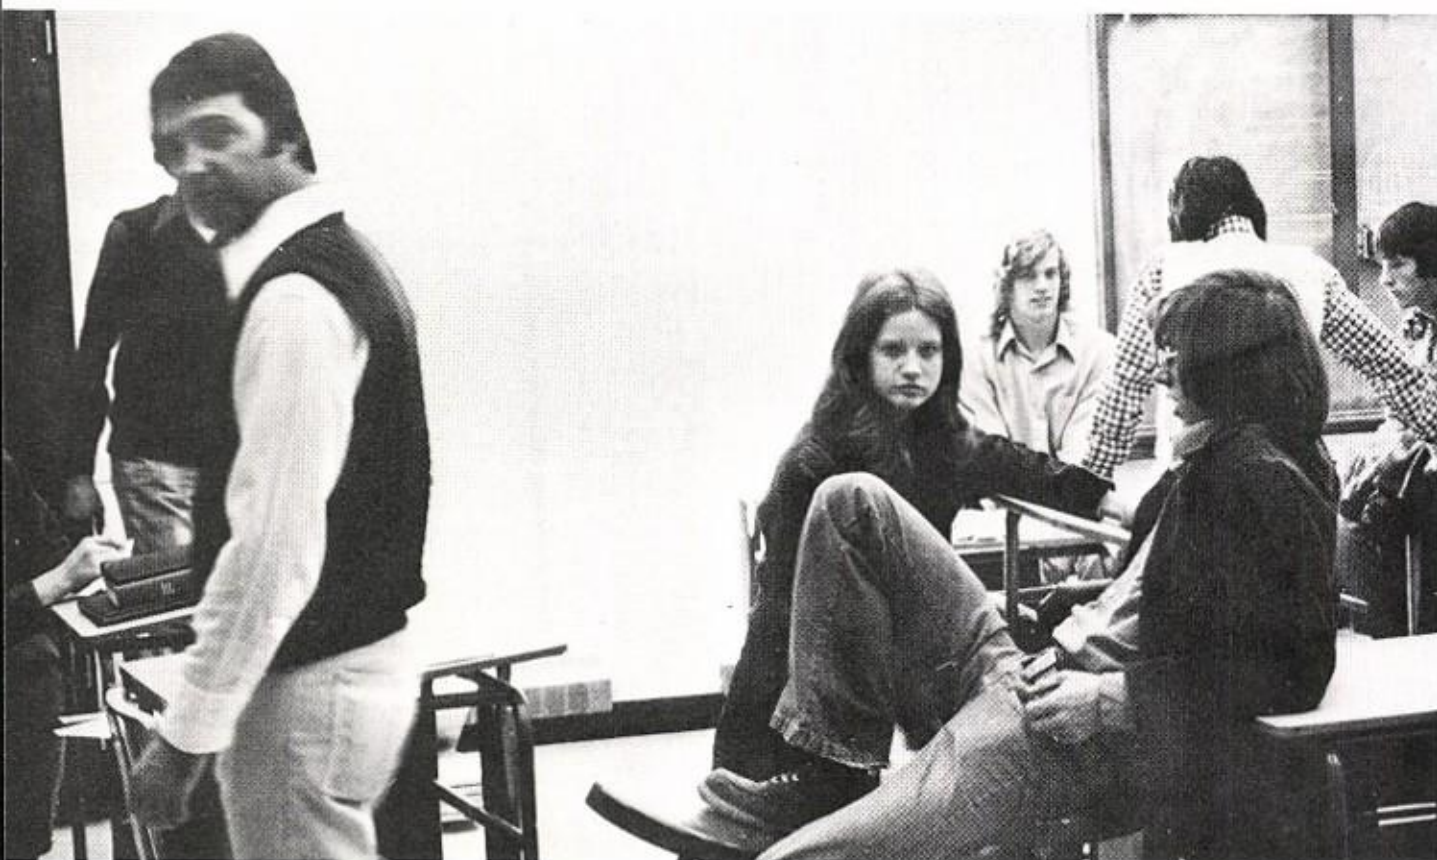

"What is that down at the end of the hall?"

CELEBRITY BALL

Blah Monday strikes again.

"These school clocks move slower than anything I've ever seen."

"You dropped the egg *where*???"

"Do it, Raiders, do it!!"

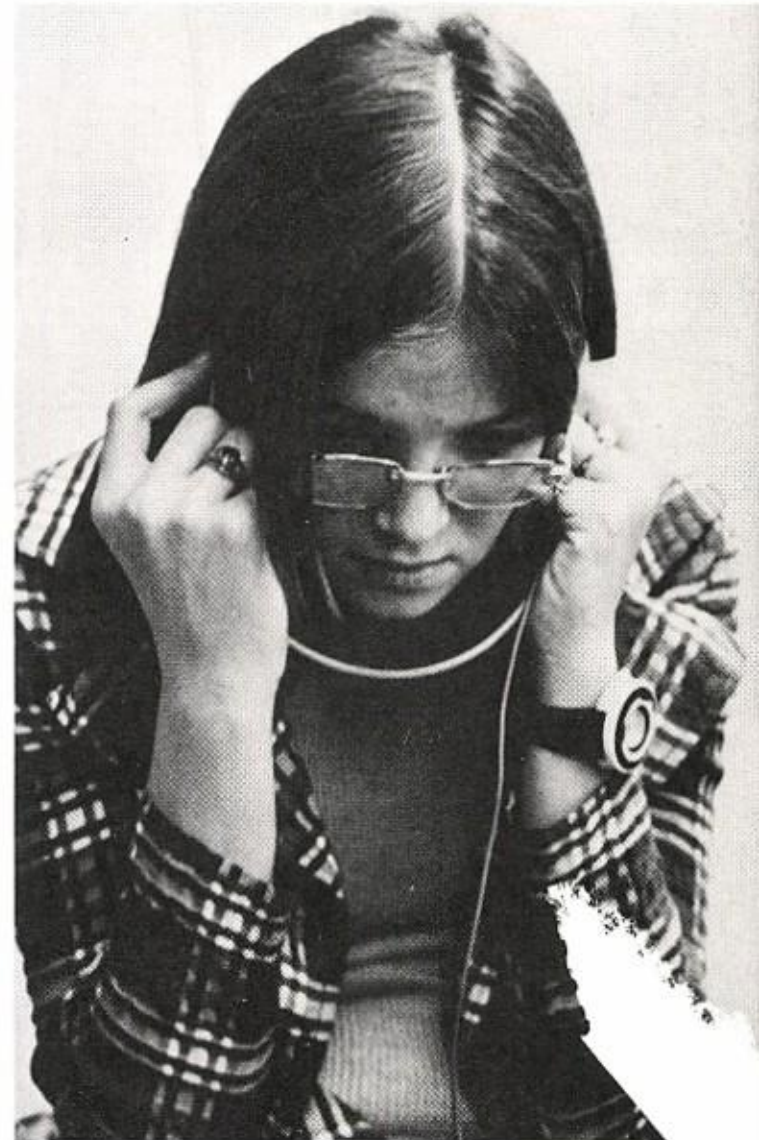

The "Liquid Paper" experts.

Everyone longed for "spring magic."

"And then the rabbit said to the turtle . . ."

"Maybe I've got them in upside down!"

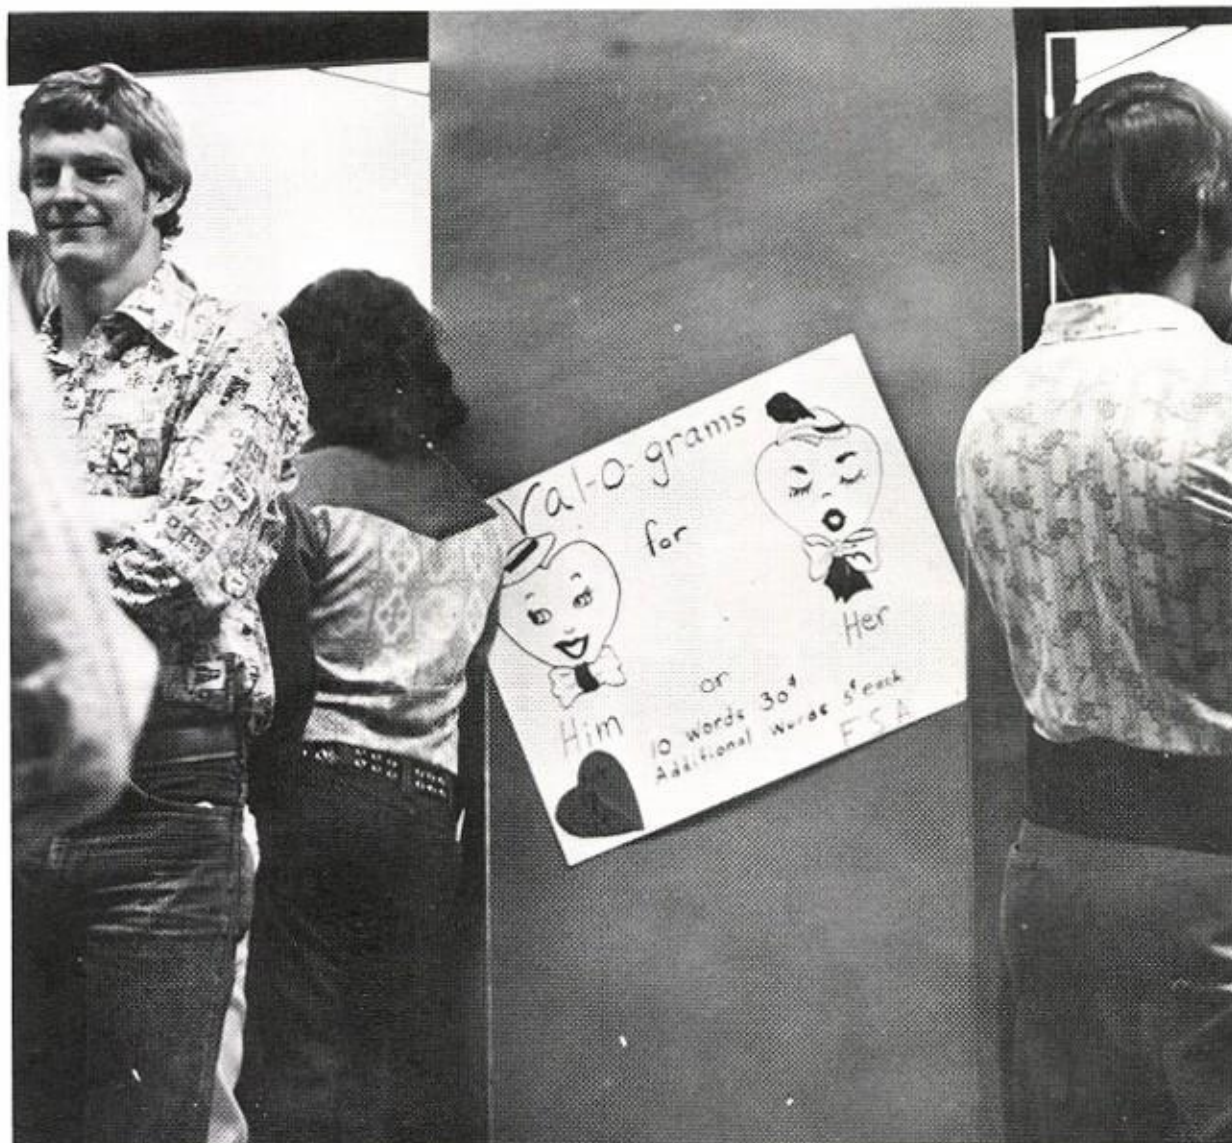

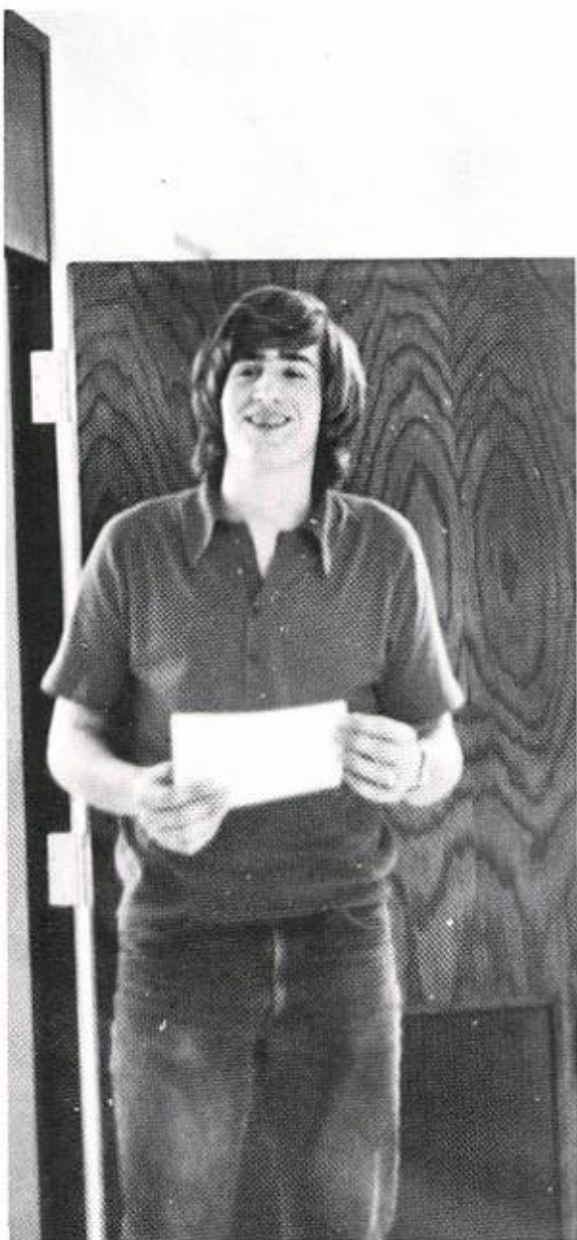

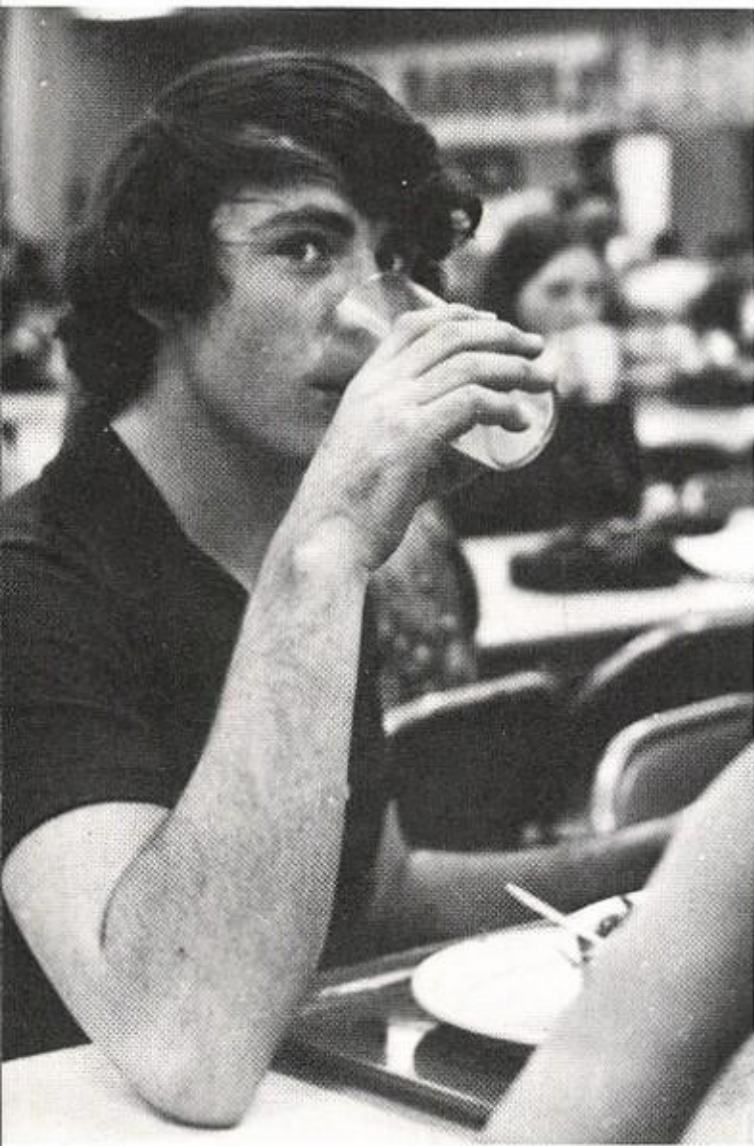

Balloon Breeches Victory!

"I sleep with it and you can't have it!"

"I've got to get her phone number!!"

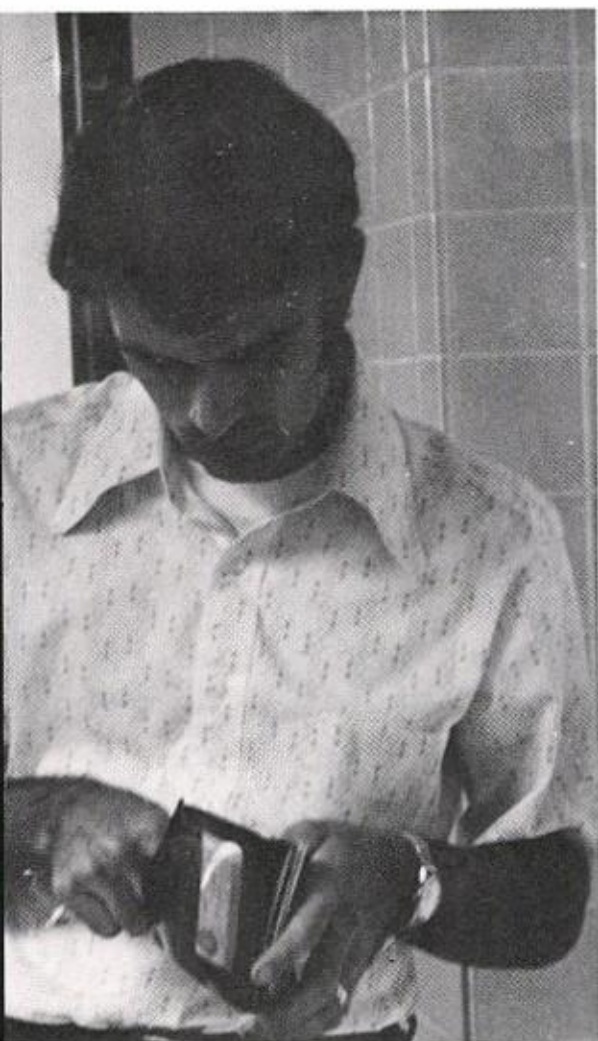

Safety goggles — an important part of woodworking.

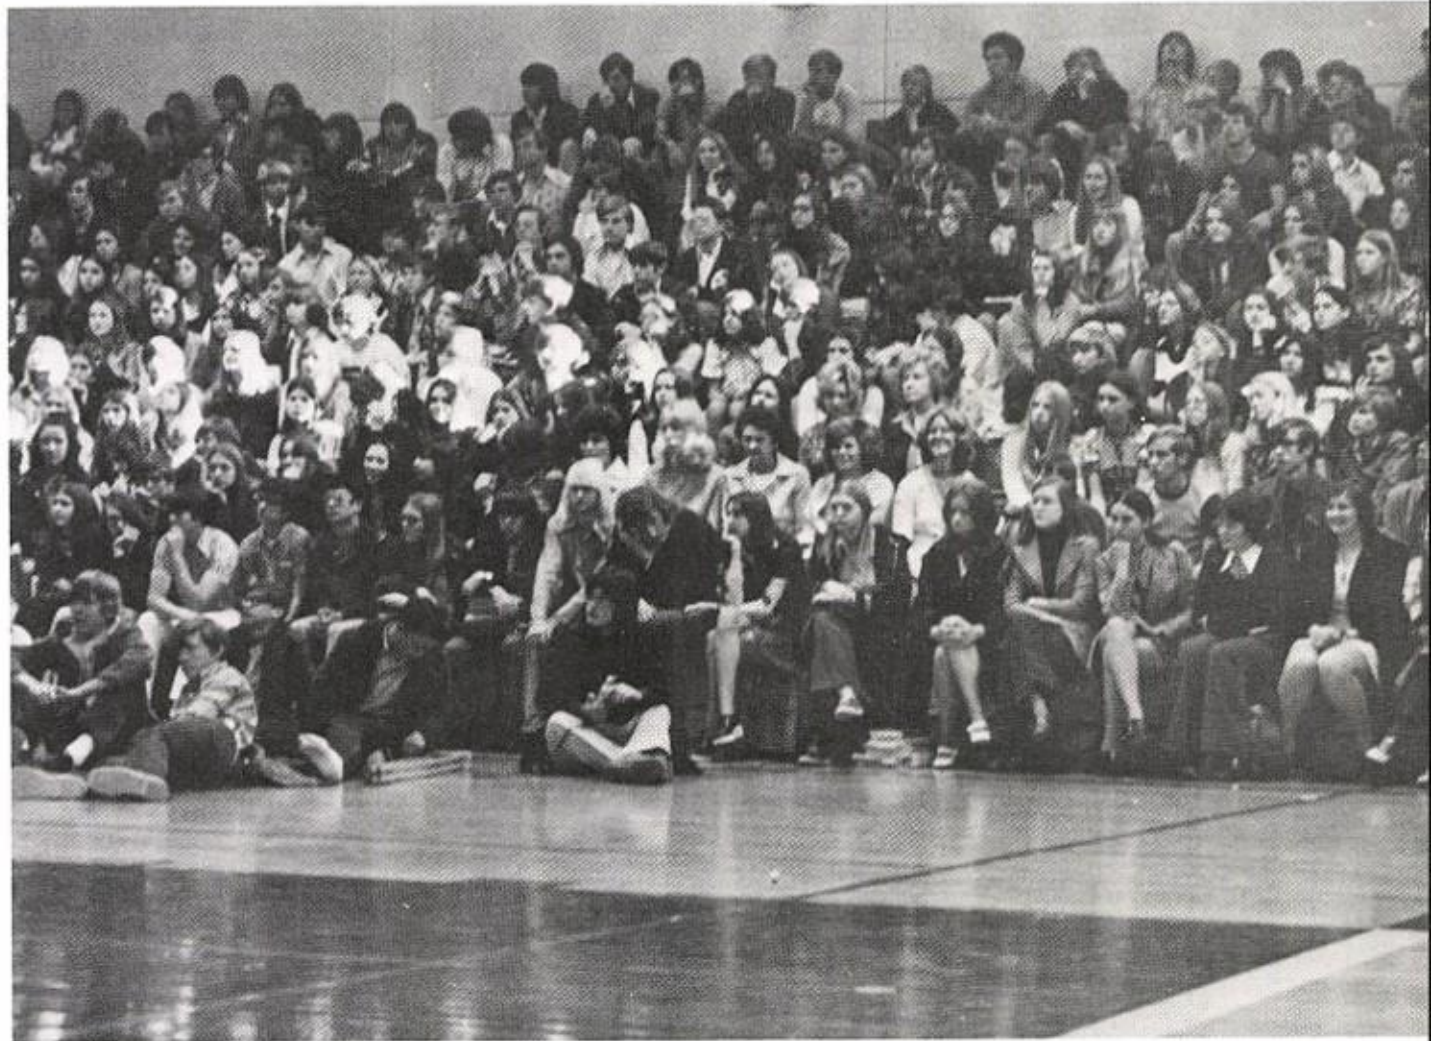

Sam lives everywhere, even in the band hall.

The Frito Bandito Break!

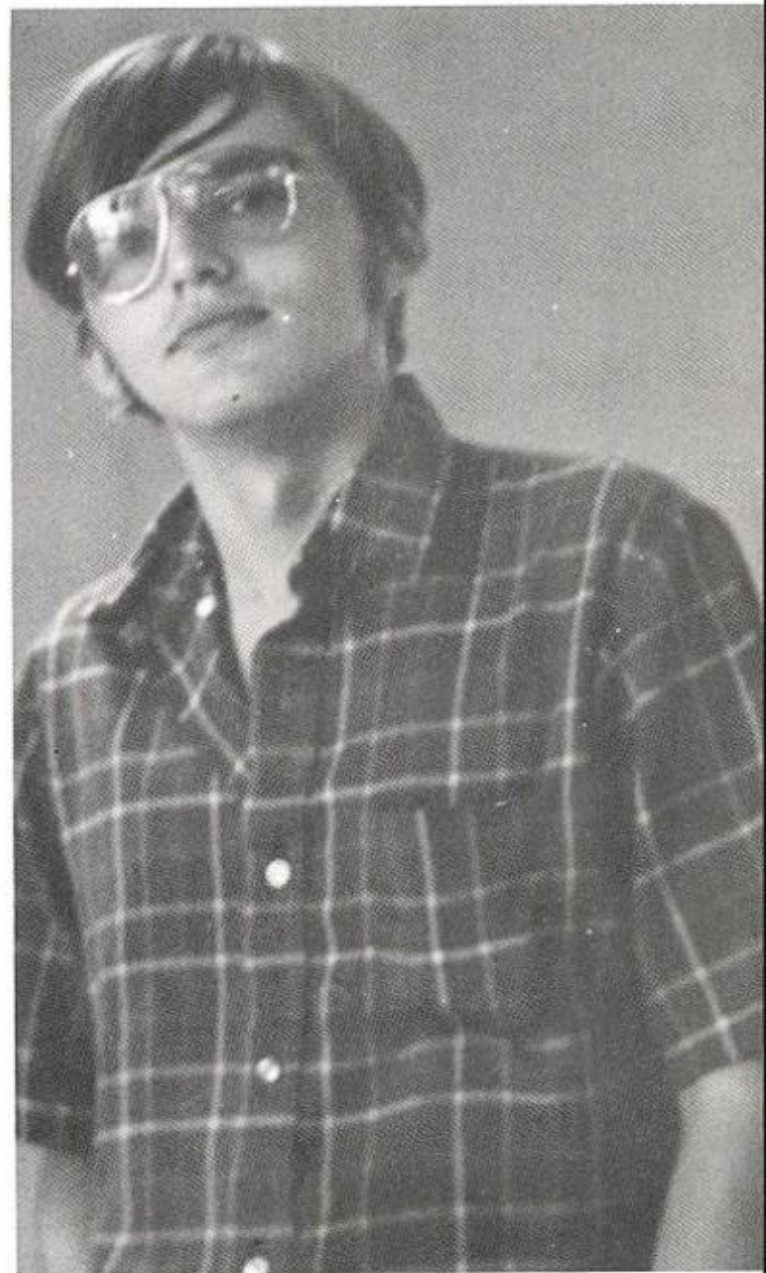

"That pay check sure goes fast!"

Students + teachers + smiles = Raider personality.

You really feel like a senior when you order your cap and gown.

"Well, I'm glad *you* think it's funny!"

February 26 marked the day for 37 new members to be initiated into the National Honor Society. With parents, friends, and faculty watching, these students went through a candlelight ceremony. Each National Honor Society officer explained the basis on which the organization stands — Character, Scholarship, Leadership, and Service. Mr. Glidden announced the initiates' names as they were escorted by other National Honor Society members to the altar to be pinned. Following the ceremony a reception was held in the cafeteria honoring the initiates and their parents.

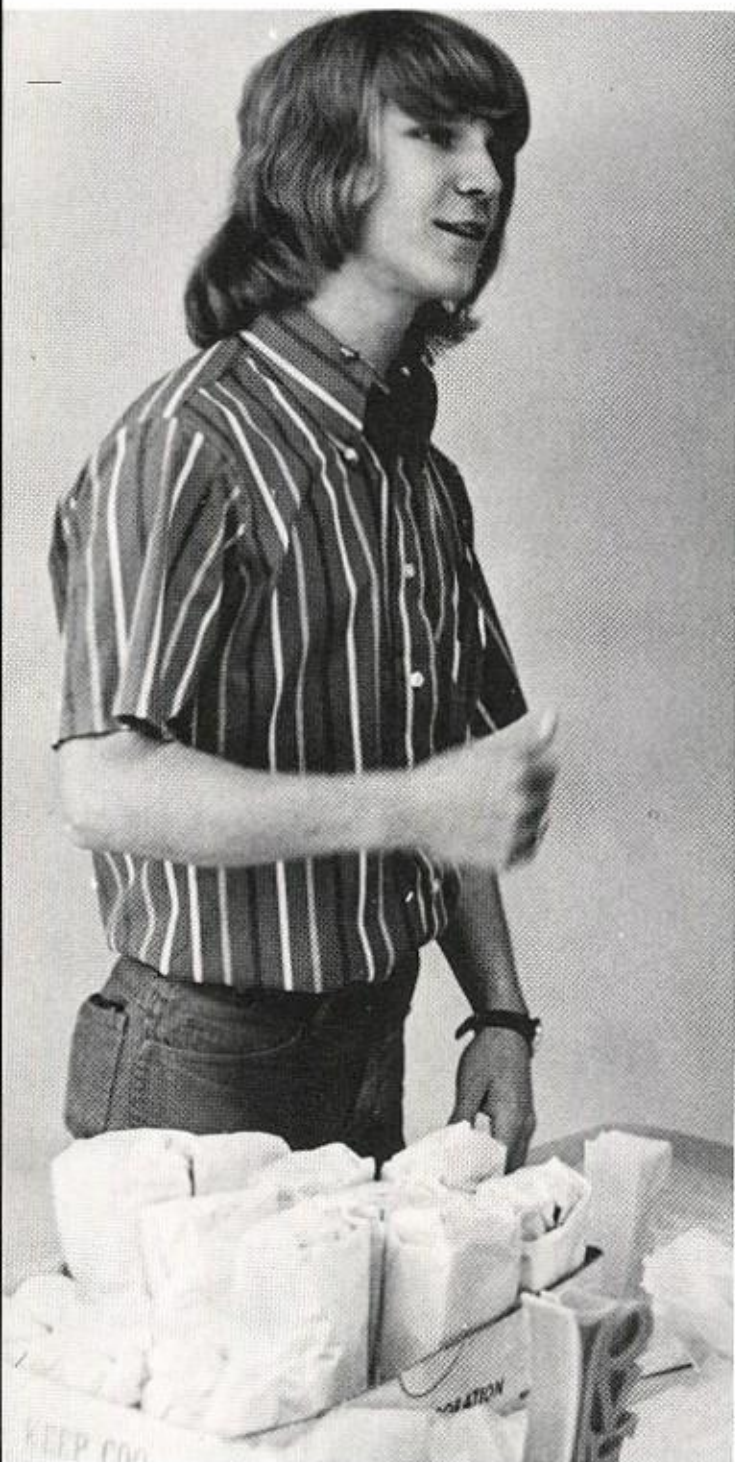

Patent leathers were definitely "in" this year for roundballers.

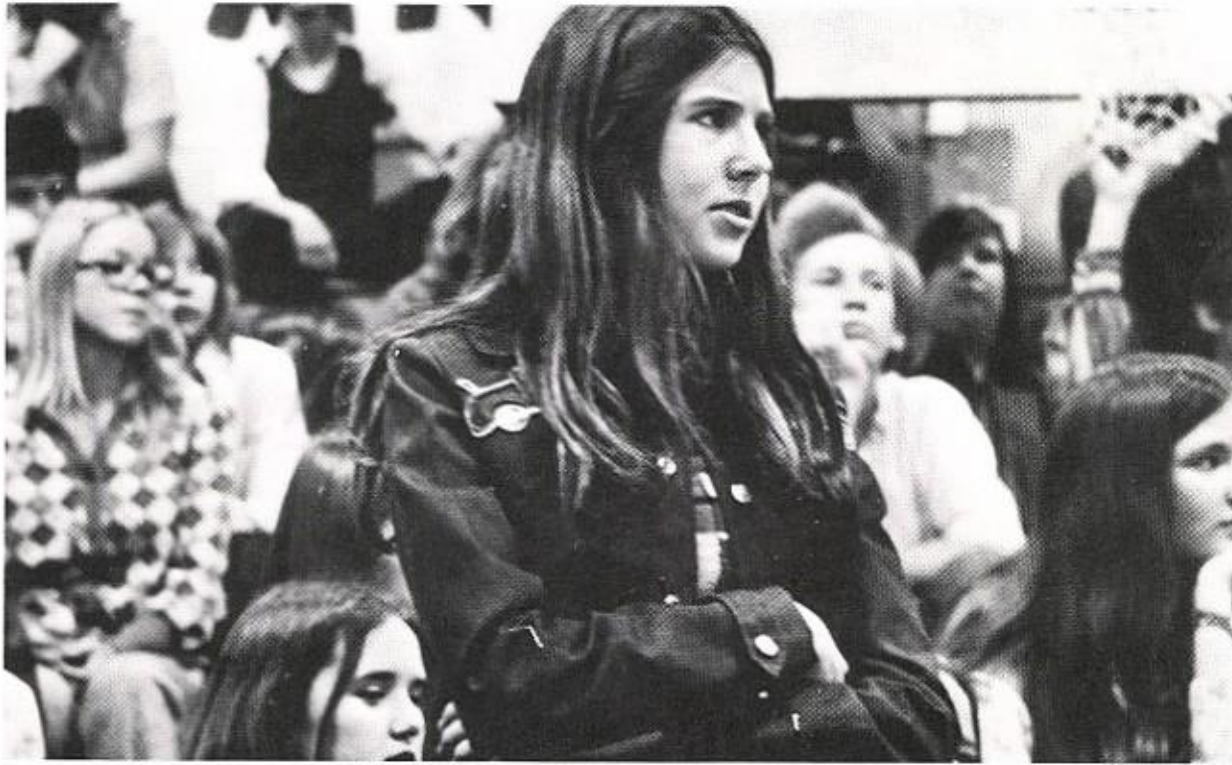

"I wonder if he's got anything in his notes that I don't have in mine??"

"Well, step right up, little lady, and get these candles at a fantastic bargain!"

"Three Muskateers" isn't always a candy bar!

"What's the deal?!"

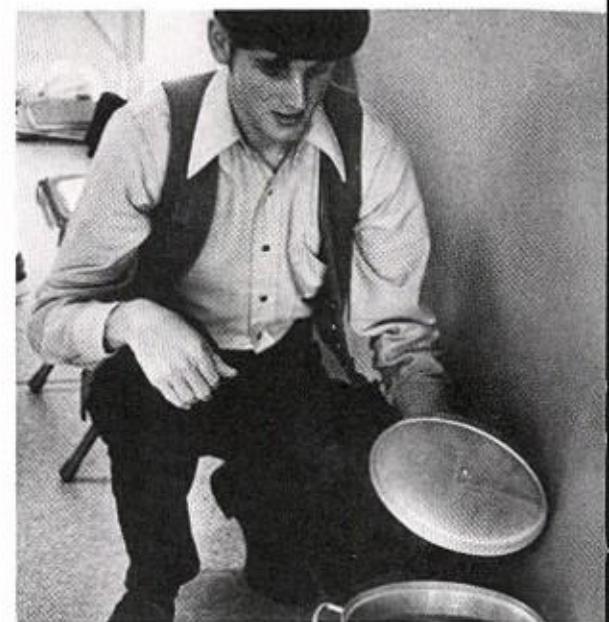

"Hey I wonder if she is the new girl?"

"I sure hope this isn't the chemical remover that looks like soap."

"Wonder if she knows I saw that?"

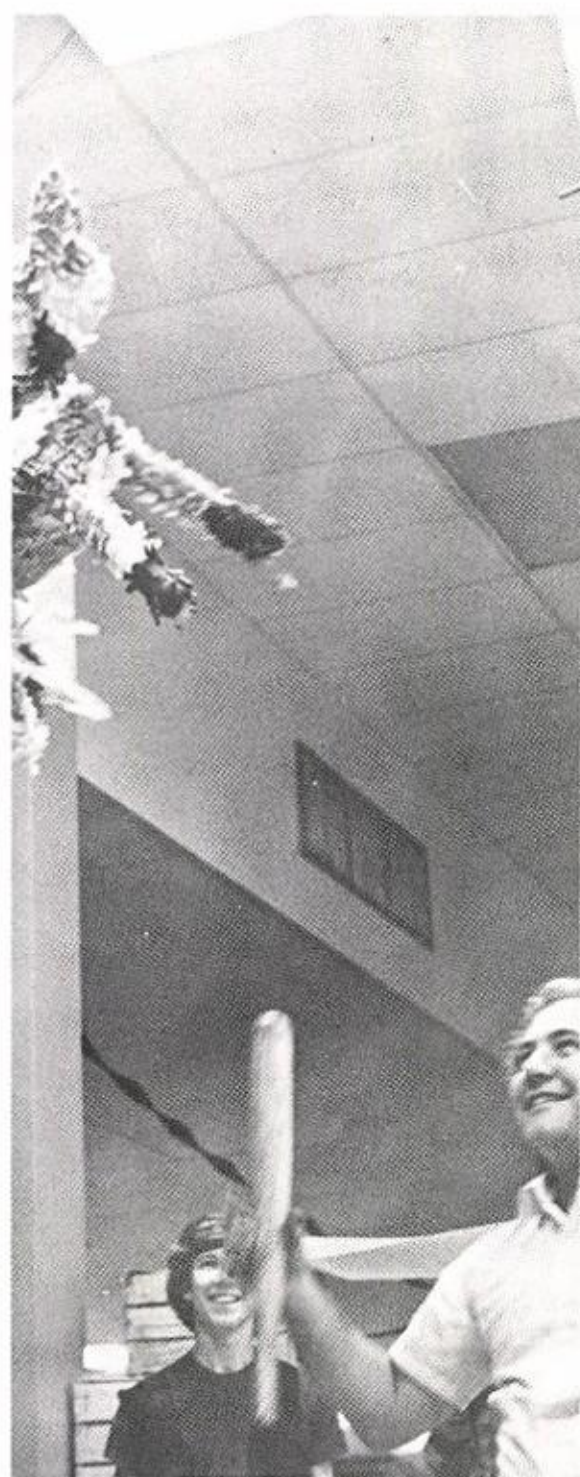

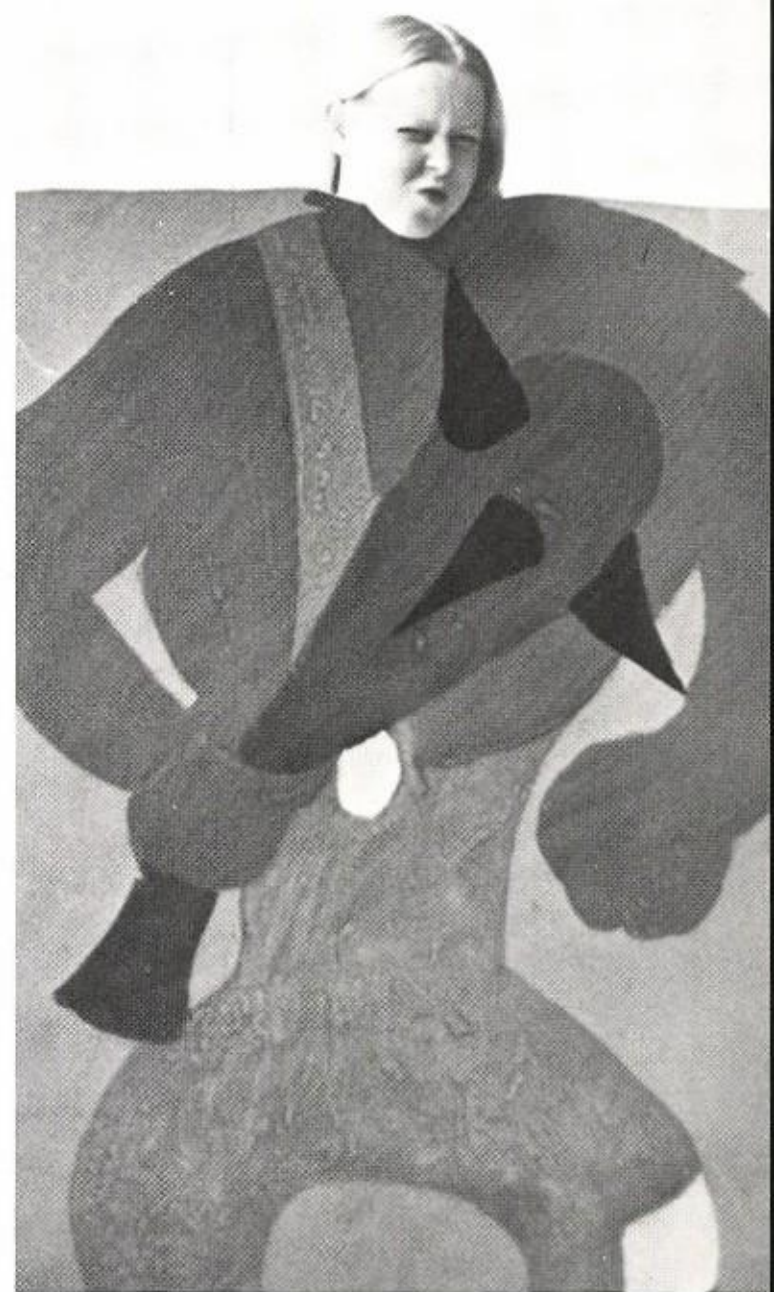

With their very own Gestapo, the German club kept everyone running with such activities as the sponge throwing contest and the root beer guzzling contest. For hungry Germans, there was Ursty (sausage), Käse (cheese), Brot (bread), Dartoffel Salat (potato salad), and Kuchen (cake). Such items as the German shopping bags, flowers, and baskets, also added to the German Festivity.

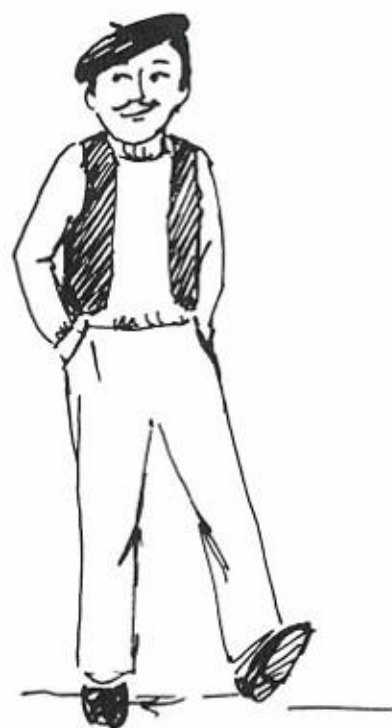

"South of the Border" came to life as the Spanish Club featured nachos, refried beans, dips and sopapillas on Spanish Day. At the carnival they sponsored a quicky-divorce booth, piñata, and bull fight. Mexican music was included with a North Garland "Mariachis." Enchiladas, tacos, rice, beans, nachos, and pralines added to the sales for the club along with "God's eyes."

French Day of International Week began at break with French pastries, chocolate logs, sandwiches, quiche, and cake squares. To add to their money-making projects, the French Club sold stuffed pillows and frogs at the carnival held at the school. They also sponsored a cake walk, marriage booth, and spook house. The highlights of the nightlife of Paris came to life in the French talent show featuring an atmosphere of the celebrated "Moulin Rouge" nightclub. Can-can girls, songs, and a "strip tease" were some of the entertainment specialties.

A "dunk of victory" for a proud coach.

"My wife will just love it if this cartridge breaks!"

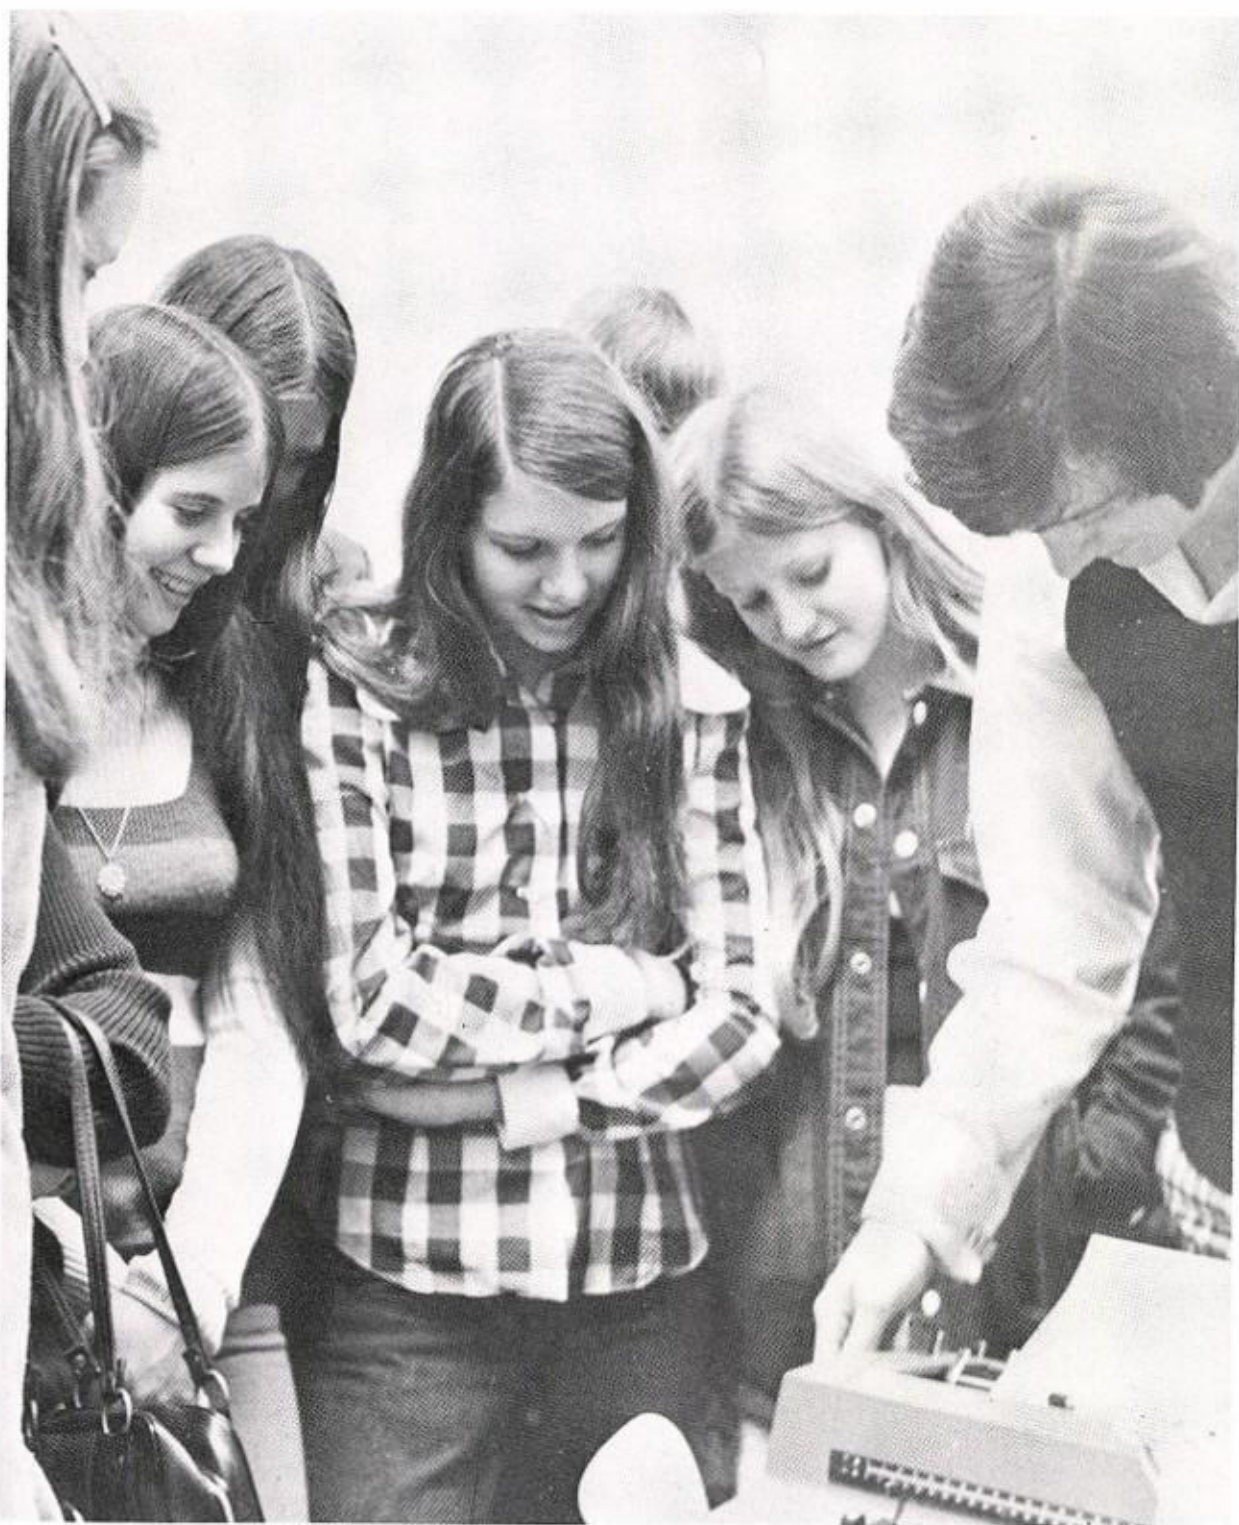

A penny for your thoughts.

One wrong twist and things could get shocking!

Miss Molly and Mr. Cool.

"And this little knob turns the black roller so the paper will go in."

Come out, come out wherever you are!

*Tears, idle tears, I know not what they mean,
Tears from the depth of some divine despair,
Rise in the heart and gather in the eyes,
In looking on the happy autumn fields
And thinking of the days that are no more.*

He may be cute, but his eyes are definitely somewhere else.

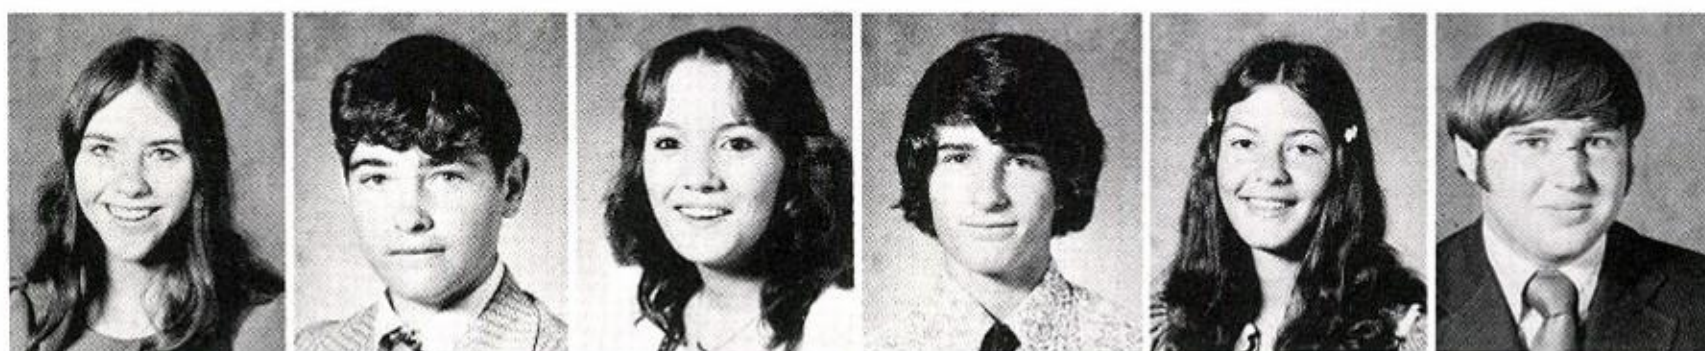

Let us remember the excitement of a united spirit,
the challenge of knowledge, the warmth of a smile,
and the endless march of Time itself.
Let us remember what we have learned and let us
learn from what we remember.

The mighty Raiders take the field.

Adrian Tawney (75) and Chris Lyons (50) close in fast to block the punt.

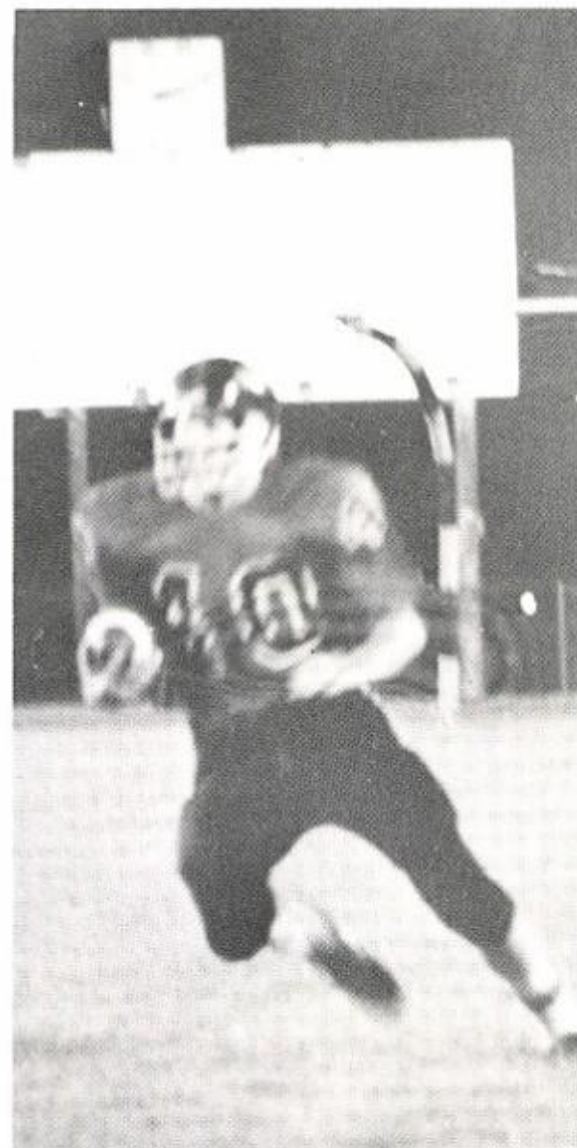

Billy Adams sits on the bench against Grapevine with a knee injury that would plague him all season long.

In the first test of the new year, the North Garland Raiders proved to be a powerhouse against the Mustangs of Grapevine. A strong defensive effort was combined with a potent offense to produce a scoring extravaganza.

Billy Adams got the scoring started with a 23 yard quarterback keeper around left end. The next score came on a 54 yard bomb from Adams to Rick DelOlmo. The Mustangs' deepest threat came in the second quarter when they reached our 22 yard line before the defense stiffened and caused a turnover.

Billy Don Hooks was the workhorse for the offense gaining 111 yards and scoring two touchdowns. The defense, which held the Mustangs to -8 yards rushing, was highlighted by the work of nose guard Wayne Scruggs. Final score, 41-0.

What the visiting teams dreaded — Billy Don Hooks in the open.

The Leopards of Adamson faced North Garland next and the strength of the Raiders came through again. With Steve Himmelreich at the helm, the offensive line of Chris Lyons, Adrian Tawny, Chris Clark, Bobby Meals, and Alan Oakley opened the way for 220 yds. on the ground. Just before half-time, with 5 seconds left on the clock, Himmelreich connected with Bobby Lane in the corner to give the Raiders a commanding 14-0 lead. The second half proved to be a defensive battle with the lone score coming on a one yard plunge by Billy Don Hooks. Final score, 20-0.

Next in line were the fleet-footed 4-A Trojans of Trinity. Their scamp-ering backfield proved to be too much for the Raiders as they scored on runs of 63, 65, and 81 yds. The lone Raider score came on a 13 yd. pass from Steve Himmelreich to Bobby Lane in the corner. Another Raider highlight occurred when Jim Anderton blocked a Trojan punt but the Raiders couldn't pull it out. Final score, 7-35.

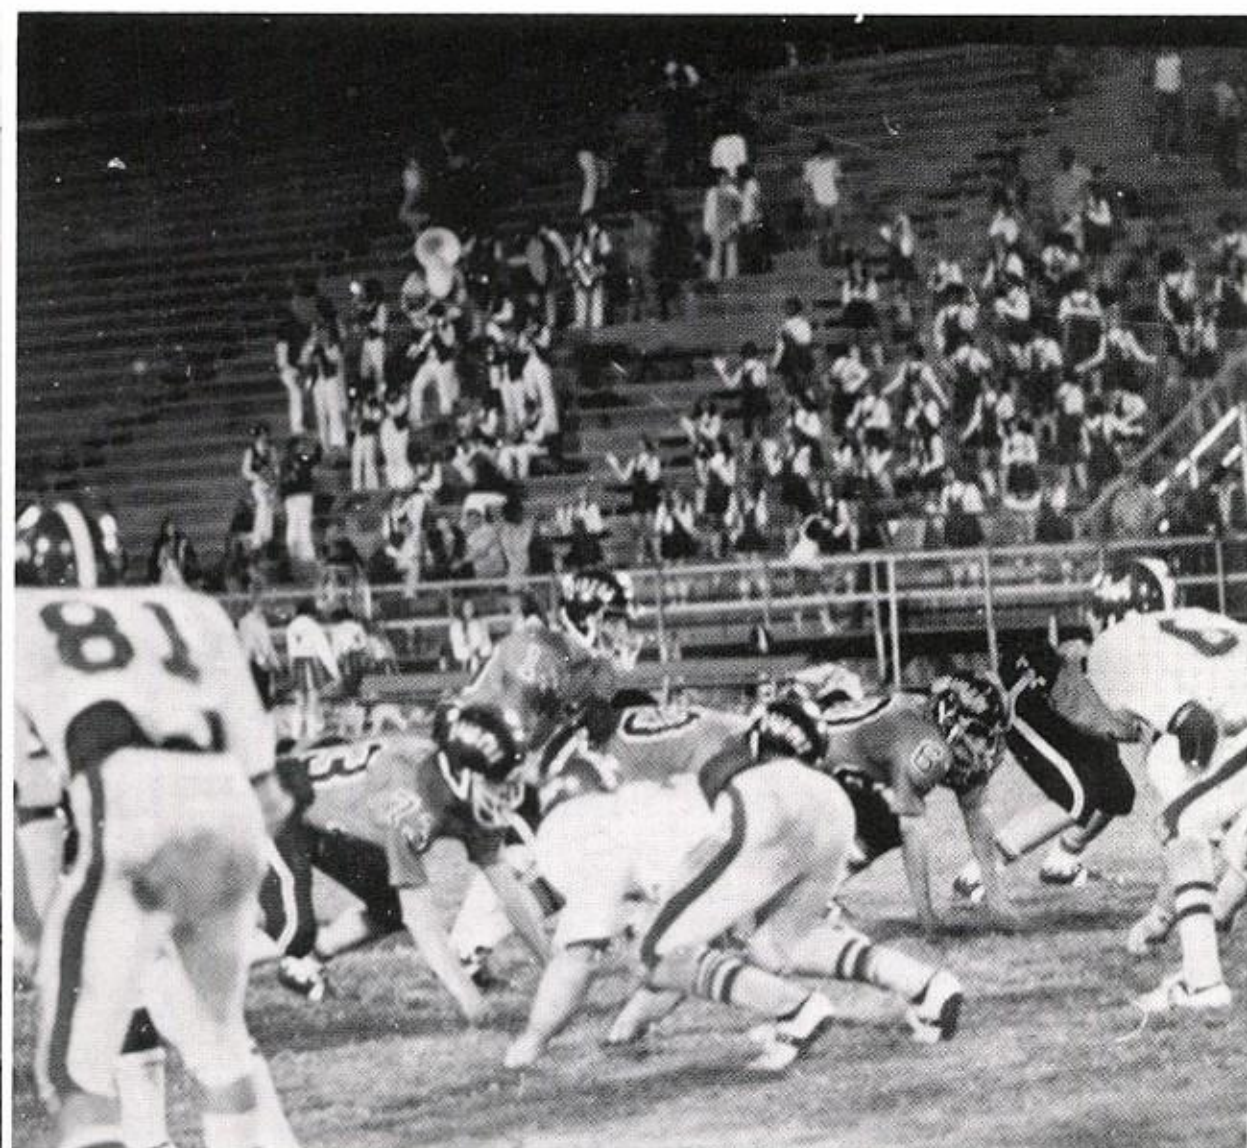

The District 6-AAA opener came next as the Raiders went to Gainesville on a cold and rainy night. The handle was hard to find as the Raiders fumbled five times within 20 yds. of Gainesville's goal line. With Billy Adams playing on one leg and the Leopard defense keying on Billy Don Hooks, the Raider offense could muster no points. The defense provided the only excitement causing 5 Gainesville turnovers. Jim Anderton was the outstanding player of the game for North Garland recovering 3 fumbles, making one interception, and making at least a dozen tackles. Final score, 0-17.

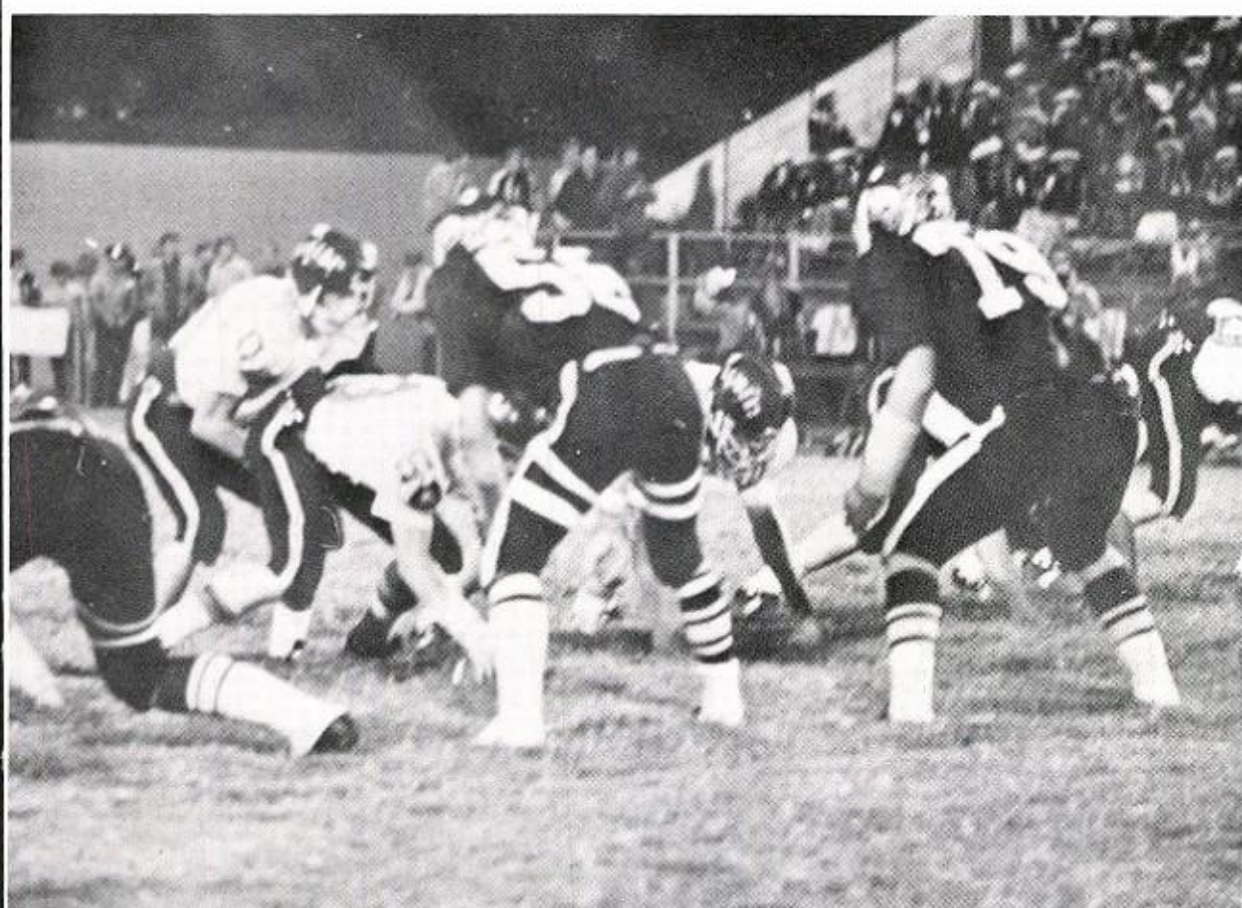

Coach Hacker watches intently from the sidelines.

The Raider defense stands ready to pounce.

Bobby Nall calls the signals against Adamson.

Lewisville digs in as Steve Himmelreich leads the Raider offense.

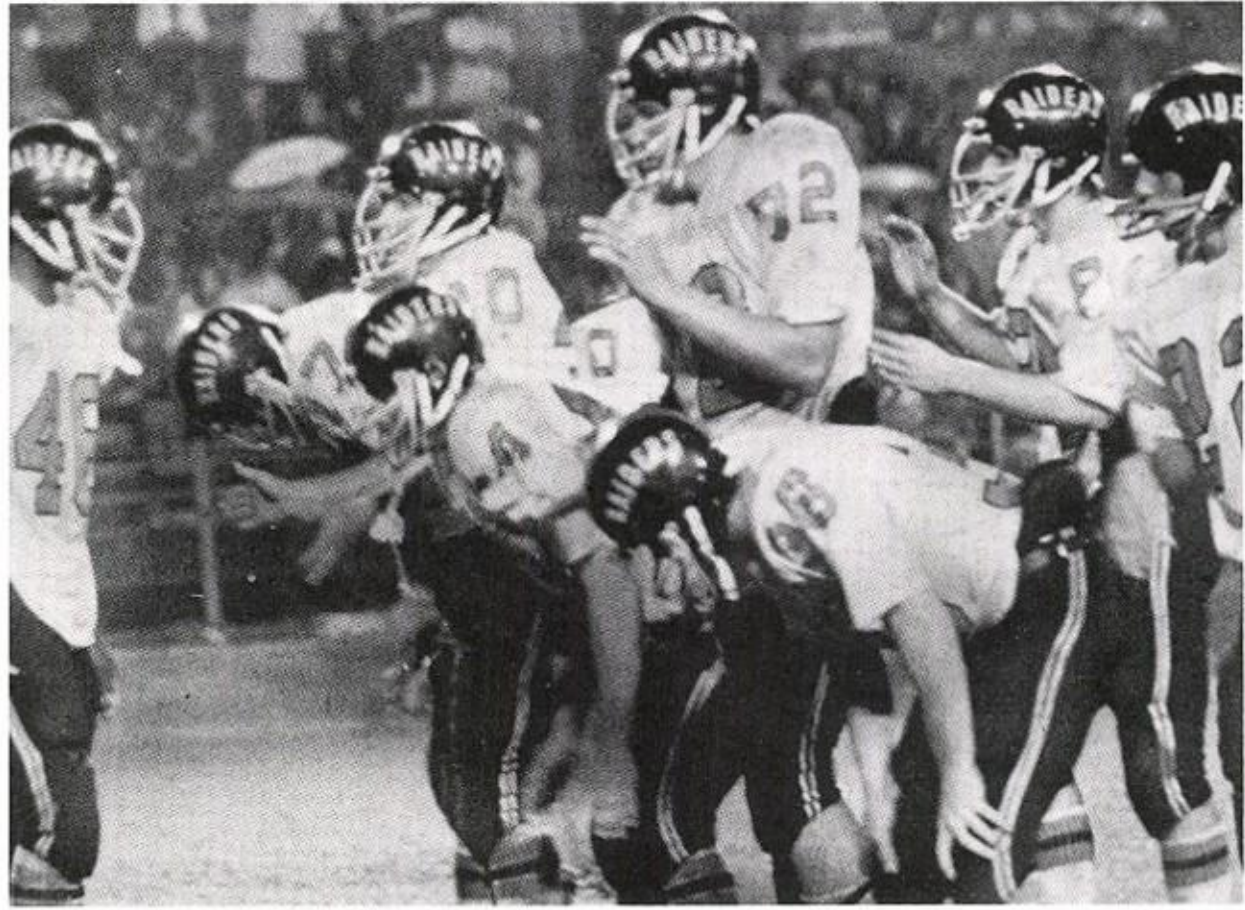

The Raiders faced the McKinney Lions next and again it was a soggy, fumble-filled battle. Impressively, the Raiders drove to the Lion 8 yd. line after Bobby Burns returned the opening kick-off for good field position. Running out of the power-I in a new offensive formation, the Raiders looked tough. However, fumbilitis came back to haunt us as we fumbled the ball at the 8 yd. line. The Lions had no easy task, though, as the Raiders held them scoreless in the first half thanks to a fumble recovery in the end zone by Jim Lynch. The Lions came on strong in the second half to score two touchdowns behind the running of quarterback Eddie Simms and fullback Anthony Perry. Final score, 0-12.

Another Raider score as the Raiders shut-out Adamson.

With Steve Himmelreich holding, Billy Don Hooks kicks a point after touchdown.

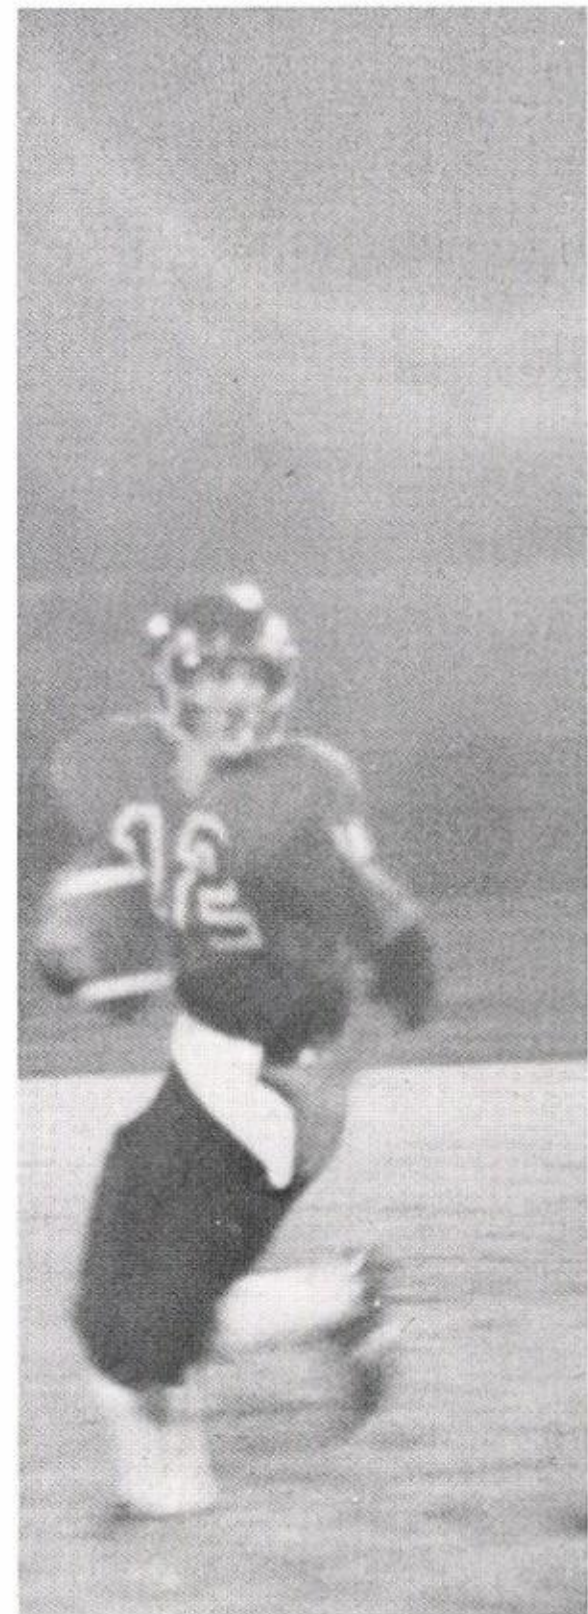

Mike Paris (46) tells it like it is.

The Raiders went to Lewisville next to play the district-leading Farmers. Without the scoreboard, it would have been hard to tell who won. Behind good blocking, Steve Himmelreich and Billy Don Hooks led the offensive attack gaining 45 and 101 yds. respectively. The first Raider score came when Jackie Rhine broke open for a 21 yd. touchdown run. Hooks scored the last two touchdowns on 1 and 3 yd. runs. The Raider defense was able to contain All-Stater Paul Rice but were hurt by his counterpart, Mike Nichols. Final Score, 18-40.

The Raiders faced the Warriors of South Grand Prairie in Williams Stadium in what was supposed to be a toss-up game. New starter Bobby Nall led the offense to 15 points, running for one touchdown himself. Passes to David Greer, Bobby Lane, and Rick DeLomo provided good yardage but they were not enough to outdo the Warriors. The Warriors came close to 300 yds. rushing behind the power of David Carter and Mitch Cantrell. The number of plays each team had reflected the outcome as the Warriors had 71 versus the Raiders 46 plays. Final score, 15-30.

The Raiders then met their strongest rival, the Berkner Rams. Bobby Nall started at quarterback and looked much improved hitting 4 out of 7 passes. Bobby Lane was his main target hauling in 3 receptions for 55 yds. Lane's consistency helped sustain the drives that enabled the Raiders to control the game. Tim Griffin ran well at the fullback position gaining 49 yds. on 10 carries. Scott Craft was named as the outstanding offensive lineman for his work in the pit. Defensively, the Raiders were outstanding in keeping the Rams from scoring any touchdowns. Mark Hooper and Jackie Rhine continually invaded the Berkner backfield to cause bad losses. Steve Clifford and Jim Anderton provided good back-up in the defensive secondary. Enthusiasm was apparent throughout the game and when time ran out, things went wild. Final score, 7-3.

The Raiders moved to DeSoto to take on the Eagles in non-district competition. Billy Don Hooks made it look easy as he ran for 180 yds. and scored 2 touchdowns. Bobby Hill looked impressive in running a punt back for 76 yds. and a kick-off back for 82 yds. and a touchdown. Bobby Lane made some clutch catches on fourth down to provide for two Raider scores. The Raider defense provided many highlights as they held DeSoto to 30 yds. on the ground. Steve Clifford picked off two Eagle aerals, running one back for a touchdown. There were numerous outstanding defensive players including Jim Anderton, Mike Paris, Bobby Burns, and David Greer. The combined offensive and defensive effort provided for 662 total yds. and 47 points, both new Raider records. Final score, 47-6.

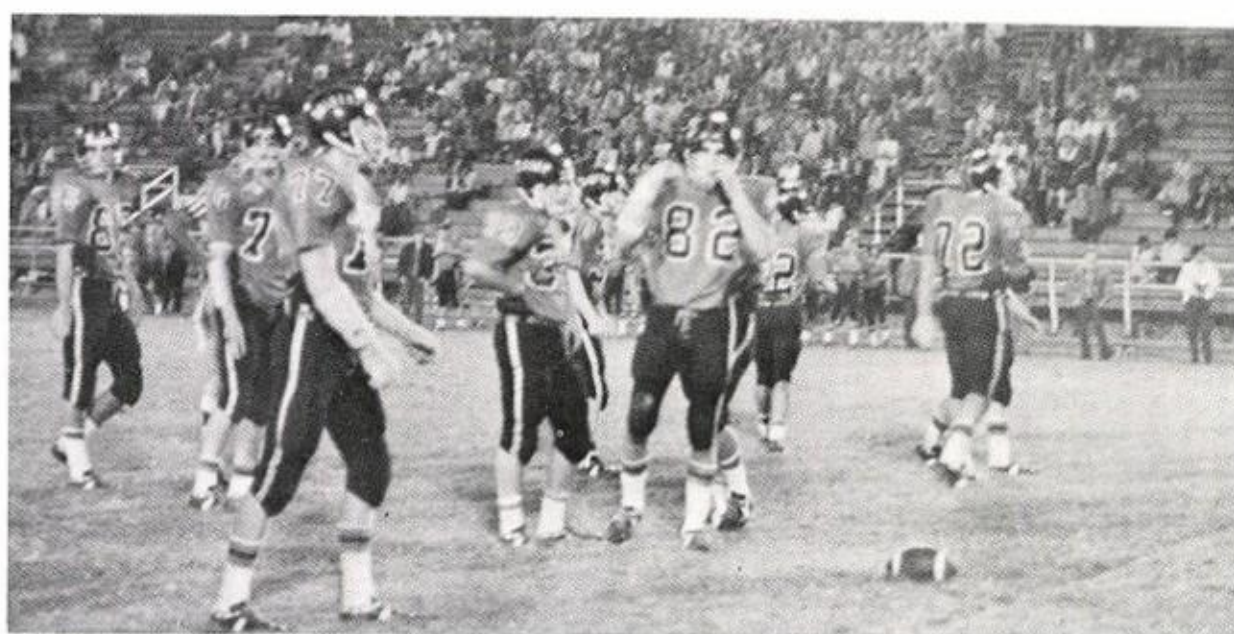

Bobby Nall displayed good potential all season long, especially in passing.

The Purple Warriors of Bonham came to Williams Stadium for the Raiders last district game. It was North Garland's first homecoming game and the Raiders gave the ex's a good show. After two offensive drives were stalled, Billy Don Hooks went to work and didn't stop till he hit paydirt. The drive ended with a 34 yard jaunt by Hooks. Louie Caney's extra point ended the first-half scoring. Hooks began the second-half scoring on a six yard touchdown run.

The Raider defense consistently stopped Bonham's

drives. Wayne Scruggs highlighted the defensive effort as he ran a Warrior fumble in for a touchdown. Bonham came back strong behind the running of Willie Phea but it was too little too late. The Raider statistics looked impressive as they fumbled only once and were called for only one penalty.

Superb ball control gave the Raiders the time to construct impressive drives and allowed Billy Don Hooks to break 1000 yards. Final score, 21-6.

The tough Raider defense consistently stalled opponents drives during the season.

Tim Griffin (30) gets buried after making an interception.

Coach Burch lets his Raiders know what he wants.

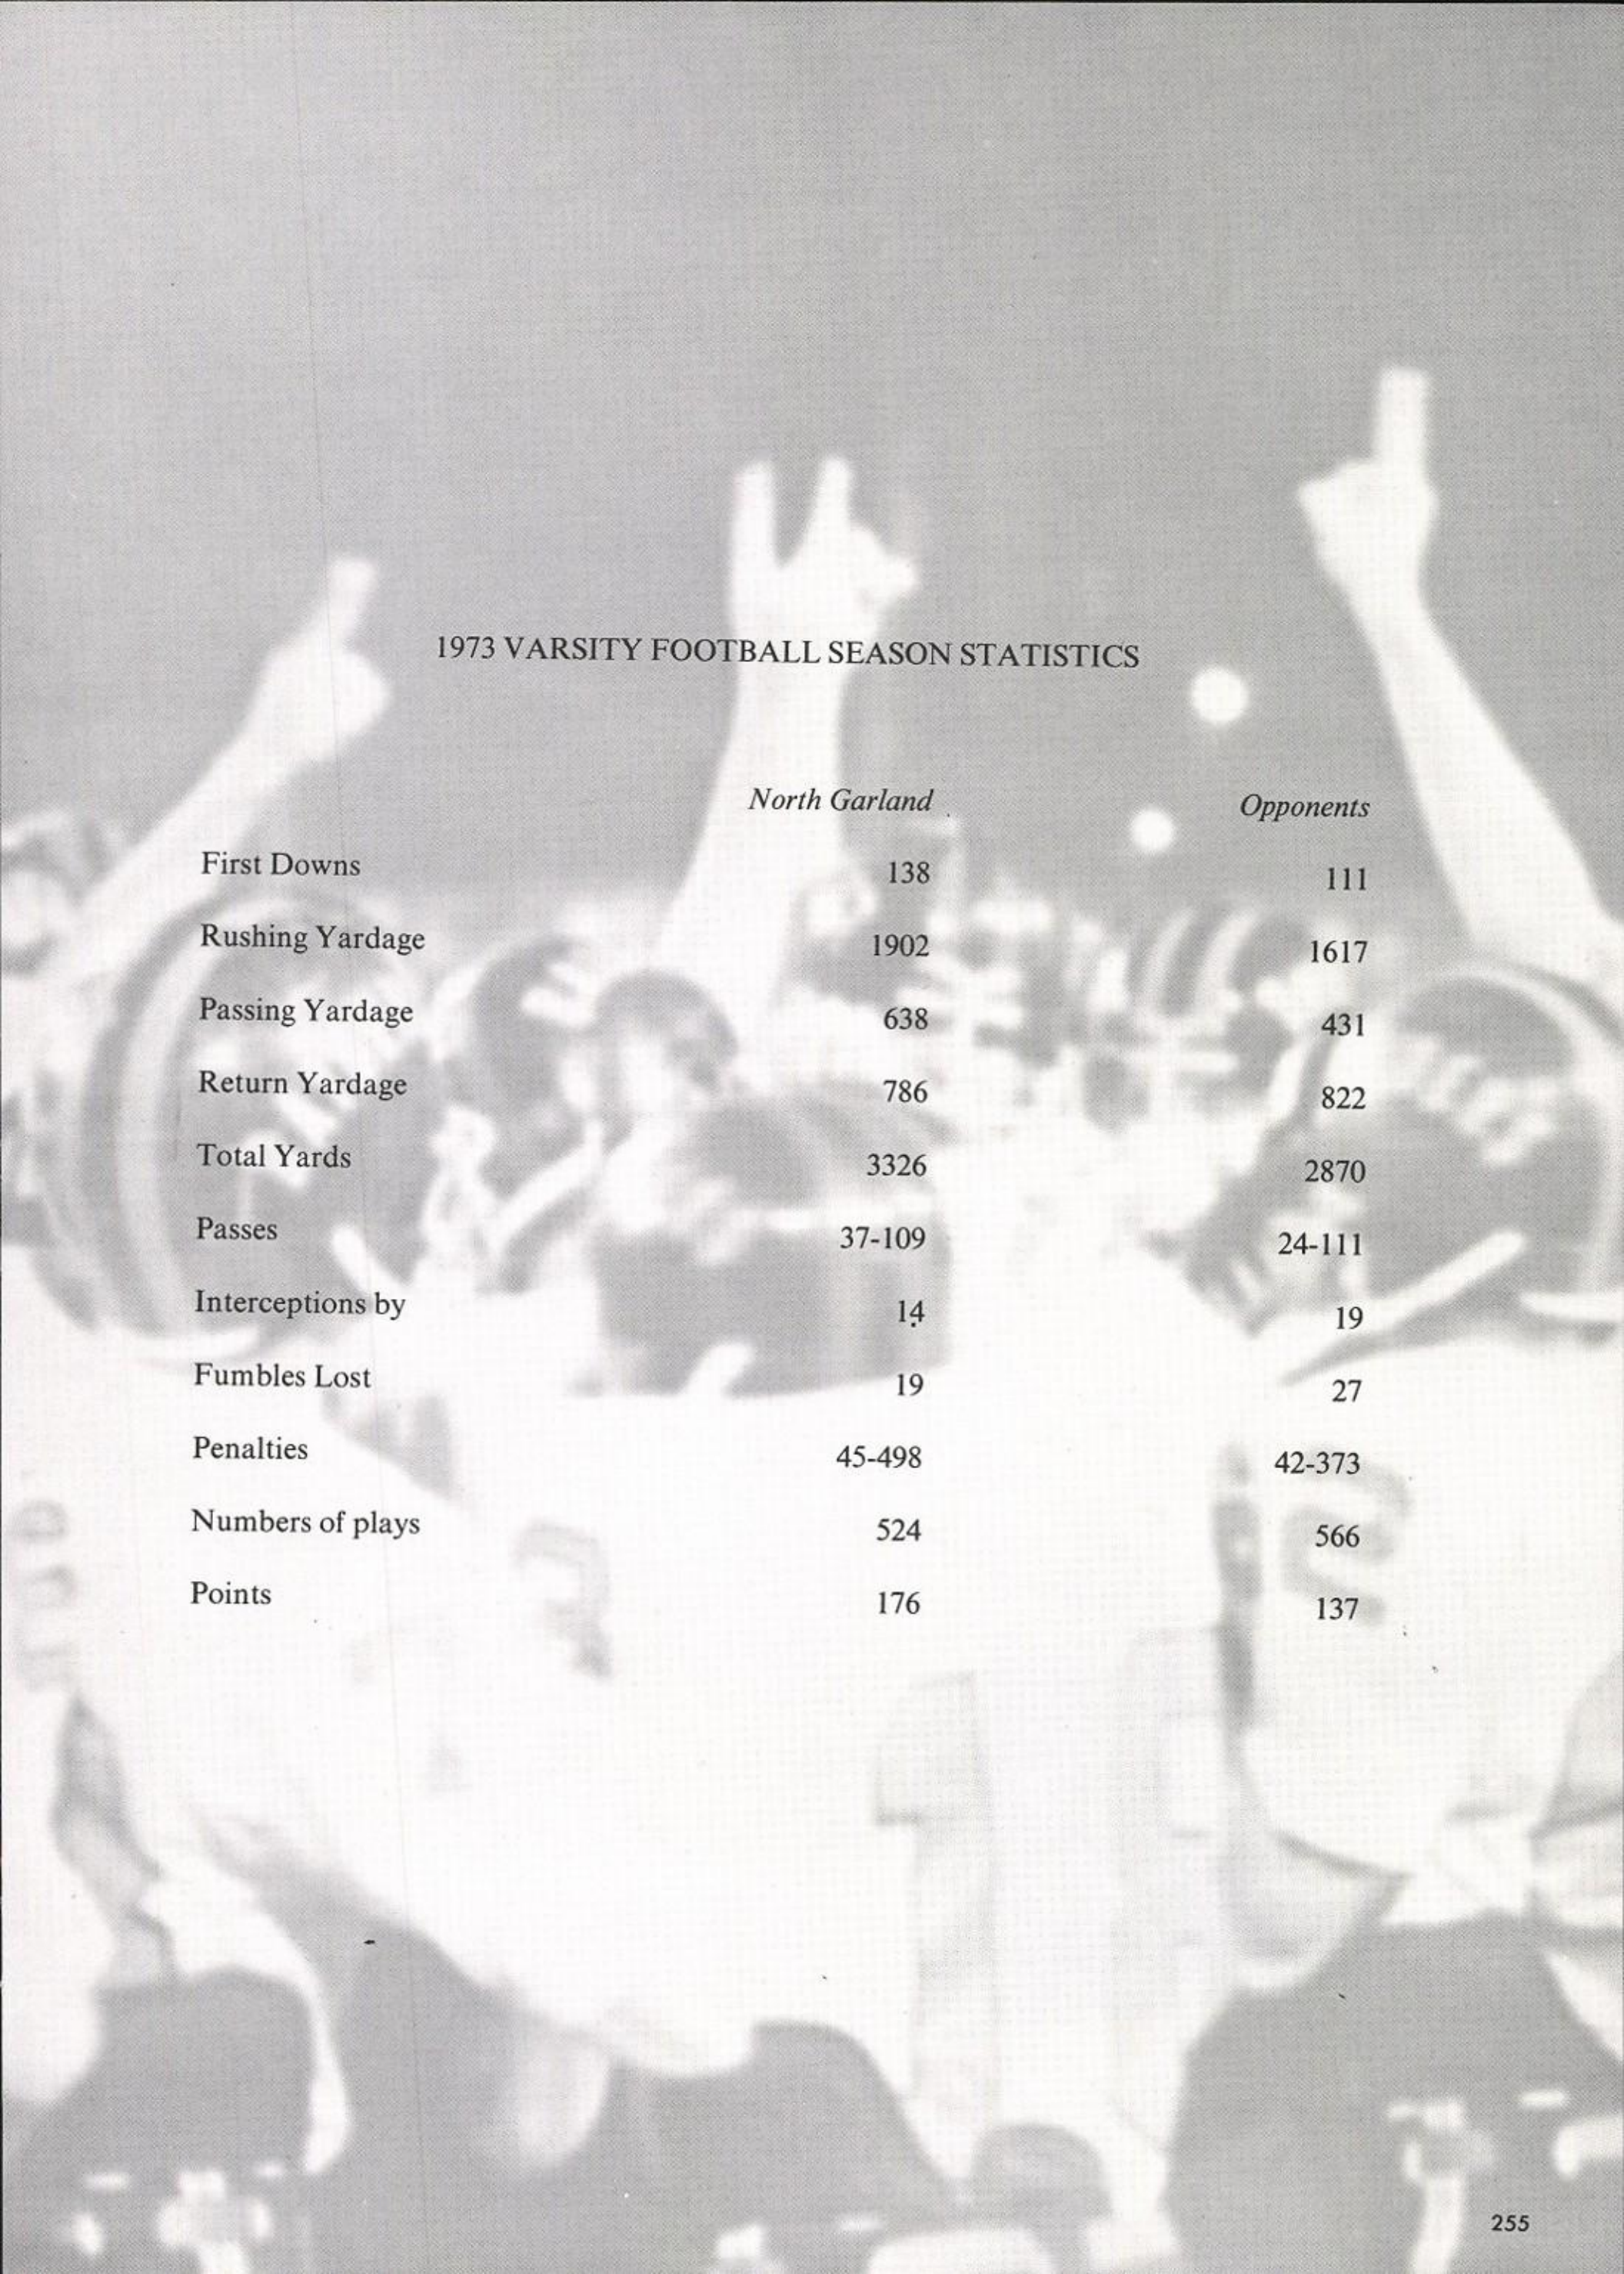

The Raiders ended up in fourth place in District 6-AAA with a 2-4 district record and a season record of 5-5. The spirit and enthusiasm of the players, the coaches, the cheerleaders, the drill teams, and the fans were evident in the District 6-AAA Sportsmanship Award which was awarded to North Garland. The Raiders had nine players who received 6-AAA All-District Honors. Offensively, Alan Oakley, Scott Craft, and Billy Don Hooks made First Team. Chris Lyons and Bobby Lane received Honorable Mention Honors. Defensively, Mark Hooper made First Team, Jim Spence and Jim Anderton made Second Team, and Jackie Rhine received Honorable Mention Honors. The Raiders look forward to future success in a new district next year.

Jay Caton outruns a Grapevine defender.

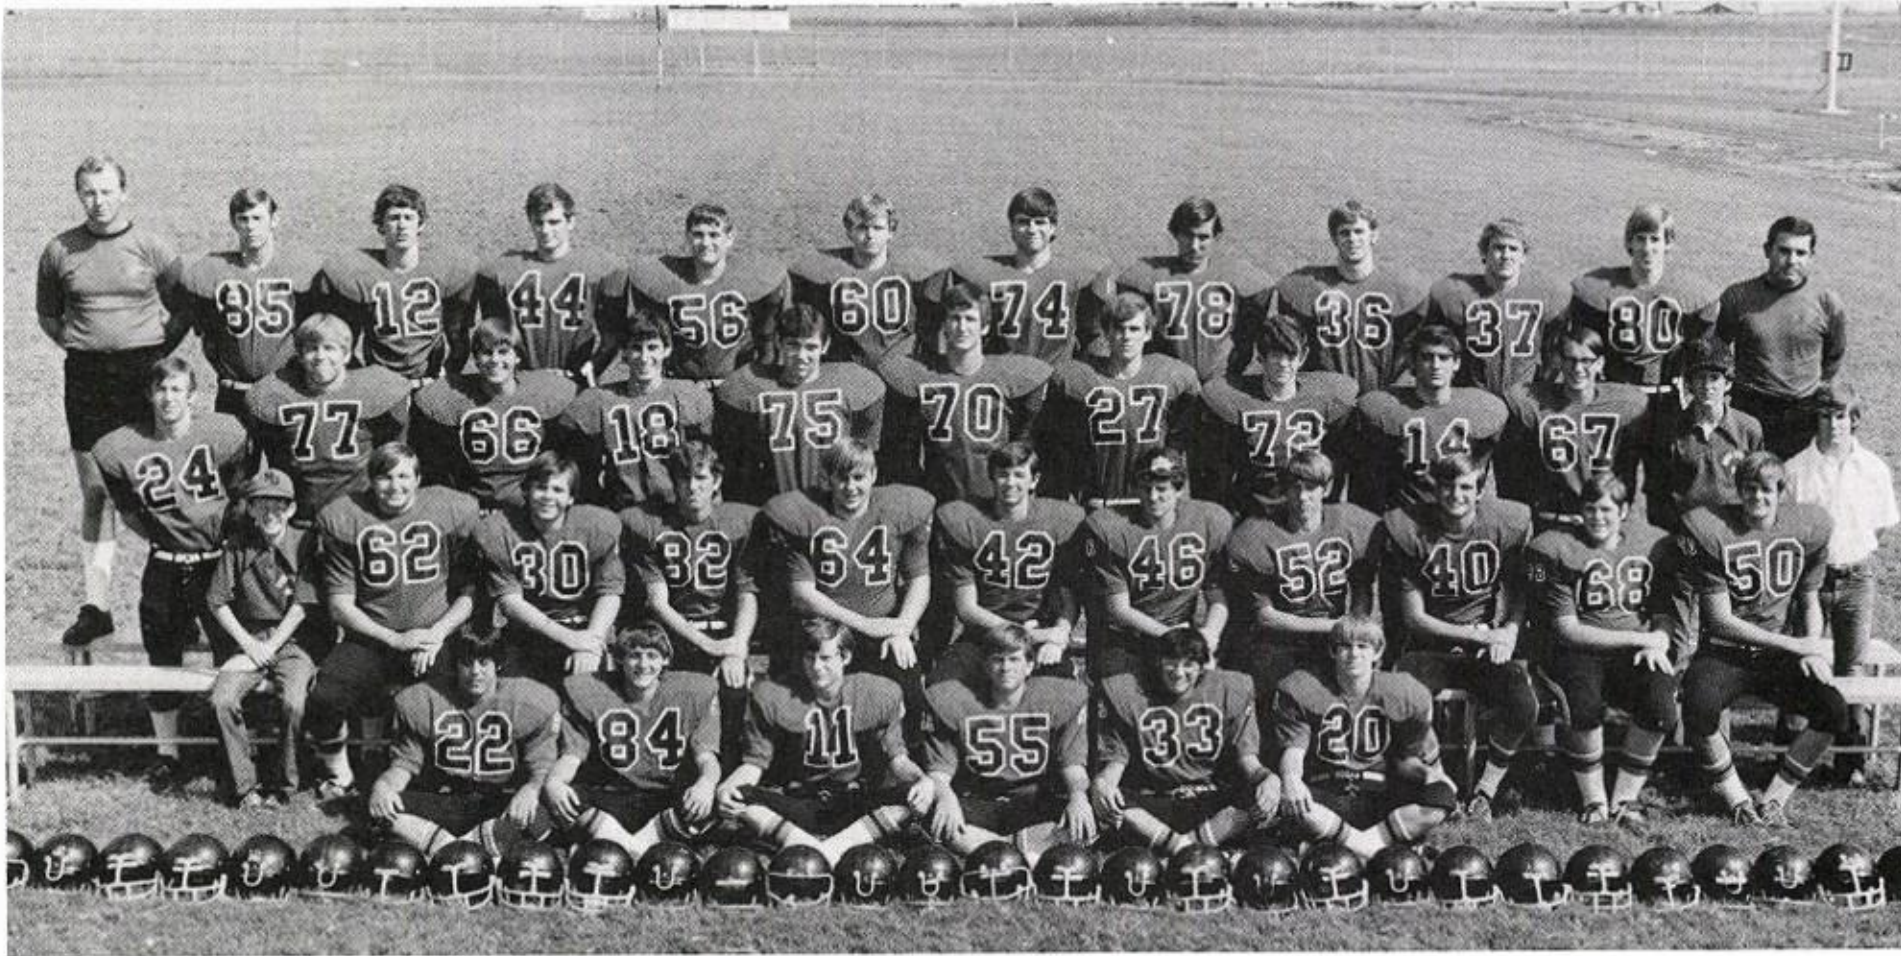

Billy Don Hooks scores again as the Raiders slaughter DeSoto.

The Junior Varsity football team went through ten games undefeated to bring the District 6-AAA Junior Varsity championship to North Garland.

They turned out to be both an offensive and defensive powerhouse as they scored 249 points while limiting the opposition to only 50 points. Coaches Joe Garcia and Chuck Cornett put together a close-knit group that had only one goal — victory. At South Grand Prairie, a fumble recovery in the endzone gave North Garland a 7-0 lead which was never secure until the final 25 seconds when Lee Ferrell ran for a touchdown and a 13-2 victory.

The following week was supposed to be the test of the season as they took on Berkner for the title. But North Garland went to work and did not stop until they demolished Berkner 27-0 and virtually wrapped up the championship. These were only examples of the fine season, but they proved to be the climax of a great season.

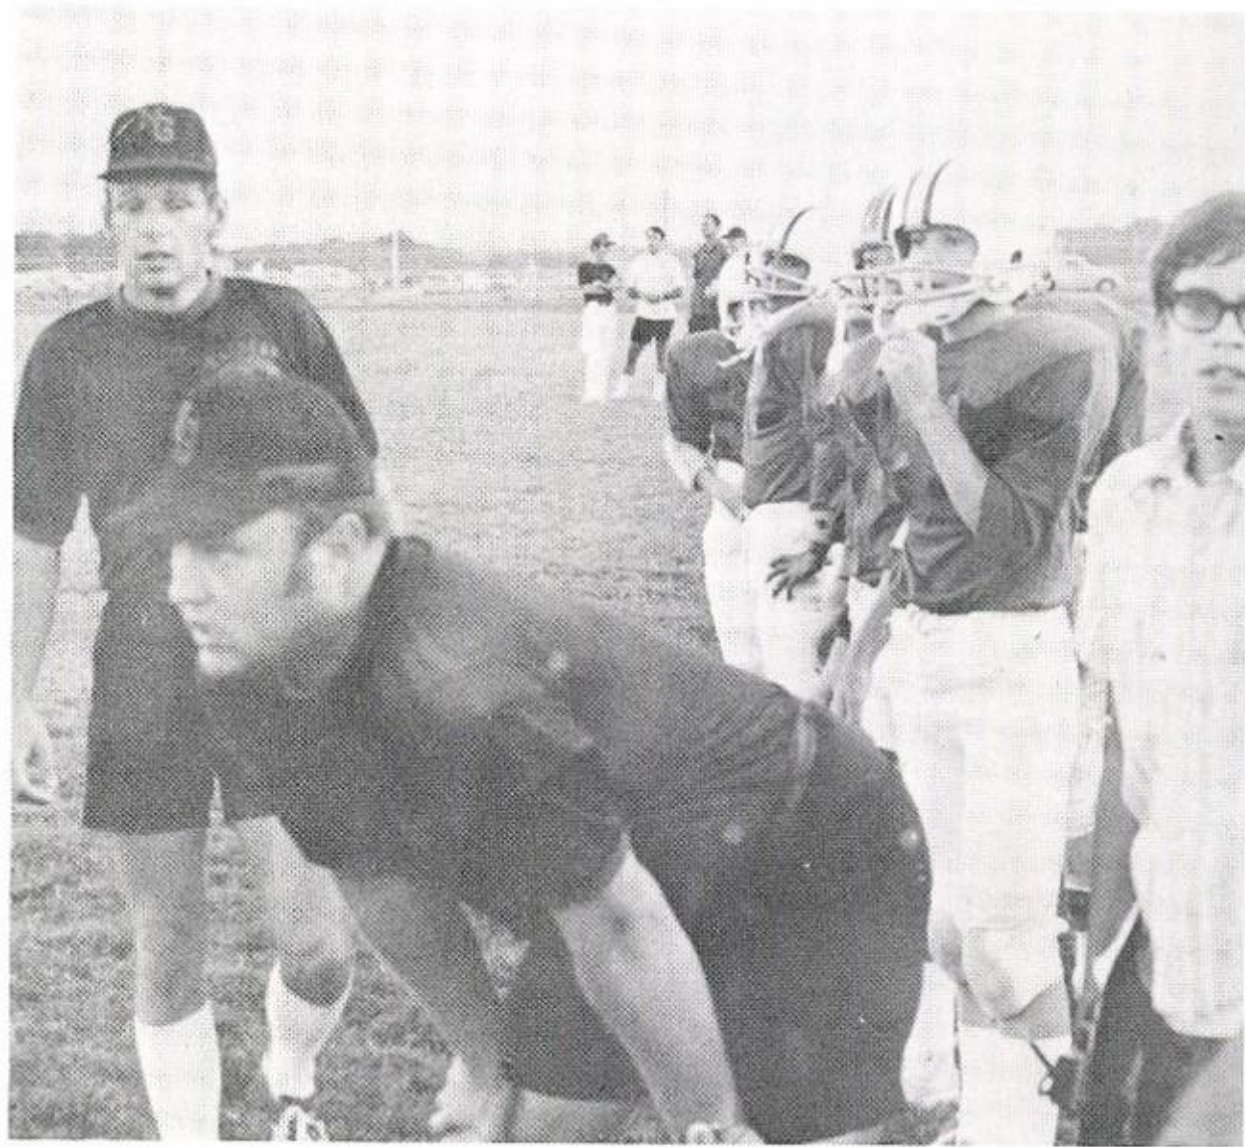

Donny Cobb runs for good yardage against Adamson.

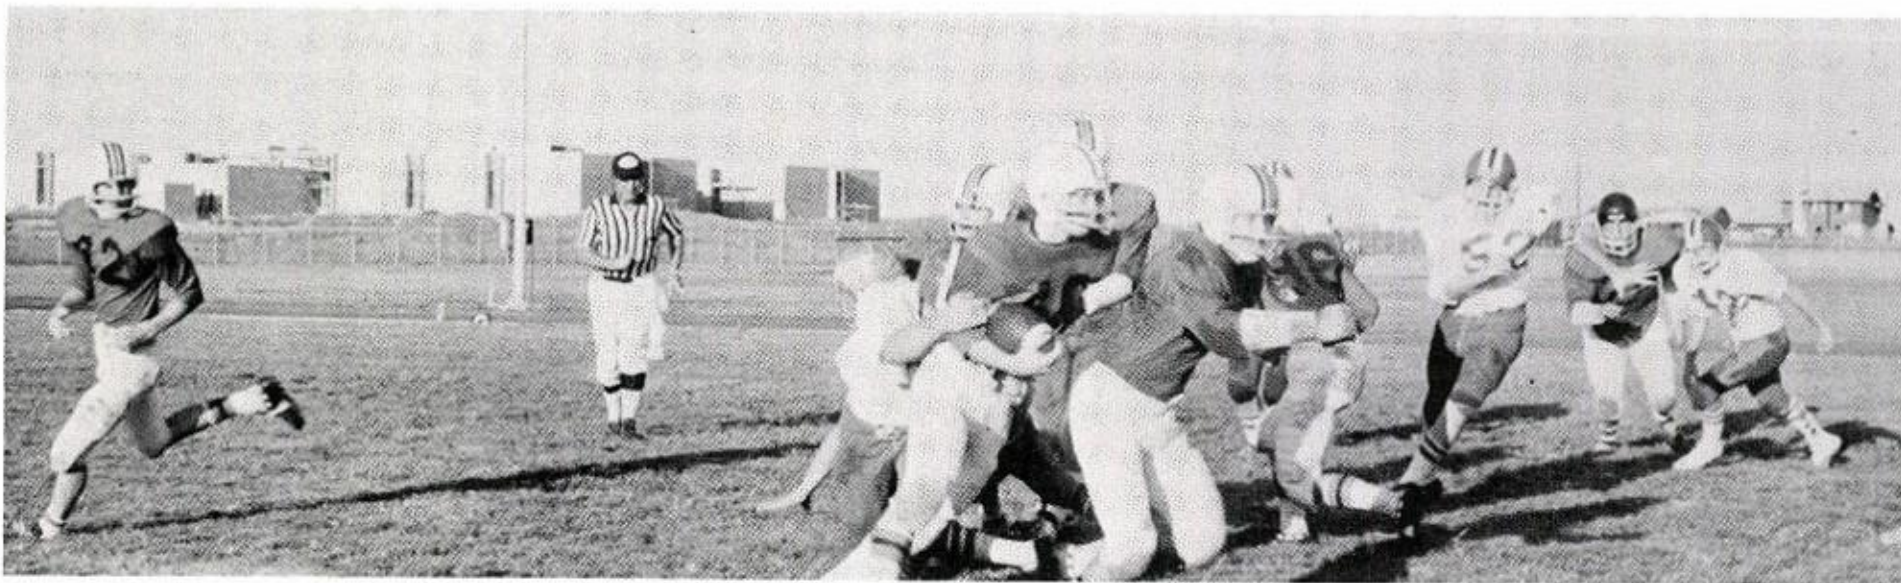

The J.V. defense closes in for the kill.

A strong leader, Coach Garcia led the J.V. to a successful season.

The North Garland Raider Basketball Team had one of the most successful seasons in the history of Garland basketball as they posted a 25-3 record. They achieved the titles of District and Bi-District champs and collected two first place tournament trophies. The Junior Varsity Raiders posted a 14-9 record as they captured second place in district as well as a second place finish in the R. L. Turner "B" Team Tournament.

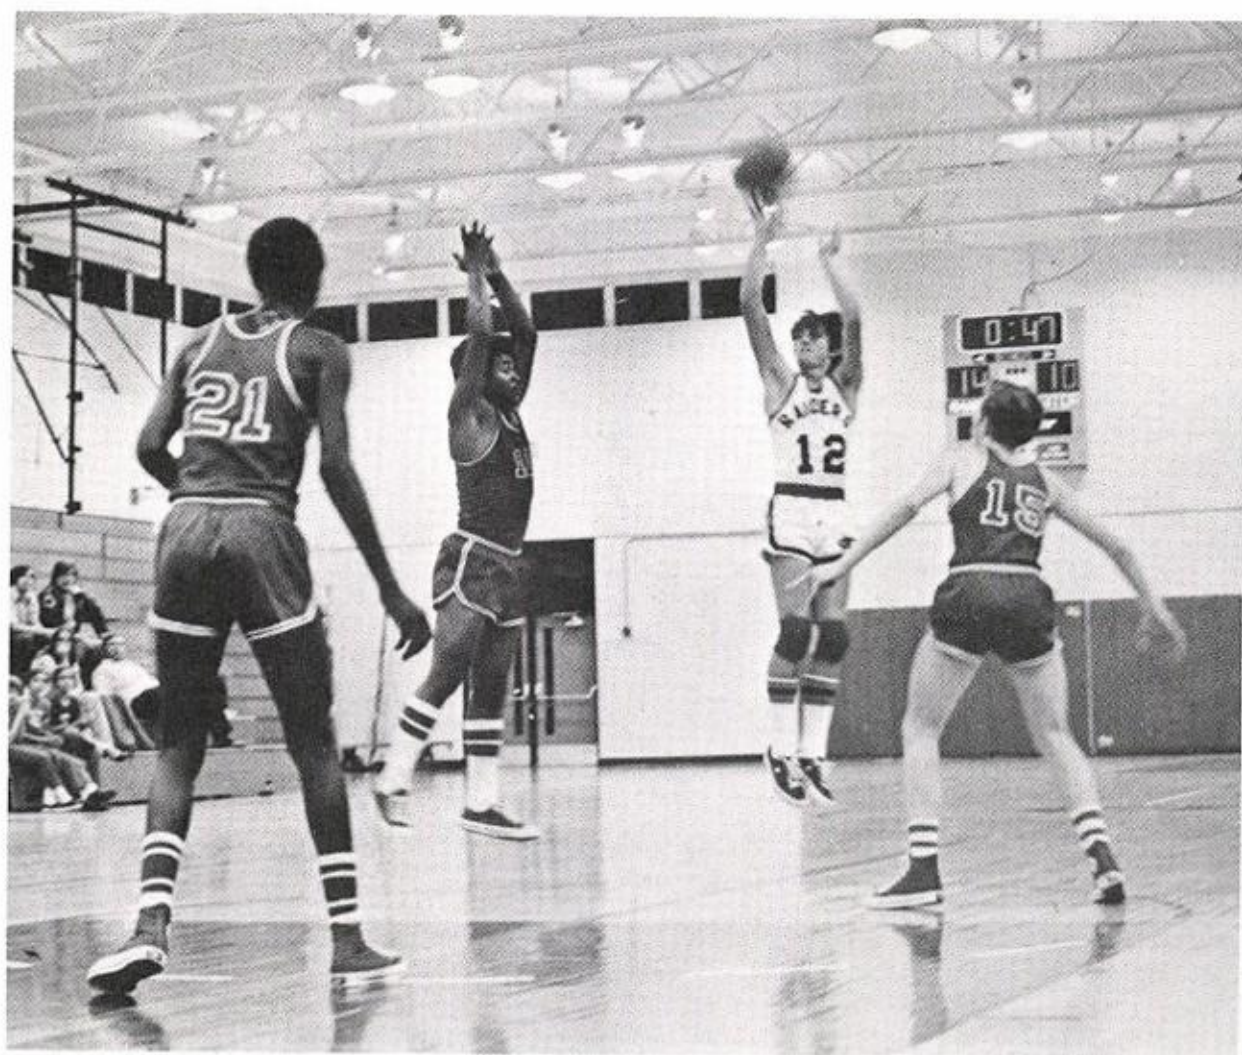

The first big highlight of the season was the Garland Invitational Tournament. Backed by a good crowd, the Raiders opened the tournament by defeating their host, Garland, by a score of 70-55. The second round matched the Raiders against Jesuit and thanks to the spirited play of Chuck Cantlon, North Garland won, 51-47. Then came the game everyone

was waiting for, NGHS versus SGHS for the tournament finale. The game was tight throughout and at the end of regulation play it was tied. Thanks to the shooting of Roy Martin, Mark Miller, and Rick Perry, the overtime period ended with the Raiders on top, 57-53. Terry Lawson and Rick Perry were named to the All-Tourney Team.

The next highlight of the season came as the Raiders ended up on top of 16 teams in the Pepsi-Cola Tournament. The road to the top was traveled by way of defeating St. Marks, 73-50; Sherman, 59-52; North Mesquite, 63-54; and by inching Berkner in the final, 69-67. The winning points in the Berkner game came on two clutch free-throws by Mark Miller. Terry Lawson was named as MVP for the tournament and Mark Miller was named to the All-Tourney Team.

For two years in a row the Raiders opened District 6-AAA by losing to the Lions of McKinney. This year things were different as the Raiders rolled on to a strong victory, 74-58. Terry Lawson's consistent free-throw shooting kept the Raiders on top as he made 16 out of 20 attempts. Lawson's total for the night came to 30 as he also made 7 baskets.

The road trip to Gainesville came next and the Raiders came through again. It took a while for North Garland to overcome some careless errors but they blew it open in the third quarter as they outscored the Leopards, 14-6. The Leopards came back strong but the Raiders displayed good poise and won, 63-54.

The Farmers of Lewisville came to North Garland to try their luck but went home disappointed. Mark Miller poured in 21 points and played good defense to stop Lewisville's strong comeback in the fourth quarter. Rick Perry came on strong to score 16 points as the Raiders won, 64-56.

Then came time for the Raiders to travel to Berkner and play the confident Rams. Raider fans were numerous as the Raider Roundballers proceeded to roll the Rams. During the process, Terry Lawson smoked the nets for 27 points. Good team defense held Berkner's star Frank

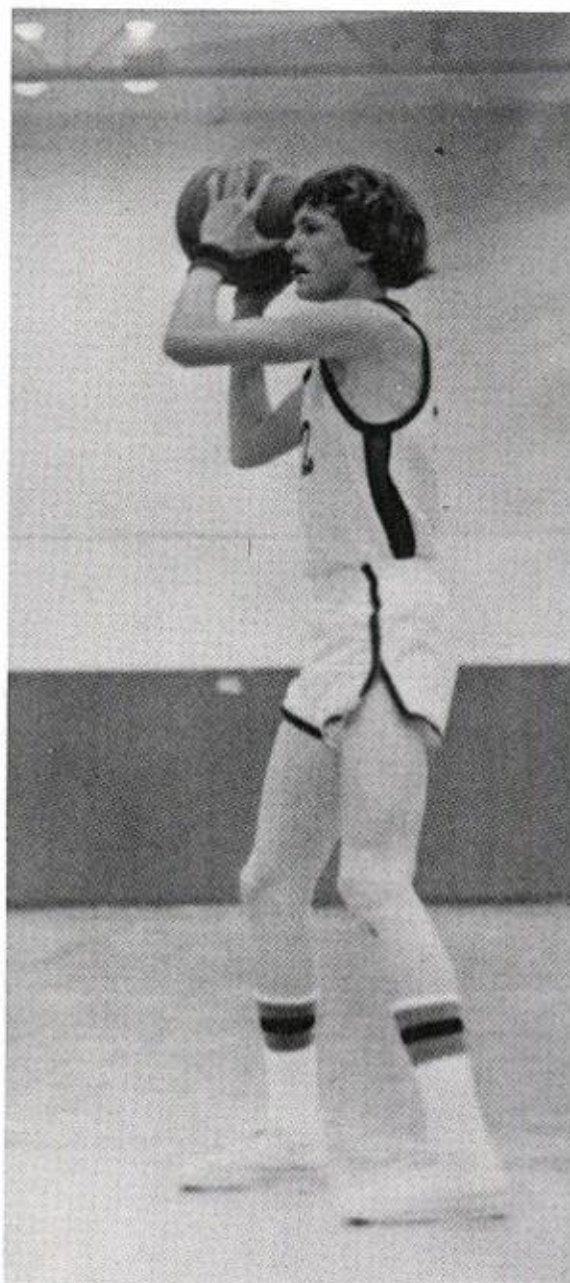

Jackson to 17 points. When the battle ended and the smoke cleared, the Raiders reigned high, 72-55.

The Raiders were now 5-0 in district and could claim the first half by defeating their next opponent, South Grand Prairie. The gym was packed for this close, pressure-filled contest. It was a very physical game and fouls were numerous. When Rick Perry and Terry Lawson had to sit down because of foul trouble, Bill Hubbard turned on to lead the Raiders as he worked inside for 25 points. Hubbard connected on 9 of 12 free-throws as the Raiders won, 74-71.

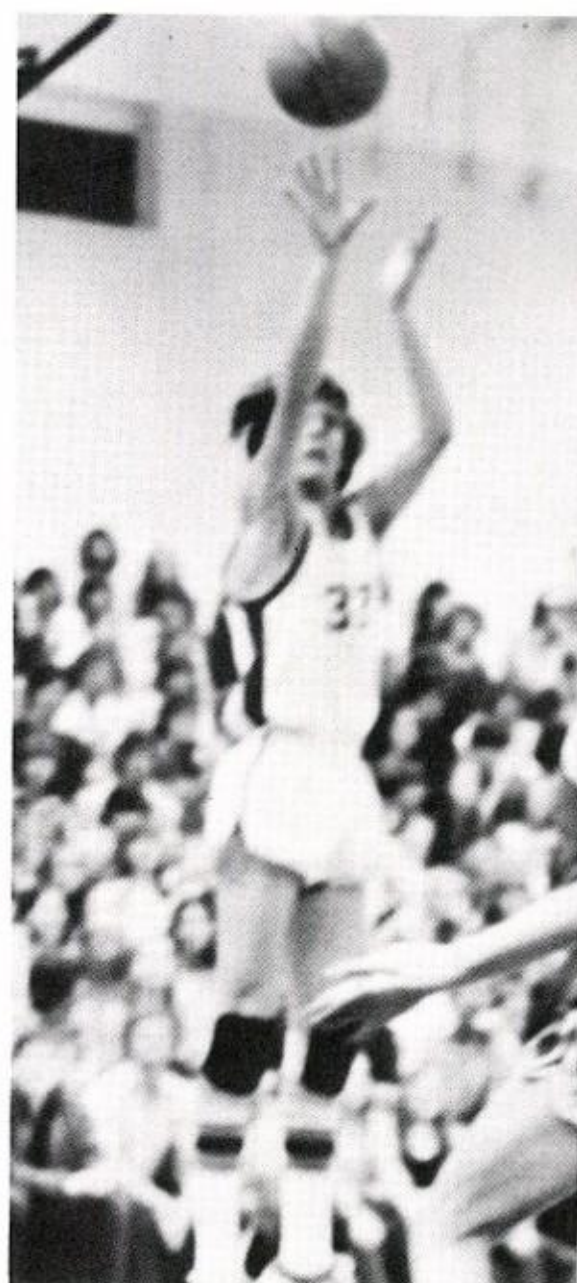

The long trip to Bonham came next and the Raiders made it worthwhile. After a physical first half, the Raiders opened it up in the third quarter. Everyone got a chance to play as the Raiders wrecked the Warriors, 65-48.

The Varsity Raiders had now won the first half of district with a 6-0 record. At the same time, the Junior Varsity had captured its own first half title by posting a 5-1 record.

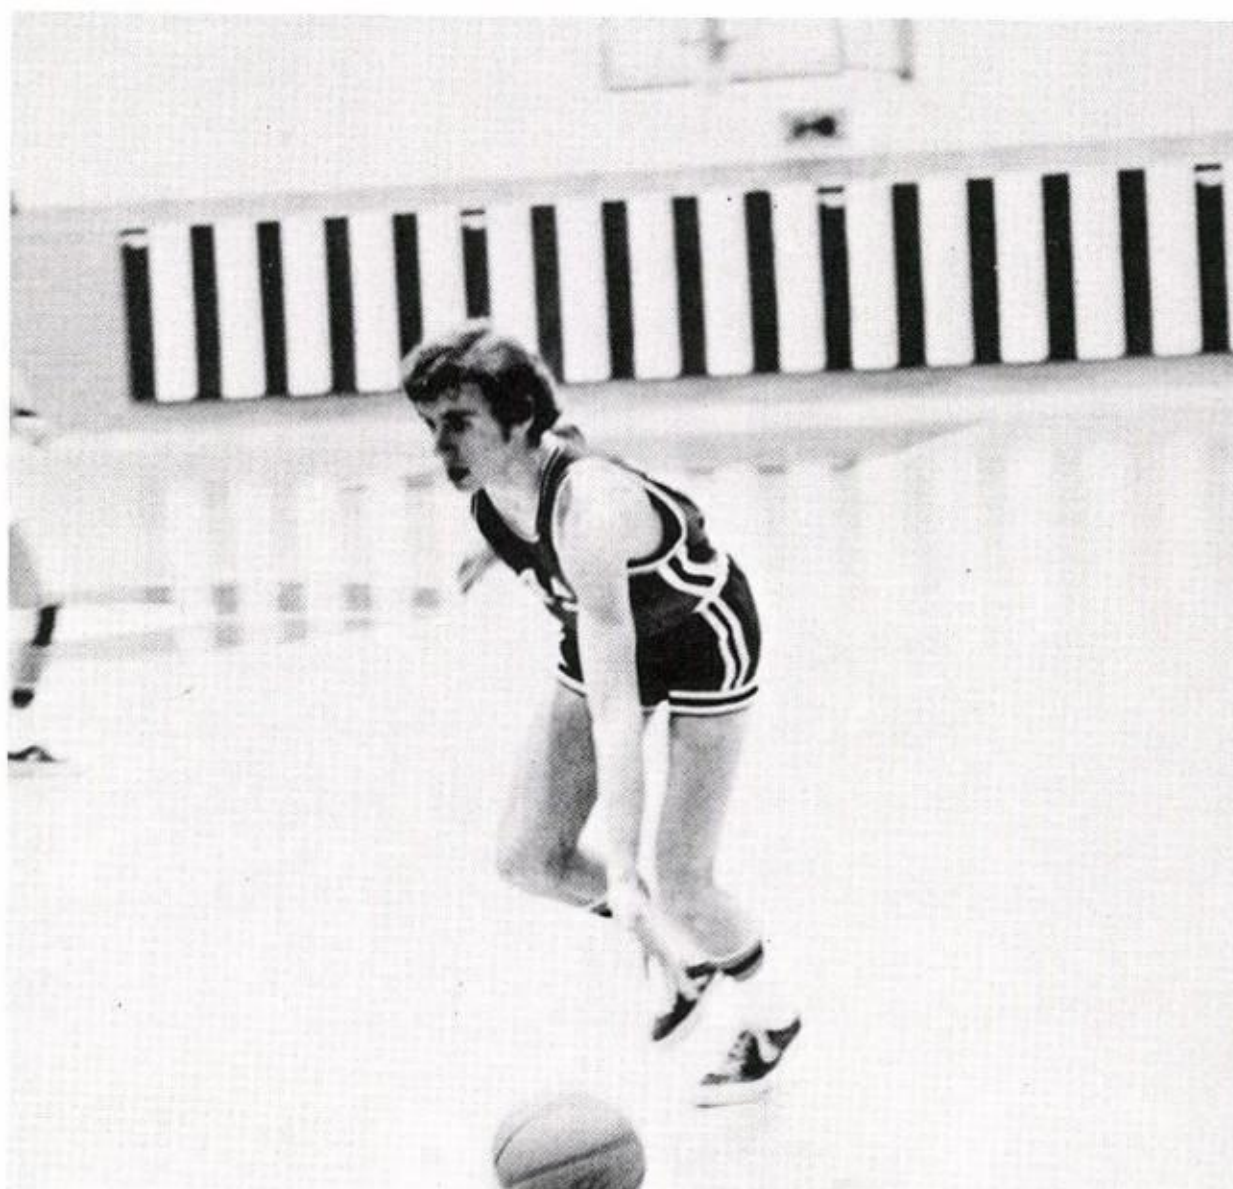

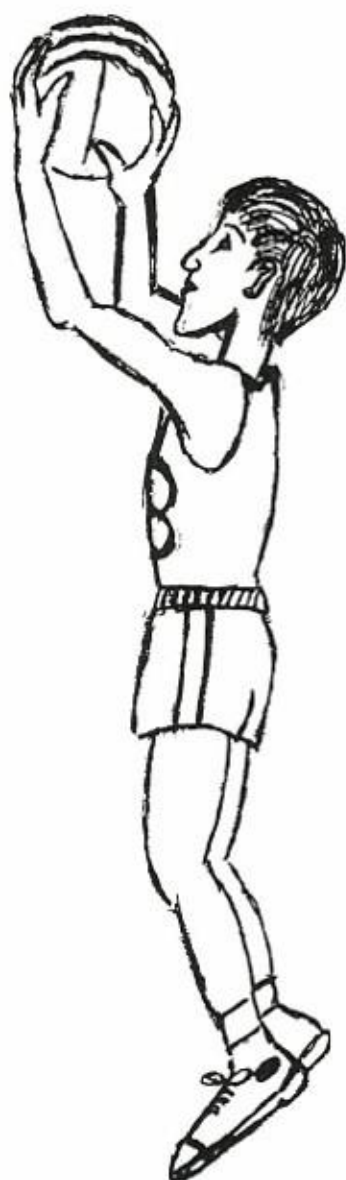

The Raiders began the second half by traveling to McKinney. Rick

Perry displayed some keen shooting as he led the Raiders with 18 points. Spike Jones was a one-man team for McKinney, but one is not enough as the Raiders won, 60-48.

The Leopards of Gainesville came to North Garland hot after two straight wins. The game was very tight and the Raiders had to come from behind to stay in the game. Excellent defense by Bill Hubbard held Gainesville's big man, James Newberry, to only 6 points in the second half. The Raiders came on to win, 46-44.

The Raiders traveled to Lewisville next to face the Farmers. By means of a strong fourth quarter comeback the Farmers were able to tie the score, 60-60. With six seconds left, Terry Lawson bombed one in from the top of the key to bring the Raiders out on top, 62-60.

The Berkner Rams invaded the North Garland gym with hopes of revenge for two earlier losses to the Raiders. Scoring only 19 points, the Raiders had a cold first half. Meanwhile, Berkner was hitting very well.

The Raiders came back strong in the second half, scoring 47 points and coming within two. Time ran out on the Raiders, though, and they took their second loss in 24 games, 66-68.

The Raiders went to South Grand Prairie next to play the Warriors. The game was a breather for the Raiders as they set a new scoring record of 97 points. Terry Lawson bombed in 32 points with Neil Boston contributing 19 points. Chuck Cantlon got back into form with 9 points. Final score, 97-70.

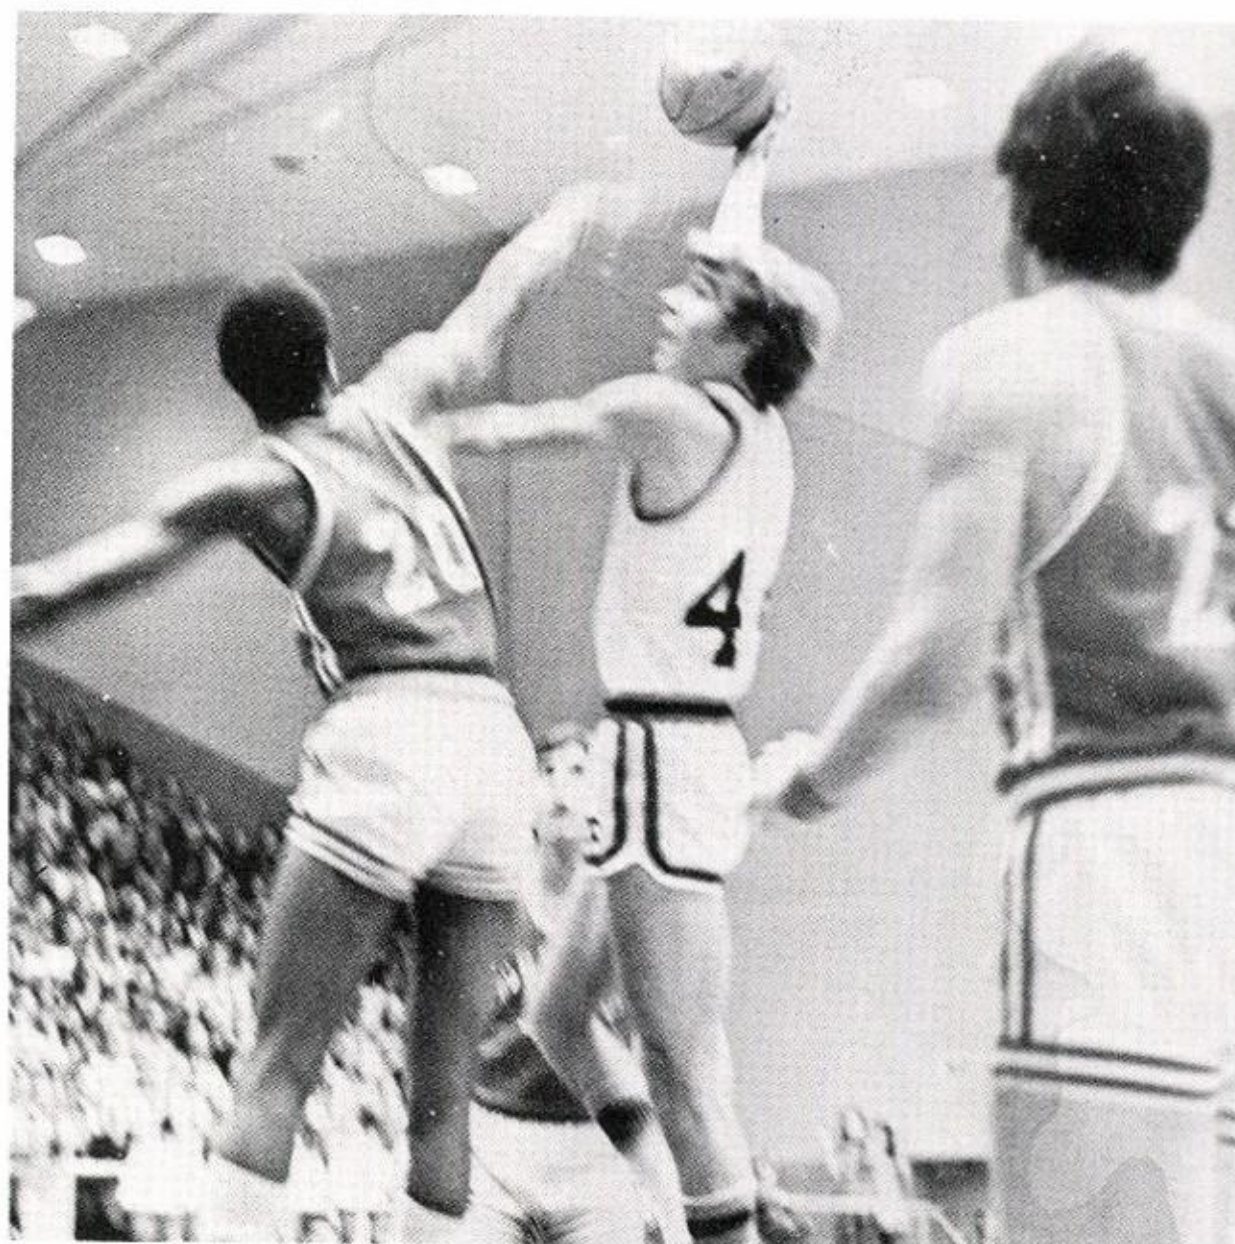

Bonham's Purple Warriors came down for the last district game of the year. The Raiders ran all over Bonham as Walt Bechtol churned in 10 points and Roy Martin got back into style with 10 points, also. The crowd wanted 100 points but were happy to win, 96-62.

The Varsity had now clinched the District 6-AAA title with a district record of 11-1. They were matched in Bi-District with 5-AAA champs, the Grapevine Mustangs. The J.V. finished its loop play with a 9-3 record,

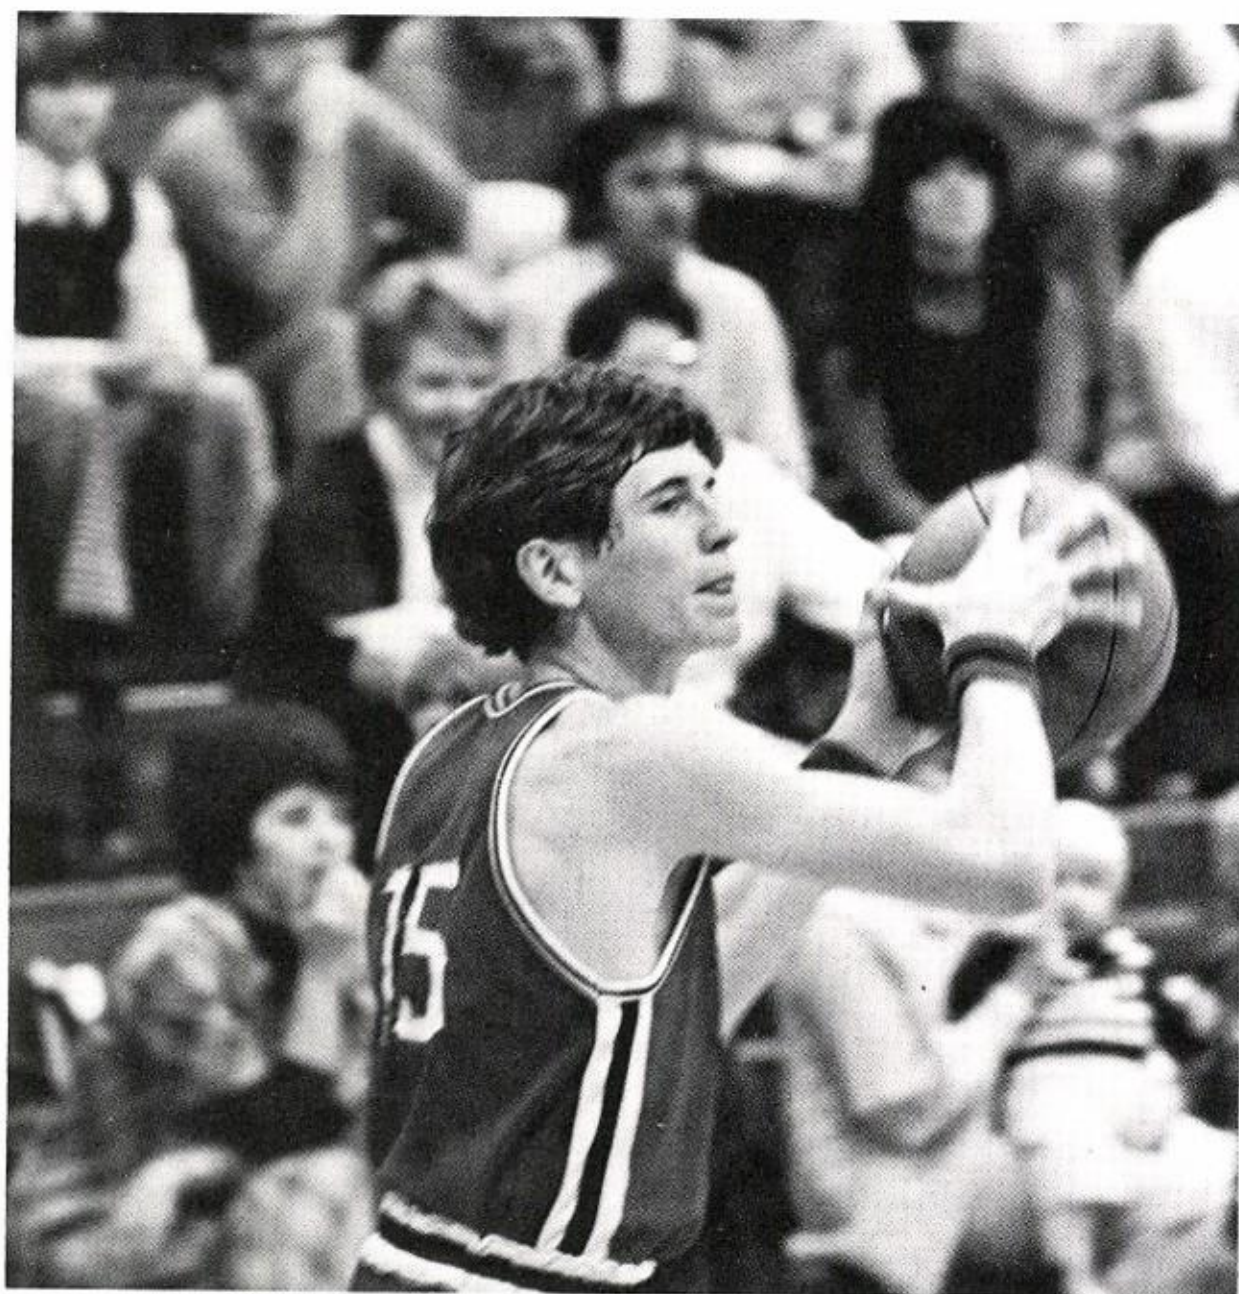

good enough for a second place behind South Grand Prairie. Coach Joe Garcia's group showed a lot of potential and we can look forward to seeing their talents next year.

The Raiders traveled to the R. L. Turner gym for the Bi-District game with Grapevine. North Garland got off to a slow start as the Mustangs took an early 6-0 lead, but that was their only lead of the night. After Neil Boston got the scoring started, Terry Lawson turned on to burn the nets for 18 points in the first half. Lawson finished the night with 28 points and numerous rebounds. Mark Miller was hot from the corners as he added 18 points to the total. Rick Perry donated 10 points, but his real contribution was his scrappy defense. Chuck Cantlon worked inside for a quick 10 points, also. All in all, the Raiders played a fine game and moved into the Regional play-offs by burning the Mustangs, 82-57.

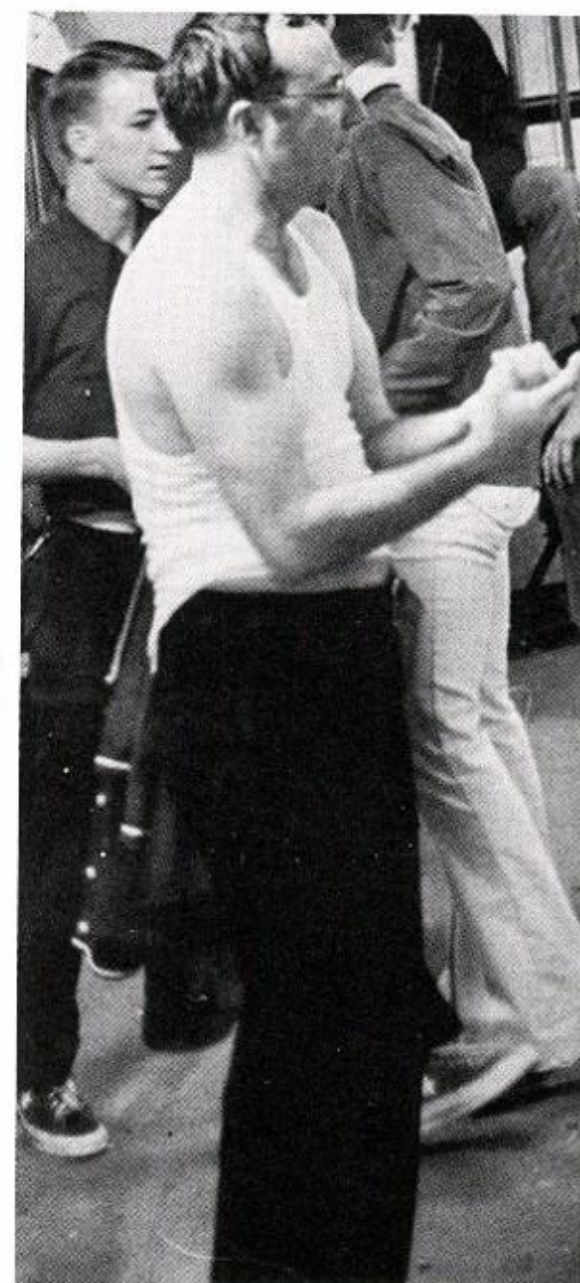

North Garland was now paired with the Atlanta Rabbits from East Texas for the Regional game. The

game was played at Kilgore Junior College and was tight all the way through. The quickness and leaping ability of the Rabbits was apparent right from the start. The Raiders played very steady but were unable to gain a comfortable lead. A strong rebounding ability enabled the Rabbits to stay with the Raiders and at the end of regulation time it was tied, 57-57.

The first overtime period allowed each team to make two baskets and again it was tied when the buzzer sounded. The second overtime period ended with the Raiders one point down after a pair of clutch free-throws by Atlanta guard, Marcus Hatley. Final score, 68-69.

The Raiders had come a long way to lose the Regional game by one point. However, that loss cannot possibly overshadow the accomplishments that Coach Leon Kennedy's crew achieved. During the overall season, the Raider Roundballers had won 25 of 28 games. Depth became a very big factor in the season and

back-up men like Jimmy Roe and Vince Parsons really paid off.

In District play, the Raiders lost only one game by a margin of 2 points. The high game of the year for the Raiders was the 97-70 romp of South Grand Prairie.

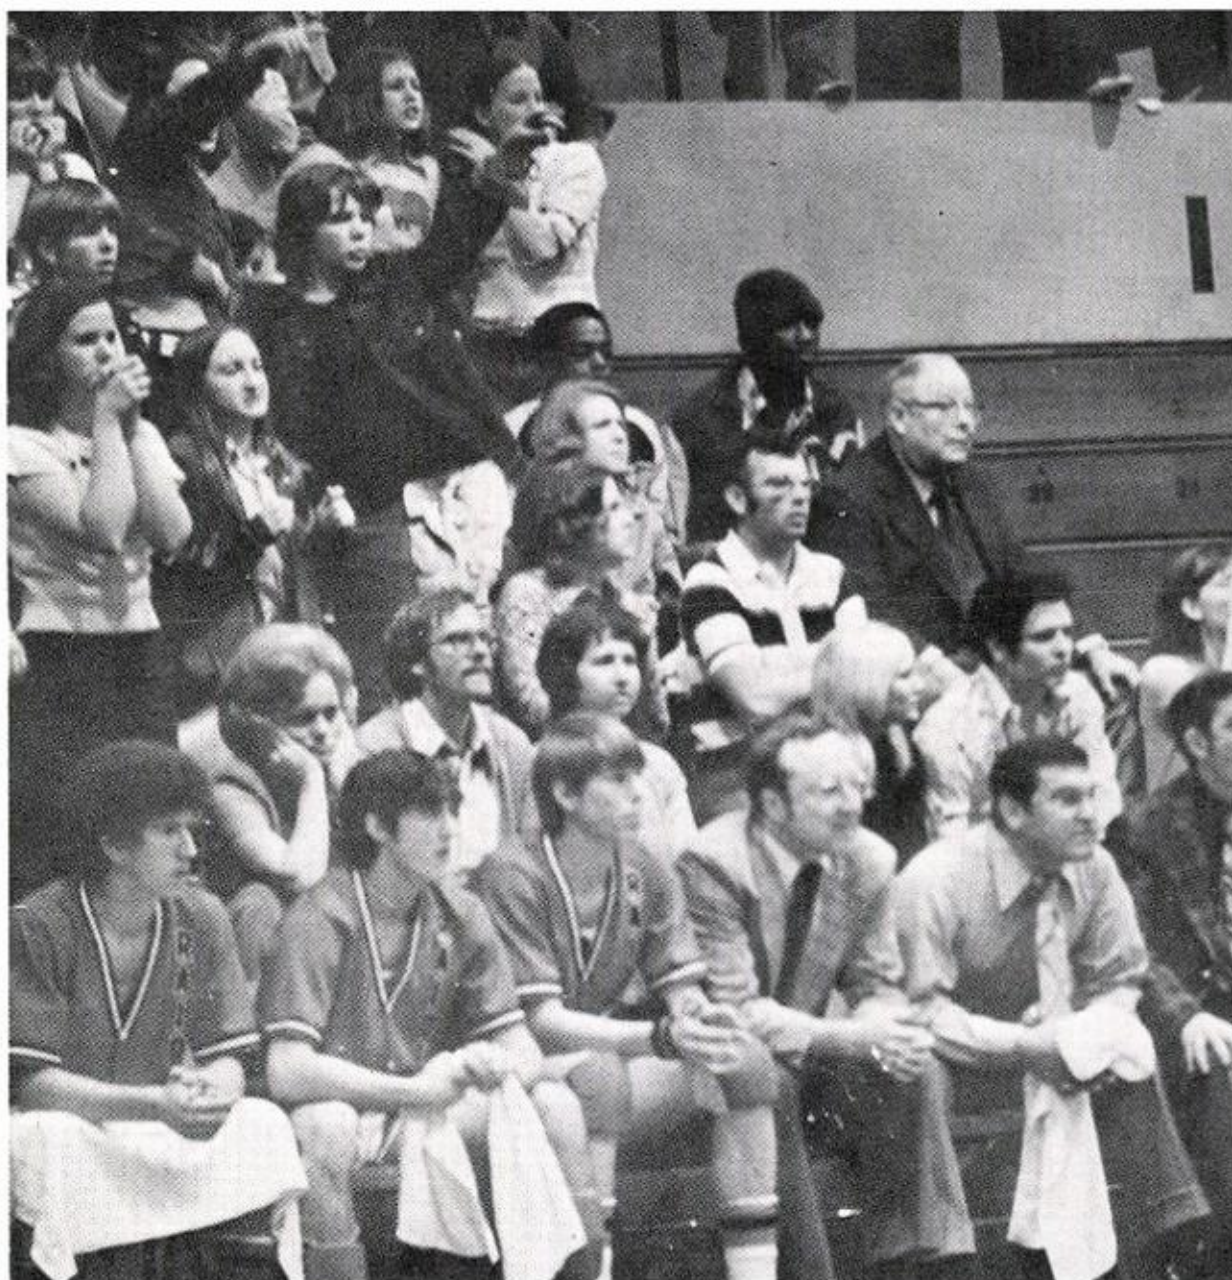

The success of the Raiders brought North Garland together in spirit and it was evident at the games as the fans rocked the walls. The memories of this season, both good and bad, will remain with us for the rest of our lives. North Garland now looks forward to future success in a new district next year.

As the fans scream "SINK IT," Terry Lawson determines to fulfill their wish.

Mark Miller leads a fast-break against Atlanta.

A strong bench and good coaching — necessary elements for a winning team.

Lots of people have jobs we taught them.

Think of today's Army as the world's largest technical school and you'll realize why we have so many successful alumni.

You see, there are over 300 occupations in today's Army that aren't too unlike corresponding civilian jobs. So when you learn a job with us you have a skill when you get out.

You get to pick that skill, too, before you enlist. And if you're qualified, you'll get the training to

perform it like a professional.

Which means intensive, in-depth, on-the-job training along with classroom instruction.

While you learn you get paid. Starting at **\$326.00** a month before deductions. And with 30 days paid vacation a year, free meals, free housing, free clothing, and free medical and dental care, your take-home pay goes a long way.

If you'd like to know more about job training opportunities in today's Army call or see your local Army Representative. You'll pick up skills that will benefit us now, and yourself later.

The MARAUDER staff would like to extend our thanks and appreciation to the following for their help with this book:

Don Griffin, Pete Lohstreter, Eddie Lamm, Tommy Rhodes, and David Barnett for their willingness to take pictures whenever we needed them.

Gloria Weadock for her patience when we were late for deadlines.

Betty Lowrance for her help with the Celebrity Ball.

Fran Caldwell, Rose Morriss, Sheila Platter, and Sally Scott for the days we took over the living room.

Mr. Vaughn for putting up with our mess.

Gene Hudson, Pat Chumpley, and Frank Reid for their smiles and encouragement.

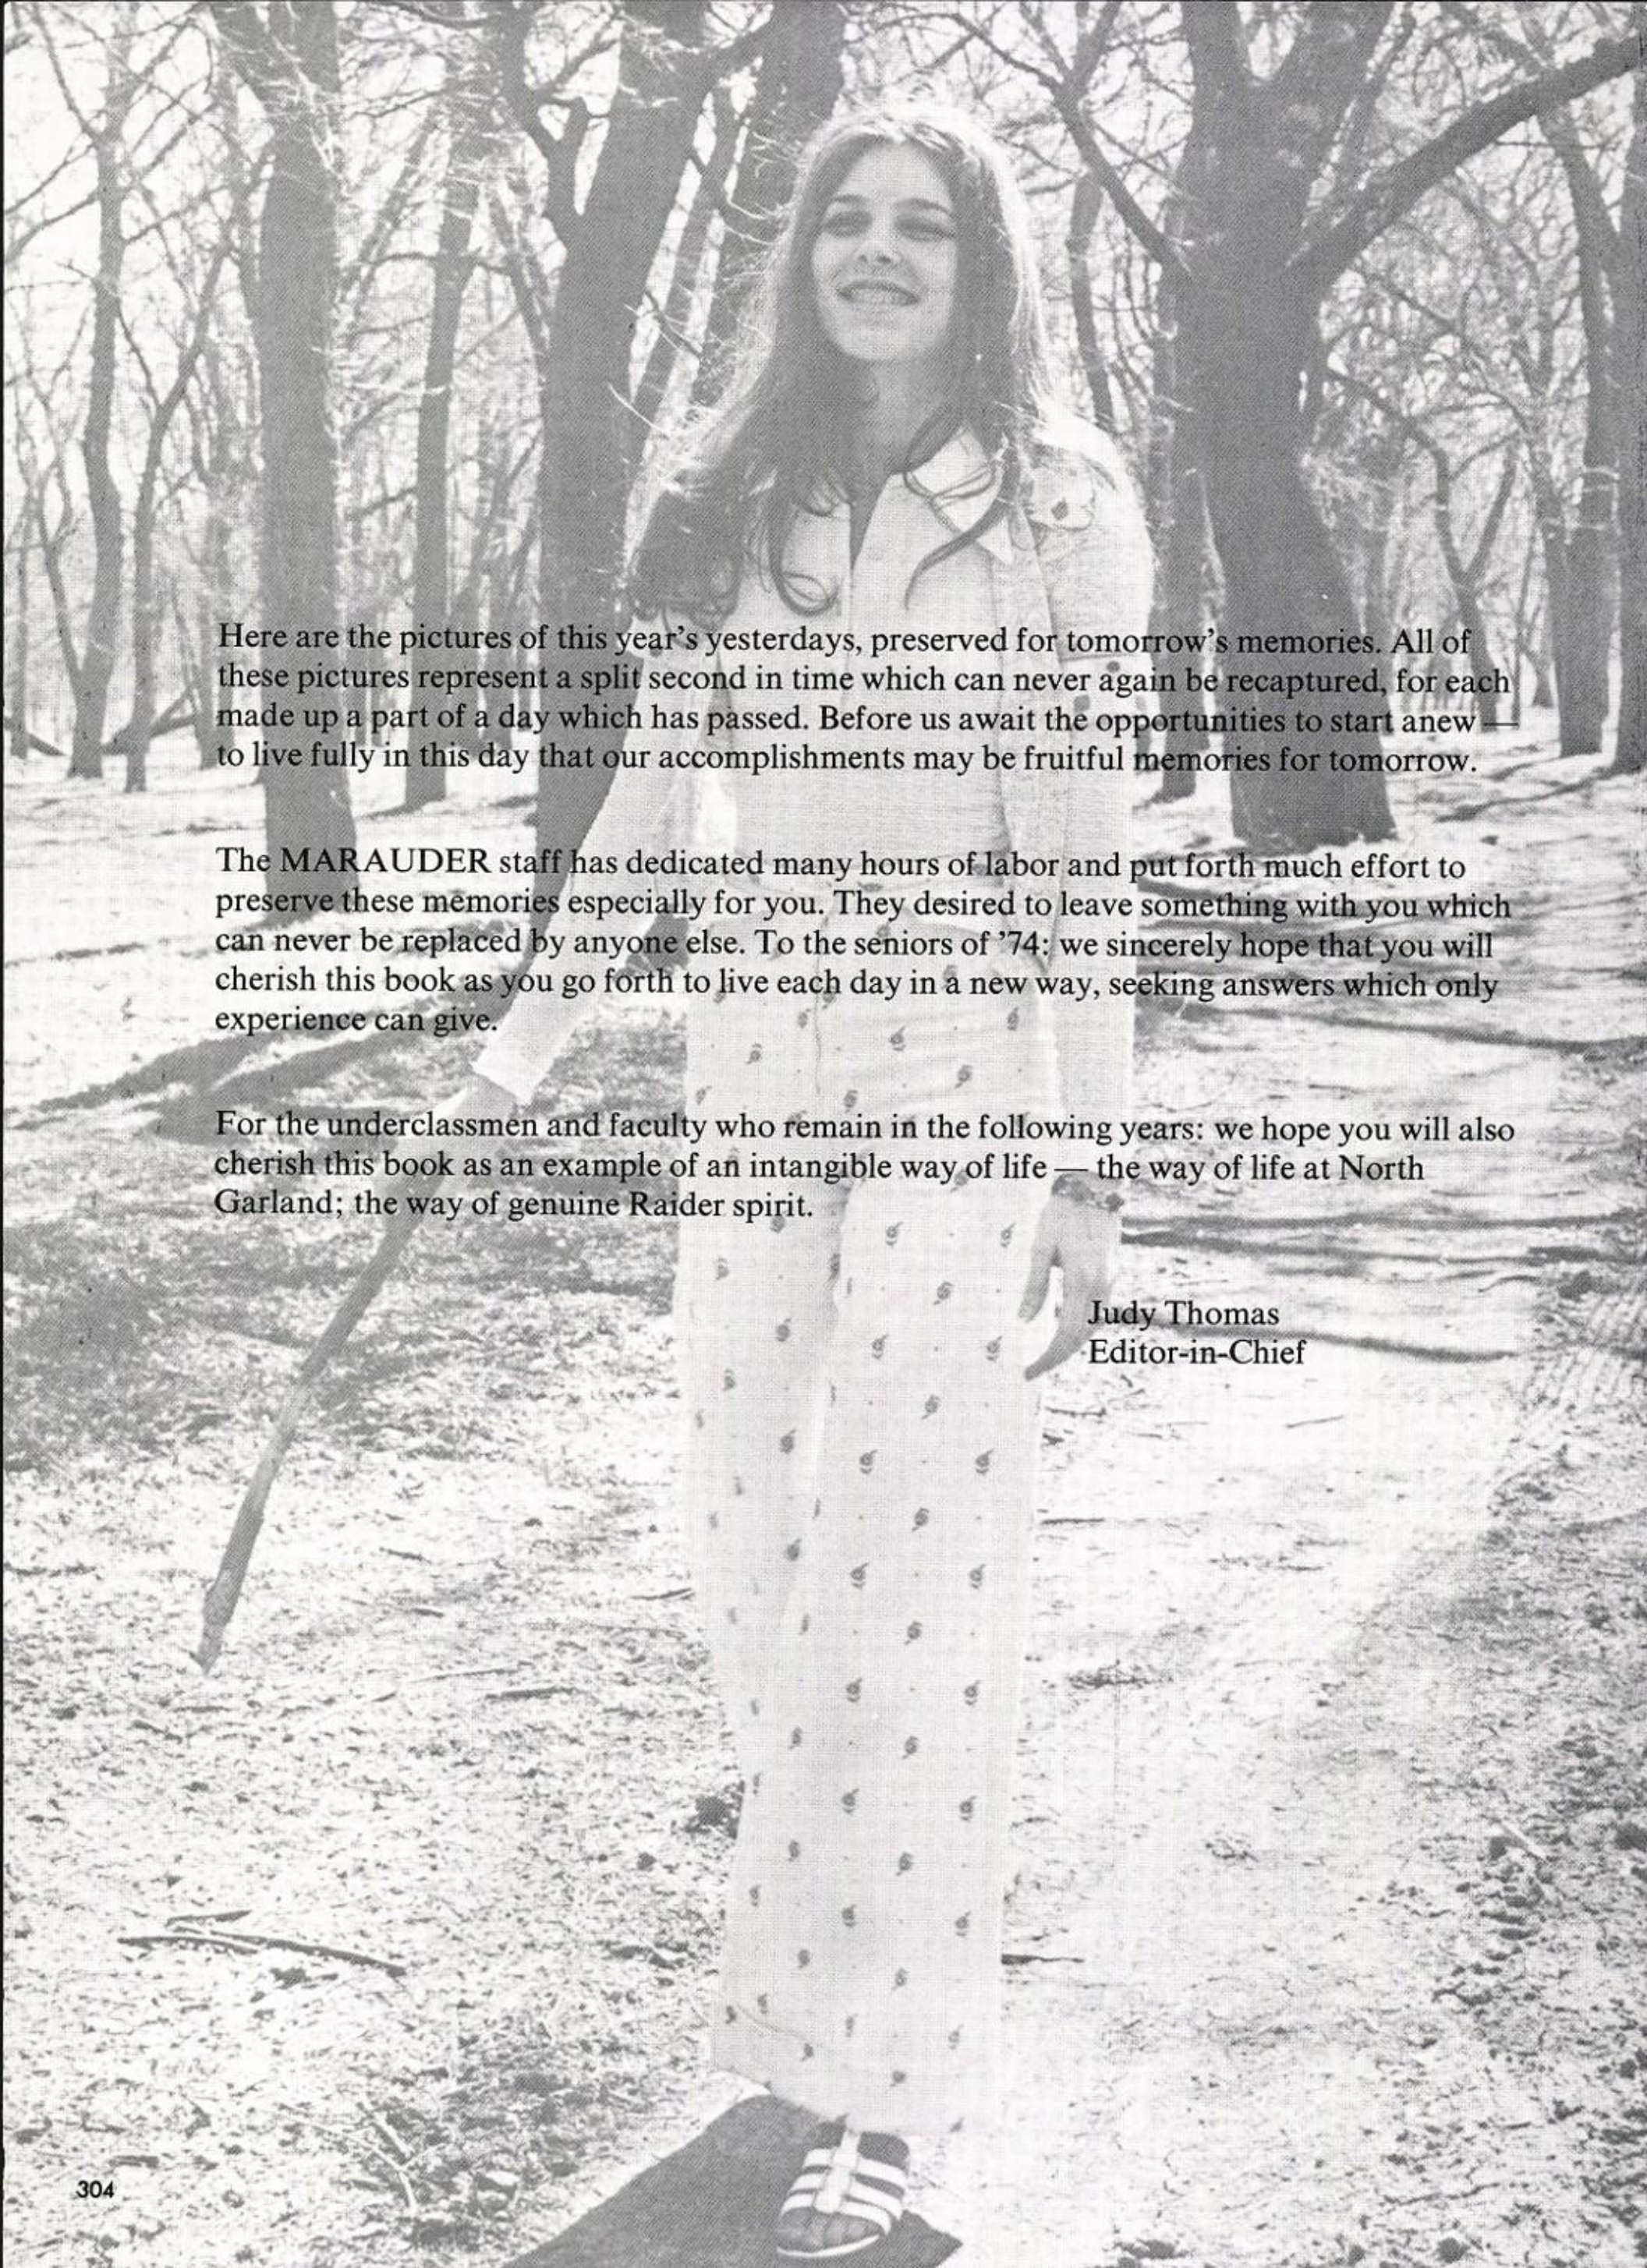

Mattie Don Shaid, Lois Grant, and VOE for their time and effort with the Celebrity Ball Programs.

The faculty for their cooperation in letting us out of class to meet deadlines.

The student body for their cooperation in taking pictures.

The teachers in the 300's who let us use the lounge telephone so many times.

And finally, to Glenna Newkirk and Romaine Murrill for their devotion, time, and "keeping their cool" at deadlines.

Here are the pictures of this year's yesterdays, preserved for tomorrow's memories. All of these pictures represent a split second in time which can never again be recaptured, for each made up a part of a day which has passed. Before us await the opportunities to start anew — to live fully in this day that our accomplishments may be fruitful memories for tomorrow.

The MARAUDER staff has dedicated many hours of labor and put forth much effort to preserve these memories especially for you. They desired to leave something with you which can never be replaced by anyone else. To the seniors of '74: we sincerely hope that you will cherish this book as you go forth to live each day in a new way, seeking answers which only experience can give.

For the underclassmen and faculty who remain in the following years: we hope you will also cherish this book as an example of an intangible way of life — the way of life at North Garland; the way of genuine Raider spirit.

Remember Today

*Strive on, my friend; Don't stop here,
Though this era of your life will soon be gone.
Face the challenge of tomorrow
With expectation, not sorrow
As you lift your head high towards a new dawn.*

*Live on, my friend; As only you can,
Grasp every opportunity each day holds.
As you travel on your way
Forget not this day
Which has afforded blessings untold.*

*Dream on, my friend; Reach for your star,
Fear not the heights to which you can climb.
Walk with determination through the strife
As you go in search of a new life
And, remember this day as a splendor in time.*

Judy Thomas
